*DECLARATION OF
COVENANTS, CONDITIONS AND RESTRICTIONS
FOR
GRANDE RESERVE COMMUNITY ASSOCIATION*

This Declaration of Covenants, Conditions and Restrictions for Grande Reserve Community Association is made this 24th day of January, 2005 by MPI-2 Yorkville Central LLC, ("Declarant").

WITNESSETH:

WHEREAS, the Declarant is the owner of certain real property located in Kendall County, Illinois, as more particularly described in Exhibit A attached hereto and incorporated herein by this reference, and the Declarant desires to subject such property to the provisions of this

Declaration and to have constructed by Developer (herein defined), together with other builders, if any, various residential communities and commercial communities, and to provide a flexible and reasonable method for the administration and maintenance of such property; and

WHEREAS, as hereinafter provided in this Declaration, the Declarant has retained and reserved the right, privilege, and option to submit to the provisions of this Declaration at a later time and from time to time as a part of the residential community and commercial community described herein, all or any portion of the property described in Exhibit B attached hereto and incorporated herein by this reference, and such other property as the Declarant may acquire from time to time and/or wish to subject to the terms of this Declaration.

NOW, THEREFORE, the Declarant hereby declares that all of the property described in Exhibit A and any additional property described in Exhibit B as may by subsequent amendment hereto be subjected to this Declaration shall be held, transferred, sold, conveyed, leased, occupied, and used subject to the following easements, restrictions, covenants, charges, liens, and conditions which are for the purpose of protecting the value and desirability of and which shall touch and concern and run with title to the real property subjected to this Declaration, and which shall be binding on all parties having any right, title, or interest in the described properties or any portion thereof, and their respective heirs, successors, successors-in-title, and assigns, and shall inure to the benefit of each owner thereof and where provided herein, shall benefit the property on which certain common areas are located.

ARTICLE I DEFINITIONS

1.01 Definitions.

When used in this Declaration, unless the context shall prohibit or otherwise require, the following words shall have all the following meanings and all definitions shall be applicable to the singular and plural forms of such terms:

(a) "Additional Property" shall mean and refer to the real property described in Exhibit B attached hereto and all improvements thereon, together with such other additional property and all improvements thereon as Declarant shall acquire from time to time and shall desire to subject to the terms of this Declaration and by amendment to Exhibit B hereto recorded in the Office of the Recorder of Deeds of Kendall County, Illinois, include within the property described in Exhibit B. Declarant may not own the Additional Property but any such inclusion in Exhibit A shall be consented to by the owner if the owner is an entity other than the Declarant.

(b) "Architectural Review Committee" shall mean and refer to the committee established by the Declarant, to administer the Architectural Standards in accordance with this Declaration for the initial construction of improvements to a Lot or Commercial Unit.

(c) "Architectural Standards" shall mean and refer to those architectural standards, use, regulations, guidelines and policies which shall be adopted from time to time and in force by the Declarant and administered by the Architectural Review Committee as provided in this Declaration, that may differ from Neighborhood to Neighborhood, and shall initially mean and refer to Exhibits E, F and G, applicable to the portion of the Property set forth therein.

(d) "Area of Common Responsibility" shall mean and refer to the Common Area, together with those areas, if any, which by the terms of this Declaration, by the Annexation Agreement or by any other contract or agreement become the responsibility of the Association.

(e) "Articles of Incorporation" shall mean and refer to the Articles of Incorporation of Grande Reserve Community Association, an Illinois not-for-profit corporation, as amended from time to time.

(f) "Assessment" shall mean and refer to all assessments referred to under this Declaration or Bylaws and any amendments thereto including any annual Assessment, Limited Common Area Assessment, Special Assessment, Specific Assessment and all other assessments authorized hereunder.

(g) "Association" or "Community Association" shall mean and refer to Grande Reserve Community Association, an Illinois not-for-profit corporation.

(h) "Association Delegates" shall mean those delegates representing Members at the Association meetings, as described more fully in Article IV hereof.

(i) "Board of Directors" or "Board" shall mean and refer to the Board of Directors of the Association, which is the governing body of the Community Association.

(j) "Bylaws of the Association" or the "Bylaws" shall mean and refer to those Bylaws of Grande Reserve Community Association, which govern the administration and operation of the Association, as the same may be amended from time to time, a copy of which is attached hereto as Exhibit C.

(k) "City" shall mean and refer to the United City of Yorkville, a municipal corporation, its successors and assigns.

(l) "Commercial Unit" shall mean and refer to land and the buildings and improvements located thereon within the Property, which shall be restricted to use for other than residential purposes.

(m) "Common Area" shall mean and refer to all real and personal property now or hereafter owned and/or maintained by the Association for the common use and enjoyment of the Owners. Common Area shall include Limited Common Area. Included within the Common Area may be the following, if any: stormwater management facilities,

ponds, lakes, entry monuments, center islands in cul-de-sacs, clubhouses, recreational facilities, bike and walking paths, retention area(s), open space and landscape buffer areas not platted as lots, except to the extent any of the foregoing have been publicly dedicated. The designation of any land and/or improvements as Common Area shall not mean or imply that the public at large acquires any easement of use or enjoyment therein. Declarant may, but shall not be required to, designate and/or convey other property to the Association. The legal description of the Common Area existing as of the date hereof is attached hereto as Exhibit D and such additional parcels of land as may be subjected to the terms of this Declaration in accordance with Article II.

(n) "Common Expenses" shall mean and refer to all expenditures lawfully made or incurred by or on behalf of the Association, together with all funds lawfully assessed for the creation or maintenance of reserves, pursuant to the provisions of this Declaration. Any portion of the Common Expenses benefiting only a Limited Common Area, allocated in the discretion of the Board, shall be deemed a Limited Common Area Expense.

(o) "Declarant" shall mean and refer to MPI-2 Yorkville Central LLC, its successors and assigns, if such successors and assigns shall acquire more than one (1) undeveloped Lot from the Declarant for the purpose of development and sale and are designated as the Declarant hereunder in a recorded instrument executed by the immediately preceding Declarant.

(p) "Declarant Rights" shall mean any and all rights, powers and privileges reserved, granted or otherwise provided for herein which may be exercised by, or which benefit only, the Declarant.

(q) "Declaration" shall mean and refer to this Declaration of Covenants, Conditions and Restrictions for Grande Reserve Community Association and all amendments thereof filed for record in the Office of the Recorder of Deeds of Kendall County, Illinois.

(r) "Developer" shall mean an entity designated as such by Declarant in a recorded instrument or in writing to the Association who has the responsibility and obligation to develop a Neighborhood or significant portion thereof within the Property and its successors and assigns.

(s) "Development", with an initial capital letter, shall mean and refer to the Property and all improvements located or constructed thereon, and any portion of the Additional Property submitted to the provisions hereof pursuant to Section 2.02.

(t) "Dwelling", with an initial capital letter, shall mean and refer to any improved property intended for use as a single-family detached dwelling, townhouse, duplex, apartment, condominium unit, patio, or cluster home or other residence, whether detached or attached, located within the Development.

(u) "Foreclosure" shall mean and refer to, without limitation, the judicial foreclosure of a Mortgage or the conveyance of secured property by a deed in lieu of a judicial foreclosure.

(v) "Lease" shall mean and refer to any lease, sublease, or rental contract, whether oral or written.

(w) "Limited Common Area" shall mean and refer to a portion of the Common Area, which is designated by Declarant for the exclusive use of certain Owners and/or Occupants of one or more Dwellings or Commercial Units. By way of example, a Limited Common Area may be a clubhouse, fence, retaining wall, and landscape buffer area, monument for a Neighborhood or other real estate or improvements, which serve or benefit a group of Dwellings or Commercial Units. The designation of a portion of a Common Area (and the Owners and Occupants designated to use and enjoy same) as a Limited Common Area may occur at any time by Declarant in this Declaration or amendment or supplement thereto or in writing to the Association.

(x) "Limited Common Area Assessment" shall mean and refer to the assessments levied on the Lots, Dwellings or Commercial Units which have the right to use or benefit from a particular Limited Common Area to pay the associated Limited Common Area Expenses and to accumulate reserves for such expenses. The Limited Common Area Assessment for any Lot or Dwelling shall not exceed Six Hundred Dollars (\$600.00) per year, subject to yearly increases not exceeding fifteen percent (15%) per year commencing January 1 following the recording of this Declaration.

(y) "Limited Common Area Expenses" shall mean and refer to with respect to a Limited Common Area, the expenses of administration, maintenance, operation, repairs, and replacement thereof; the cost of insurance, real estate taxes, and other assessments, if any; water, waste removal, electricity, telephone, and other necessary utility expenses for the Limited Common Area; and any expenses incurred by the Association relating to the Limited Common Area which, pursuant to generally accepted accounting principles, can reasonably be allocated to the Limited Common Area. The Board may allocate Limited Common Area Expenses based on generally accepted accounting principles and any allocations so made shall be final and binding.

(z) "Living Space" shall mean and refer to enclosed and covered areas within a Dwelling, exclusive of garages, carports, porches, terraces, balconies, decks, patios, courtyards, greenhouse, atriums, bulk storage areas, attics, and basements.

(aa) "Lot" shall mean and refer to any unimproved portion of the Property (and a subdivided lot of record) upon which it is intended that a Dwelling (or Dwellings, in the event condominium units are constructed) shall be constructed. A parcel of land shall be deemed unimproved and thus considered to be a Lot, rather than a Dwelling, until the improvements constructed thereon are sufficiently complete to reasonably permit habitation thereof and a certificate of occupancy has been issued by the City. Upon such completion,

such parcel and the improvements thereon shall collectively be considered to be a Dwelling for purposes of this Declaration.

(ab) "Member" shall mean an Owner who holds membership in the Association pursuant to Section 4.01 of this Declaration.

(ac) "Modifications Committee" shall mean and refer to the committee established by the Declarant to administer the Architectural Standards in accordance with this Declaration for modifications to a Dwelling or Commercial Unit, excluding substantial reconstruction due to casualty.

(ad) "Mortgage", with an initial capital letter, shall mean and refer to a security deed, deed of trust, mortgage, installment land sales contract or other similar security instrument granting, creating, or conveying a lien upon, a security interest in, or a security title to a Lot, Dwelling, Commercial Unit or Neighborhood.

(ae) "Mortgagee", with an initial capital letter, shall mean and refer to the holder of a Mortgage.

(af) "Neighborhood" shall mean and refer to any portion of the Property designated as such by Declarant in which (i) common areas may be owned by the Owners residing in such Neighborhood as tenants-in-common or by the Neighborhood Association (ii) particular Architectural Standards are adopted by Declarant and/or Developer for such Neighborhood; and/or (iii) such Neighborhood has particular characteristics requiring additional covenants and restrictions. Declarant shall make such designation to the Association or in a document which is recorded.

(ag) "Neighborhood Association" shall mean and refer to a corporation or an unincorporated association established in a Neighborhood Declaration whose members are comprised entirely of Owners of Dwellings or Commercial Units within a Neighborhood. Declarant must consent to a Neighborhood Association.

(ah) "Neighborhood Declaration" shall mean and refer to any instrument or document, and any amendments thereto, which is recorded in the Office of the Recorder of Deeds of Kendall County, Illinois, with respect to any Neighborhood and which imposes covenants, conditions, easements, and restrictions with respect to such Neighborhood. Declarant must consent to a Neighborhood Declaration.

(ai) "Occupant" shall mean and refer to any person, including, without limitation, any Owner or any guest, invitee, lessee, tenant, or family member of an Owner, occupying or otherwise using a Dwelling or Commercial Unit within the Development.

(aj) "Owner", with an initial capital letter, shall mean and refer to one (1) or more persons, including Declarant and Developer, who or which owns fee simple title to any Lot, Commercial Unit or Dwelling, excluding, however, those persons having such an interest under a Mortgage. In the event that there is recorded in the Office of the Recorder of

Deeds of Kendall County, Illinois, any installment land sales contract covering any Lot, Commercial Unit or Dwelling, the Owner of such Lot, Commercial Unit or Dwelling shall be the purchaser under said contract and not the fee simple title holder. An installment land sales contract shall be an instrument whereby the purchaser is required to make payment for a Lot, Commercial Unit or Dwelling for a period extending beyond nine (9) months from the date of the contract, and where the purchaser does not receive title to such Lot, Commercial Unit or Dwelling until all such payments are made, although the purchaser is given use of such Lot, Commercial Unit or Dwelling.

(ak) "Person" shall mean and refer to a natural person, corporation, partnership, association, trust, or other legal entity, or any combination thereof.

(al) "Property," with an initial capital letter, shall mean and refer to those tracts or parcels of land described on Exhibit A together with all improvements thereon, including the Common Area and Limited Common Area, utility systems, drainage systems, and other improvements serving the Lots, Commercial Units and Dwellings, and, upon submission to the provisions of this Declaration, the tracts or parcels of land described in Exhibit B, or any portion thereof, or any tracts or parcels of land hereafter added thereto, together with all improvements thereon.

(am) "Record" or "place of record" means to record a document in the Office of the Recorder of Deeds of Kendall County, Illinois.

(an) "Unit Membership" shall mean the membership in the Association, which is appurtenant to a Member's Dwelling, Commercial Unit or Lot as provided in Section 4.01 of this Declaration.

ARTICLE II DEVELOPMENT

2.01 Development of Property.

Except as otherwise set forth in Section 3.09 and Section 10.05 hereof, all Lots within the Development shall be and are hereby restricted exclusively to residential use and shall be subject to the standards and restrictions set forth in Article X hereof, and all Commercial Units within the Development shall be and are hereby restricted exclusively to commercial and business use and shall be subject to the standards and restrictions as determined by the Architectural Review Committee. Declarant shall have the right, but not the obligation, for so long as Declarant owns any Lot, Commercial Unit or Dwelling primarily for the purpose of sale or has the unexpired option (as defined in Section 2.02) to submit Additional Property to the terms of this Declaration and to make improvements and changes to all Common Area and to any other portion of the Property owned by Declarant, including, without limitation, (i) installation and maintenance of any improvements in and to the Common Area (ii) changes in the location of the boundaries of any Lots, Commercial Units or Dwellings owned by Declarant or of the Common Area, (iii) installation and maintenance of any water, sewer, and other utility systems and facilities, and (iv)

installation of security and/or refuse facilities. Any and all improvements or changes made, as aforesaid, shall not result in an encroachment on Lots or Commercial Units not owned by Declarant.

2.02 Development of Additional Property.

Declarant hereby reserves the option, to be exercised in its sole discretion, to submit from time to time the Additional Property or a portion or portions thereof to the provisions of this Declaration and thereby to cause the Additional Property or a portion or portions thereof to become part of the Property. This option may be exercised by Declarant in accordance with the following rights, conditions, and limitations, which are the only conditions and limitations on such option to add all or any portion of the Additional Property to the Development:

(a) The option may be exercised from time to time during a period of ten (10) years from the date of this Declaration; provided, however, that Declarant reserves the right to terminate such option at any time prior to the expiration of such ten (10) year period by executing and filing an agreement evidencing such termination in the Office of the Recorder of Deeds of Kendall County, Illinois, and, except for such termination by Declarant, no other circumstances will terminate such option prior to the expiration of such ten (10) year period.

(b) The legal description of the Additional Property as of the date hereof is set forth on Exhibit B, portions of the Additional Property (together with additions thereto made in accordance herewith) may be added to the Development and to the terms of this Declaration at different times, and there are no limitations fixing the boundaries of those portions or regulating the order, sequence, or location in which any of such portions may be added to the Development. The exercise of the option to submit a portion of the Additional Property to the Declaration shall not bar the further exercise of this option as to other portions or the balance of the Additional Property.

(c) If the Additional Property or any portion thereof is added to the Development, Declarant reserves the right to designate the boundaries of the Lots, Commercial Units, Dwellings, and Neighborhoods, as well as the Common Area and Limited Common Area, if any, to be added to the Development in connection therewith.

(d) Should the option to add the Additional Property, or any portion thereof, not be exercised within the term specified herein or be terminated by Declarant, such option shall in all respects expire and be of no further force and effect.

(e) The option reserved by Declarant to cause all, or any portion of, the Additional Property to become part of the Development shall in no way be construed to impose upon Declarant any obligation to add all or any portion of the Additional Property to the Development or to construct thereon any improvements of any nature whatsoever.

(f) In furtherance of the foregoing, a power coupled with an interest is also hereby declared and reserved to Declarant, as attorney-in-fact, to increase the number of

Members from time to time as set forth in each amendment to this Declaration. A power coupled with an interest is hereby declared and reserved to Declarant, as attorney-in-fact, to execute, deliver and record in the Office of the Recorder of Deeds of Kendall County, Illinois, such documents as be necessary or desirable, in Declarant's sole and absolute discretion, to amend this Declaration to add Additional Property.

The option reserved under this Section 2.02 may be exercised by Declarant only by the execution of an amendment to this Declaration which shall be filed in the Office of the Recorder of Deeds of Kendall County, Illinois, together with a legal description of the Additional Property or such portion or portions thereof as are being added to the Development by such amendment. Simultaneously therewith, Declarant may, at its option, convey to the Association the Common Area, if any, contained within the Additional Property, or such portion thereof so submitted, such conveyance to be subject to the lien of taxes not yet due and payable, all easements and restrictions of record, utility easements serving or otherwise encumbering the Property and/or the Additional Property, and any exceptions which would be disclosed by survey or physical inspection of such parcel(s). Any such amendment shall expressly submit the Additional Property or such portion thereof to all the provisions of this Declaration, and upon the exercise, if any, of such option or options, the provisions of this Declaration shall then be construed as provisions embracing the real property described in Exhibit A and the Additional Property or such portion or portions thereof so submitted to the terms hereof, together with all improvements located thereon. In no event shall Declarant be obligated to submit the Additional Property, or any portion thereof, to the provisions of this Declaration or to impose upon the Additional Property, or any portion thereof, any covenants, conditions, or restrictions whatsoever.

2.03 Neighborhood Associations.

It is presently contemplated that there may be established by Declarant, its successors or assigns, Neighborhood Associations limited to the Owners of Lots, Commercial Units or Dwellings within the Neighborhoods located within such portion or portions of the Property designated as a Neighborhood by Declarant in order to promote their health, safety, and social welfare, as well as to provide for the maintenance of Commercial Units, Dwellings and/or Common Area owned by such Owners and/or such Neighborhood Associations, provided that such Owners shall also be Members of the Association and such Lots, Commercial Units, and Dwellings shall continue to be subject to the terms of the Declaration. Neighborhoods may be subject to Neighborhood Declarations, which impose covenants and restrictions, which are in addition to, but not in abrogation or substitution of, those imposed hereby, and if such Neighborhood Declaration provides, the Neighborhood Associations may levy additional assessments and make and enforce supplementary covenants, restrictions, rules, and regulations with respect to such Neighborhoods.

2.04 Interest Subject to Plan of Development.

Every purchaser of a Lot, Commercial Unit or Dwelling shall purchase such Lot, Commercial Unit or Dwelling and every Mortgagee and lienholder holding an interest therein shall take title, or hold such security interest with respect thereto, subject to Declarant's right to add the Additional Property, or any portion or portions thereof, to the Development as hereinabove provided, and to convey to the purchaser thereof the title to the Lot, Commercial Unit or Dwelling and its

appurtenant membership and voting rights in the Association. Any provision of this Declaration to the contrary notwithstanding, the provisions set forth in this Article II may not be abrogated, modified, rescinded, supplemented, or amended in whole or in part without the prior written consent of Declarant.

2.05 Subdivision Plat.

Declarant reserves the right to record, modify, amend, revise, and add to, at any time and from time to time, a subdivision plat setting forth such information as Declarant may deem necessary with regard to the Development, including, without limitation, the locations and dimensions of the Lots, Commercial Units, Dwellings, Neighborhoods, Common Area, Additional Property, roads, utility systems, drainage systems, utility easements, drainage easements, access easements and set-back line restrictions.

2.06 Rezoning of Residential Areas.

Any rezoning of any area of the Property that is zoned residential as of the date of this Declaration is recorded to a non-residential zoning must have the prior written approval of Declarant and Castle Bank, 606 Countryside Center, Yorkville, Illinois 60560, until such time as the loan facility, entered into on the 15th of December, 2004, between Castle Bank and Yorkville Community Unit School District #115, is paid in full, at which time this Section 2.06 shall become void and of no further force and effect.

ARTICLE III
PROPERTY RIGHTS

3.01 General.

Each Lot, Commercial Unit and Dwelling shall for all purposes constitute real property which shall be owned in fee simple and which, subject to the provisions of this Declaration, may be conveyed, transferred, and encumbered the same as any other real property. Each Owner shall be entitled to the exclusive ownership and possession of his or her Lot, Commercial Unit or Dwelling, subject to the provisions of this Declaration, including, without limitation, the provisions of this Article III. If any chutes, flues, ducts, conduits, wires, pipes, plumbing, or any other apparatus or facilities for the furnishing of utilities or other services to a Lot, Commercial Unit, Dwelling, or Neighborhood lie partially within and partially outside of the designated boundaries of the Lot, Commercial Unit, Dwelling, or Neighborhood in question, any portions thereof which serve only such Lot, Commercial Unit, Dwelling, or Neighborhood shall be deemed to be a part of such Lot, Commercial Unit, Dwelling, or Neighborhood, and any portions thereof which serve more than one (1) Lot, Commercial Unit, Dwelling, or Neighborhood, or any portion of the Common Area, shall be deemed to be a part of the Common Area. The ownership of each Lot, Commercial Unit and Dwelling shall include, and there shall pass with each Lot, Commercial Unit and Dwelling as an appurtenance thereto, membership in the Association. Each Owner shall automatically become a Member of the Association and shall remain a Member thereof until such time as his or her ownership ceases for any reason, at which time his or her membership in the Association shall

automatically pass to his successor-in-title to his Lot, Commercial Unit or Dwelling. Lots and Commercial Units shall not be subdivided, and, except as otherwise provided hereunder, the boundaries between Lots and Commercial Units shall not be relocated, unless the relocation thereof is made with the consent of at least a majority of the Owners in the Development and of Declarant, so long as Declarant owns a Lot, Commercial Unit or Dwelling primarily for the purpose of sale or has the unexpired option to add the Additional Property or any portion thereof to the Development. Notwithstanding the foregoing, nothing herein shall prohibit the combination of two (2) or more Lots or Commercial Units into a larger parcel in order to create a site larger than one (1) Lot or Commercial Unit nor shall the prohibition against the subdivision of Lots and Commercial Units and relocation of boundaries between Lots and Commercial Units apply to the Declarant. In the event of such combination, any Assessment obligation shall be imposed on the original pre-combined Lots and Commercial Units.

3.02 Owner's Easement of Enjoyment.

Subject to the provisions of this Declaration and the rules, regulations, fees, and charges from time to time established by the Board in accordance with the Bylaws and the terms hereof, every Owner, his or her family, tenants, and guests shall have a non-exclusive right, privilege, and easement of use and enjoyment in and to the Common Area (excluding the Limited Common Area), such easement to be appurtenant to and to pass and run with title to each Lot, Commercial Unit and Dwelling. Subject to the provisions of this Declaration and the rules, regulations, fees, and charges from time to time established by the Board and in accordance with the Bylaws and the terms hereof, a designated Owner, his or her family, tenants, and guests shall have a non-exclusive right, privilege, an easement of use and enjoyment in and to the Limited Common Area assigned to such Lot, Commercial Unit or Dwelling. Such rights, privileges and easements are subject to the following provisions:

- (a) The right of the Association to borrow money (i) for the purpose of improving the Common Area, or any portion thereof, (ii) for acquiring additional Common Area, (iii) for constructing, repairing, maintaining or improving any facilities located or to be located within the Common Area, or (iv) for providing the services authorized herein, and, subject to the provisions of Section 8.02 hereof, to give as security for the payment of any such loan a mortgage deed or other security instrument conveying all or any portion of the Common Area; provided, however, that the lien and encumbrance of any such security instrument given by the Association shall be subject and subordinate to any and all rights, interest, options, licenses, easements, and privileges herein reserved or established for the benefit of Declarant, any Owner, or the holder of any Mortgage, irrespective of when such Mortgage is executed or given.
- (b) The rights and easements reserved to Declarant in Sections 3.04, 3.05, 3.06, 3.07, 3.09, 3.10, 3.11, and 3.12. or as otherwise provided for in this Declaration.
- (c) The right of the Association to grant and accept easements as provided in Section 3.06 hereof and to dedicate or transfer fee simple title to all or any portion of the Common Area to Kendall County, Illinois, Yorkville Parks and Recreation Department, the City or to any other public agency or authority, public service district, public or private

utility, or other person, provided that any such transfer of the fee simple title must be approved by a majority of those present in person or by proxy at a duly held meeting of the Association and by Declarant, for so long as Declarant owns any Lot, Commercial Unit or Dwelling primarily for the purpose of sale or has the unexpired option to add the Additional Property or any portion thereof to the Development.

(d) The rights and easements reserved in Section 3.08 hereof for the benefit of the Association, its directors, officers, agents, and employees.

(e) The rights and easements reserved in Section 3.10 hereof for the benefit of the Additional Property.

(f) The rights of the holder (and its successors and assigns) of any Mortgage which is prior in right or superior to the rights, interests, options, licenses, easements, and privileges herein reserved or established.

(g) The right of the Association to have reasonable rules and regulations, and amend and supplement from time to time.

(h) The right of the Association to suspend the use of any facilities located upon the Common Area or Limited Common Area by a Member for the period of time during which any Assessment against his or her Lot or Commercial Unit remains unpaid and for an additional reasonable period for any infraction of its rules and regulations.

(i) The right of the Association to designate a portion of the Common Areas as Limited Common Areas which shall only be available for use by designated Owners of certain Lots and/or Dwellings within the Property, provided the Association only includes the costs, expenses and charges related to such Limited Common Areas within the Assessments of the Owners who have the right to use and enjoy such Limited Common Areas as Limited Common Area Assessments.

3.03 Access.

All Owners, by accepting title to Lots, Commercial Units or Dwellings conveyed subject to this Declaration, waive all rights of uncontrolled and unlimited access, ingress, and egress to and from such Lot, Commercial Unit or Dwelling and acknowledge and agree that such access, ingress, and egress shall be limited to roads, sidewalks, walkways, and trails located within the Development from time to time, provided that pedestrian and vehicular access to and from all Lots, Commercial Units and Dwellings shall be provided at all times.

3.04 Easements for Declarant.

During the period that Declarant owns any Lot, Commercial Unit or Dwelling primarily for the purpose of sale or has the unexpired option to add the Additional Property or any portion thereof to the Development, Declarant shall have an alienable and transferable right and easement on, over, through, under, and across the Common Area for the purpose of constructing Commercial Units and

Dwellings and other improvements in and to the Lots and Commercial Units and within Neighborhoods and the Additional Property and for installing, maintaining, repairing, and replacing such other improvements to the Property (including any portions of the Common Area) as are contemplated by this Declaration or as Declarant desires, in its sole discretion, including, without limitation, any improvements or changes permitted and described by Article II hereof, and for the purpose of doing all things reasonably necessary and proper in connection therewith, provided in no event shall Declarant have the obligation to do any of the foregoing. In addition to the other rights and easements set forth herein and regardless of whether Declarant at that time retains ownership of a Commercial Unit, Dwelling or Lot or has the right to submit the Additional Property or any portion thereof to the Development, Declarant shall have an alienable, transferable, and perpetual right and easement to have access, ingress, and egress to the Common Area and improvements thereon for such purposes as Declarant deems appropriate, provided that Declarant shall not exercise such right so as to unreasonably interfere with the rights of Owners in the Development to the use of the Common Area.

3.05 Changes in Boundaries; Additions to Common Area.

Declarant expressly reserves for itself and its successors and assigns, the right to change and realign the boundaries of the Common Area, any Lots, Commercial Units, Dwellings, or Neighborhoods owned by Declarant and the realignment of boundaries between adjacent Lots, Commercial Units, Dwellings, and/or Neighborhoods owned by Declarant. In addition, Declarant reserves the right, but shall not have the obligation, to convey to the Association at any time and from time to time any portion of the Additional Property, such real property to be conveyed to the Association as an addition to the Common Area and subject to the title exceptions set forth in Section 2.02 hereof. Furthermore, Declarant reserves for itself, its affiliates, successors, and assigns the right, but shall not have the obligation, to convey by quit-claim deed to the Association at any time and from time to time, as an addition to the Common Area, such other portion of the Development owned by Declarant as it, in its discretion, shall choose.

3.06 Easements for Utilities and Public Services.

(a) There is hereby reserved for the benefit of Declarant, the Association, and their respective successors and assigns, the alienable, transferable, and perpetual right and easement, as well as the power and obligation to grant and accept easements to and from Kendall County, United City of Yorkville Parks and Recreation, or any other public authority or agency, public service district, public or private utility, or other person, upon, over, under, and across (i) all or any portion of the Common Area, and (ii) all portions of all Commercial Units and Lots owned by Declarant, as are reasonably necessary, for the purpose of installing, replacing, repairing, maintaining, and using master television antenna and/or cable systems, security and similar systems, and all utilities, including, but not limited to, storm sewers, drainage systems, and retention ponds and facilities for the Development or any portion thereof, and electrical, gas, telephone, water, and sewer lines, provided that such easements shall not unreasonably affect the development of any such Lot, Commercial Unit or Dwelling. Such easements may be granted or accepted by Declarant, its successors or assigns, or by the Board, provided, however, that notwithstanding anything contained herein to the contrary, the Board shall not have any rights to grant any easements over any portion

of any Lots or Commercial Units. To the extent possible, all utility lines and facilities serving the Development and located therein shall be located underground. By virtue of any such easement and facilities, it shall be expressly permissible for the providing utility company or other supplier or servicer, with respect to the portions of the Development so encumbered, (i) to erect and maintain pipes, lines, manholes, pumps, and other necessary equipment and facilities, (ii) to cut and remove any trees, bushes, or shrubbery, (iii) to grade, excavate, or fill, or (iv) to take any other similar action reasonably necessary to provide economical and safe installation, maintenance, repair, replacements, and use of such utilities and systems; provided, however, that such utility company or other supplier or servicer shall take reasonable actions to repair any damage caused by such utility company or other supplier or servicer during the exercise of any rights conveyed under any easement granted hereunder.

(b) Declarant hereby grants to the relevant governmental authority or agency, as shall from time to time have jurisdiction over the Development with respect to law enforcement and fire protection, the perpetual, non-exclusive right and easement upon, over and across all of the Common Area for purposes of performing such duties and activities related to law enforcement and fire protection in the Development as shall be required or appropriate from time to time by such governmental authorities under applicable law.

3.07 Blanket Easements.

So long as Declarant owns any property described on Exhibit A or Exhibit B, Declarant reserves blanket easements and the right to grant specific easements over all the Property, including Lots, Commercial Units, and Common Area, as may be necessary in conjunction with the orderly development of the Property or the Additional Property, including easements for driveways, walkways, parking areas, water lines, sanitary sewers, storm drainage facilities, gas lines, telephone lines, electrical power lines and other utilities. No such easements may be located within the area beneath any Dwelling or building located on a Lot or Commercial Unit. No such easement shall materially interfere with the use and enjoyment of the Lots, Commercial Units, and Common Areas.

3.08 Easements for Association.

There is hereby reserved a general right and easement for the benefit of the Association, its directors, officers, agents, and employees, including, but not limited to, any manager employed by the Association and any employees of such manager, to enter upon any Common Area, Lot, Commercial Unit, Dwelling, or Neighborhood or any portion thereof in the performance of their respective duties. Except in the event of emergencies, this easement is to be exercised only during normal business hours and then, whenever practicable, only upon advance notice to and with permission of the Owner, Occupant, or Neighborhood Association of the Lot, Commercial Unit, Dwelling, or Neighborhood directly affected thereby.

3.09 Sales and Construction Offices.

Notwithstanding any provisions or restrictions herein to the contrary, there is hereby reserved

for the benefit of Declarant, Developer, and their successors and assigns the alienable and transferable right and easement in and to the Property for the maintenance of signs, sales offices, construction offices, business offices, and model Dwellings or Commercial Units, together with such other facilities as in the sole opinion of Declarant or Developer may be reasonably required, convenient, or incidental to the completion, improvement, and/or sale of Lots, Commercial Units, Dwellings, Neighborhoods, Common Area, or the Additional Property, for so long as Declarant owns any Lot or Dwelling primarily for the purpose of sale or has the unexpired option to add the Additional Property or any portion thereof to the Development. Further, Declarant has the right to grant the above rights to any builder who owns Lots within the Property.

3.10 Easements for Additional Property.

There is hereby reserved in Declarant, and its successors, assigns, and successors-in-title to the Additional Property (if said rights are granted by Declarant to such successors, assigns, and successors-in-title), for the benefit of and as an appurtenance to the Additional Property and as a burden upon the Property, perpetual, non-exclusive rights and easements for (i) pedestrian and vehicular ingress, egress, and parking, across, within, and on all roads, sidewalks, trails and parking facilities, from time to time located within the Common Area, or within easements serving the Common Area, (ii) the installation, maintenance, repair, replacement, and use within the Common Area and those portions of Lots, Commercial Units, Dwellings, and Neighborhoods encumbered pursuant to Section 3.06 hereof of security systems and utility facilities and distribution lines, including, without limitation, drainage systems, storm sewers, and electrical, gas, telephone, water, sewer, and master television antenna and/or cable system lines, and (iii) drainage and discharge of surface water onto and across the Property, provided that such drainage and discharge shall not materially damage or affect the Property or any improvements from time to time located thereon.

3.11 Maintenance Easement.

Subject to the terms of Section 5.01(b) hereof, there is hereby reserved for the benefit of Declarant, the Association, and their respective agents, employees, successors, and assigns, an alienable, transferable, and perpetual right and easement to enter upon any Lot, Commercial Unit and upon unimproved portions of any Dwelling or Neighborhood for the purpose of mowing, removing, clearing, cutting, or pruning underbrush, weeds, stumps, or other unsightly growth and removing trash, so as to maintain reasonable standards of health, fire safety, and appearance within the Development, provided that such easements shall not impose any duty or obligation upon Declarant or the Association to perform any such actions.

3.12 Environmental Easement.

There is hereby reserved for the benefit of Declarant, and their respective agents, employees, successors, and assigns, an alienable, transferable, and perpetual right and easement on, over, and across all portions of the Common Area for the purpose of taking any action necessary to effect compliance with environmental rules, regulations, and procedures from time to time promulgated or instituted by the Board or by any governmental entity, such easement to include, without limitation, the right to implement erosion control procedures and practices, the right to maintain any and all wetland areas on the Property, the right to drain standing water, and the right to dispense pesticides.

3.13 No Partition.

There shall be no judicial partition of the Development or any part thereof, nor shall any person acquiring any interest in the Development or any part thereof seek any such judicial partition unless the Development has been removed from the provisions of this Declaration.

3.14 Burden upon the Property.

Declarant hereby declares that this Declaration and the covenants, restrictions and easements established herein shall be covenants to run with the land. Said covenants and restrictions shall inure to the benefit of and be binding upon each and every Owner, and his or her respective heirs, representatives, successors, purchaser, lessees, grantees and mortgagees. By the recording or acceptance of the conveyance of a Lot, Commercial Unit or Dwelling or any interest therein, the person or entity to whom such interest is conveyed shall be deemed to accept and agree to be bound by the provisions of this Declaration and the Bylaws of Grande Reserve Community Association.

3.15 Nonseverability of Rights.

The rights, liabilities and obligations set forth herein shall attach to and run with the ownership of any portion of the Property as more specifically set forth herein and may not be severed or alienated from such ownership.

**ARTICLE IV
MEMBERSHIP AND VOTING
RIGHTS IN THE ASSOCIATION:
BOARD OF DIRECTORS OF THE ASSOCIATION**

4.01 Membership.

Every Owner of a Dwelling, Commercial Unit or Lot (including the Declarant and the Developer) is hereby declared to be a Member of the Association. Membership is appurtenant to and shall not be separated from ownership of such Owner's Dwelling, Commercial Unit or Lot. Each such Owner, by acceptance of a deed or other conveyance of a Dwelling, Commercial Unit or Lot, thereby becomes a Member, whether or not this Declaration or such membership is made a part of, incorporated by reference in, or expressed in said deed or conveyance. There shall be one (1) membership allocable to each Dwelling, Commercial Unit or Lot (herein called a "Unit Membership") and any Member who is the Owner of more than one (1) such Dwelling, Commercial Unit or Lot shall have the number of Unit Memberships equal to the number of such Dwellings, Commercial Units or Lots. In the event any Lot may be zoned for a multi-family structure, then the Owner of any such Lot shall have the number of Unit Memberships equal to the number of Dwellings, which may be legally constructed upon such Lot. In the event any Commercial Unit may contain separate commercial spaces, the Owner of any Commercial Units shall have the number of unit memberships equal to the number of commercial spaces, which have a separate certificate of occupancy. If the record ownership of a Dwelling, Commercial Unit or Lot shall be in more than one (1) person, or if an Owner of a Dwelling, Commercial Unit or Lot is a trustee, corporation,

partnership or other legal entity, then the individual who shall enjoy the Unit Membership and be responsible for the obligations attributable thereto, shall be designated by such Owner or Owners in writing.

4.02 Voting Rights.

If the Property has Neighborhood Associations established by a Neighborhood Declaration, Members shall be represented at Association meetings exclusively through delegates selected in accordance with the provisions of Paragraph 4.03 hereof (herein called "Association Delegates"). Except for Association Delegates appointed by Declarant, each such Association Delegate must be a Member of the Association or a spouse of a Member.

4.03 Selection of Association Delegates.

If Neighborhood Associations have been created, each Neighborhood and Neighborhood Association shall be represented at Association meetings by a delegation composed of Three (3) Association Delegates, which delegation shall be composed of the President of the respective Neighborhood Association and two (2) other Owners or three (3) Owners if the Neighborhood does not have a Neighborhood Association. The board of directors of each Neighborhood Association shall designate the Association Delegates for such Association and fix the rules of administration of that Neighborhood Association's delegation. Each Association Delegate appointed by a Neighborhood Association or Neighborhood must be a member of such Neighborhood Association or Neighborhood. If any Lots or Dwellings are located outside of a Neighborhood Association, all such Lots and Dwellings within a Neighborhood shall be represented in Association meetings by a delegation composed of three (3) Association Delegates, which delegation shall be elected from the Owners of the Lots and Dwellings located within a Neighborhood. If Neighborhood Associations do not exist whatsoever, the Owners shall elect all directors, and Association Delegates shall not be used.

4.04 Method of Voting.

The total number of votes which may be cast on any matter requiring assent of Members of the Association shall be equal to the total number of Unit Memberships at the time of any such vote. Whenever a vote of the Members of the Association is required pursuant to this Declaration, or pursuant to the Articles of Incorporation or Bylaws of the Association, or is otherwise required by law, such votes shall be cast only by the Members or Association Delegates representing the respective Members, in the same manner and with the same force and effect as though each Member had given the delegation of Association Delegates which represents such Member's Neighborhood an irrevocable proxy coupled with an interest. The Association Delegates for each such Neighborhood shall collectively cast a total number of votes equal to the number of Unit Memberships which it represents. Such total number of votes may be cast in such manner as the Association Delegates, acting in accordance with its rules of administration, deem advisable, and the delegation shall not be required to cast all such votes as a unit. Each Association Delegate shall be entitled to cast one-third (1/3) of the total vote of the Unit Memberships it represents. Unless this Declaration or the Articles of Incorporation or Bylaws of the Association, or any law, shall specify a greater vote, all Association matters requiring action by Members or by the Association Delegates

shall be decided by a majority of the votes cast by Members or Association Delegates voting at a meeting at which a quorum (as defined in the Bylaws) is present. In the event of a tie, the tie shall be broken by a mediator chosen by the Members or Association Delegates. Should the Members or Association Delegates be unable to reach an agreement on the selection of a mediator, the current Administrator (Manager) of the City shall choose the mediator.

4.05 Board of Directors.

(a) The Association shall be governed by its Board of Directors ("Board") comprised of seven (7) persons duly appointed or elected as provided herein and in the Articles of Incorporation and Bylaws of the Association. The initial Board shall be comprised of five (5) persons duly appointed by the Declarant pursuant to its rights under Section 4.06 hereof, until such time as the initial meeting to elect the First Board occurs.

(b) The Board shall administer the Common Area in accordance with the terms and provisions of this Declaration, and in accordance with the Articles of Incorporation and Bylaws of the Association. All matters requiring action by the Board shall be decided by the majority vote of the Board, except as otherwise provided herein or in the Bylaws.

(c) Prior to the appointment of the First Board of the Association pursuant to Paragraph 4.06 and 4.07 hereof, Declarant (or its beneficiary or designees) may exercise all rights, powers and privileges of the Board and may perform all of its functions, including its functions under Article IV of this Declaration.

4.06 Appointment of Directors by Declarant.

Notwithstanding any other provisions of this Declaration or the Articles of Incorporation or Bylaws of the Association, the initial Board shall consist of, and vacancies on the Board shall be filled by, such persons as Declarant shall from time to time appoint, until the first to occur of any one of the following events: (i) seven (7) years after the recording of this Declaration; (ii) Declarant surrenders such authority by an express amendment to this Declaration executed and recorded by Declarant; or (iii) upon the sale and conveyance of seventy-five percent (75%) of the Lots, Commercial Units and Dwellings in the Development to persons other than the Declarant or a Developer or builders holding title for purposes of development and sale. For purposes of this Section 4.06, "Dwellings in the Development" shall refer to all Dwellings within or contemplated to be within the Property and Additional Property. Such right of Declarant to appoint directors to the Board shall be to the exclusion of the right of the Members or the Association Delegates so to do. The Owners, Members or Association Delegates shall not, without the prior written consent of Declarant, have the right to amend, modify or change the Articles of Incorporation or Bylaws of the Association to in any way diminish the authority of the Board during the period that Declarant has the right to appoint any members of the Board. Declarant may, from time to time, by written notice to the Association, voluntarily terminate its right to appoint one (1) or more Directors, and continue to exercise its right to appoint the remaining members of the Board for the period hereinabove specified. Declarant's election to terminate its right to appoint any number of members of the Board or to terminate its control of the Association, shall not affect the right of Declarant to participate in

the Association as a Member thereof and to appoint Association Delegates to cast the number of votes equal to the number of Dwellings, Commercial Units or Lots owned by Declarant. All directors who are not subject to appointment by Declarant shall be elected in accordance with the provisions of Paragraphs 4.07 and 4.08 hereof.

4.07 Initial Meeting of Association Delegates or Members to Elect Directors.

Upon receipt by the President of the Association of a copy of the written notice of Declarant to voluntarily terminate its control of the Association, described in Paragraph 4.06(ii), or of any other appropriate evidence of the termination of Declarant's right to appoint all the directors of the Board, he shall promptly convene a meeting of the Association Delegates or Members ("Initial Meeting") for the purpose of electing a new Board or to elect those directors who no longer are to be appointed by Declarant ("First Board").

4.08 Election of Directors.

Upon termination of Declarant's right to appoint any of or all the directors of the Board, pursuant to Paragraph 4.06 hereof, those directors not subject to appointment by Declarant shall be selected by vote of the Association Delegates or Members in accordance with the provisions of this Article. Notwithstanding such election, any director theretofore appointed by Declarant who does not elect to resign may stay in office for the balance of his unexpired term and until his successor is elected and qualified.

4.09 Transfer of Association Records.

Within sixty (60) days following the Initial Meeting of the Association Delegates or Members, the Declarant shall deliver to the Board:

- (a) all original documents as recorded or filed pertaining to the Property, its administration, and the Association, such as the Declaration, Articles of Incorporation, Bylaws, other instruments, annual reports, minutes and rules and regulations, contracts, leases or other agreements entered into by the Association. If any original documents are unavailable, a copy may be provided if certified by affidavit of the Declarant, or an officer or agent of the Declarant, as being a complete copy of the actual document recorded as filed;
- (b) a detailed accounting by the Declarant, setting forth the source and nature of receipts and expenditures in connection with the management, maintenance and operation of the Property and copies of all insurance policies and a list of any loans or advances to the Association which are outstanding;
- (c) Association funds, which shall have been at all times segregated from any other monies of the Declarant;
- (d) a schedule of all real or personal property, equipment and fixtures belonging to the Association, including documents transferring the Common Area or any

part thereof, warranties, if any, for all real and personal property and equipment, deeds, title insurance policies and all tax bills; and

(e) a list of all litigation, administrative action and arbitrations involving the Association, any notices of governmental bodies involving actions taken or which may be taken concerning the Association, engineering drawings and specifications as approved by any governmental authority, all governmental certificates, correspondence involving enforcement of any Association requirements, copies of any documents relating to disputes involving Owners and originals of all documents relating to everything listed in this Section 4.09.

4.10 Informal Action by Directors.

Unless specifically prohibited by the Articles of Incorporation or Bylaws of the Association, any action required by this Declaration to be taken by the Board may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all the directors of the Board entitled to vote with respect to the subject matter thereof. Any such consent signed by all the directors of the Board shall have the same effect as a unanimous vote.

4.11 Informal Action by Association Delegates.

Any action required by this Declaration to be taken at a meeting of the Association Delegates, or any other action which may be taken at a meeting of the Association Delegates may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all the Association Delegates entitled to vote with respect to the subject matter thereof. Such consent shall have the same effect as a unanimous vote of the Association Delegates.

4.12 Board Liability.

The Declarant (and its beneficiary), Developer, its directors, officers, shareholders, partners, employees or agents, the Board, members of the Board, officers of the Association, and the agents and employees of any of them (all of the above hereinafter referred to as the "Protected Parties"), shall not be liable to the Owners or any other person for any mistake of judgment or for any acts or omissions of any nature whatsoever in their respective positions which shall occur subsequent to the date of the recording of this Declaration, except for such acts or omissions found by a court of competent jurisdiction to constitute willful misfeasance, gross negligence or fraud. The Owners shall indemnify, hold harmless, protect and defend any and all of the Protected Parties against all claims, suits, losses, damages, costs and expenses, including, without limitation, attorneys' fees and amounts paid in reasonable settlement or compromise incurred in connection therewith. Each Owner shall be entitled to a right of contribution from every other Owner in respect of said indemnity to the end that, to the extent possible, the burden of any such indemnity shall be borne by the Owners at the time the loss, cost, damage or expense is incurred in the proportion that the number of Dwellings, Commercial Units or Lots in the Property owned by each respective Owner bears to the total number of Dwellings, Commercial Units or Lots in the Property at the time the loss, cost, damage or expense is incurred. The Board shall assess each Owner for his share of the cost of such indemnification, and such Assessment shall be collectible and enforceable in mode and

manner as set forth in Article IX hereof. To the extent possible the obligation of the Owners for indemnification and the Board's liability hereunder shall be insured by means of appropriate contractual endorsements to the comprehensive general liability insurance policies held from time to time by the Association.

4.13 Not-for-profit Purposes of Association.

Nothing herein shall be construed to give the Association authority to conduct an active business for profit on its own behalf or on behalf of the Members, or on behalf of the Declarant.

4.14 Governing Law.

Except as otherwise provided in this Declaration, the Association, the Board, officers and members shall be governed by the Illinois General Not For Profit Corporation Act.

4.15 Board as Representative of Owners.

The Board shall have standing and capacity to act in a representative capacity in relation to matters involving the Common Area, Limited Common Area, or more than one (1) Dwelling, Commercial Unit or Lot, on behalf of the Owners as their interest may appear.

**ARTICLE V
MAINTENANCE**

5.01 Association's Responsibility.

(a) Except as may be herein otherwise specifically provided, the Association shall maintain and keep in good repair all portions of the Area of Common Responsibility and Common Area which responsibility shall include the maintenance, repair, and replacement of (i) all walks and trails (if any), outlots, landscaped area, facilities, and other improvements made by Declarant or the Association situated within the Common Area or within easements encumbering Lots, Commercial Units, Dwellings, or Neighborhoods pursuant to Section 3.03 hereof, (ii) such security systems and utility lines, pipes, plumbing, wires, conduits, and related systems which are a part of the Common Area and which are not maintained by a public authority, public service district, public or private utility, or other person, and (iii) all lawns, trees, shrubs, hedges, grass, and other landscaping and all lakes and ponds situated within or upon the Common Area, and (iv) all retention areas and facilities constructed by Declarant in the Common Area, and (v) any cul-de-sac islands within a dedicated right-of-way which have not been designated as an "Outlot" upon any applicable plat of subdivision. The Association shall not be liable for injury or damage to any person or property (A) caused by the elements or by any Owner or any other person, (B) resulting from any rain or other surface water which may leak or flow from any portion of the Common Area, or (C) caused by any pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, becoming out of repair. Nor shall the Association be liable to any Owner for loss or damage, by theft or otherwise, of any property of such Owner

which may be stored in or upon any portion of the Common Area or any other portion of the Property. No diminution or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or to perform some function required to be taken or performed by the Association under this Declaration, or for inconvenience or discomfort arising from the making of improvements or repairs which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay such Assessments being a separate and independent covenant on the part of the Owner.

(b) In the event that Declarant or the Board determines that: (i) any Owner or Neighborhood Association has failed or refused to discharge properly his or its obligations with regard to the maintenance, cleaning, repair, or replacement of items for which he or it is responsible hereunder, or (ii) that the need for maintenance, cleaning, repair, or replacement which is the responsibility of the Association hereunder is caused through the willful or negligent act of an Owner, his family, tenants, guests, or invitees, and is not covered or paid for by insurance in whole or in part, then, in either event, Declarant or the Association, except in the event of an emergency situation, shall give such Owner or Neighborhood Association written notice of Declarant's or the Association's intent to provide such necessary maintenance, cleaning, repair, or replacement, at the sole cost and expense of such Owner or Neighborhood Association, as the case may be, and setting forth with reasonable particularity the maintenance, cleaning, repairs, or replacement deemed necessary. Except in the event of emergency situations, such Owner or Neighborhood Association, as the case may be, shall have fifteen (15) days within which to complete the same in a good and workmanlike manner, or in the event that such maintenance, cleaning, repair, or replacement is not capable of completion within said fifteen (15) day period, to commence said maintenance, cleaning, repair, or replacement and diligently proceed to complete the same in a good and workmanlike manner. In the event of emergency situations or the failure of any Owner or Neighborhood Association to comply with the provisions hereof after such notice, Declarant or the Association may provide (but shall not have the obligation to so provide) any such maintenance, cleaning, repair, or replacement at the sole cost and expense of such Owner or Neighborhood Association, as the case may be, and said cost shall be added to and become a part of the Assessment to which such Owner and his Lot, Commercial Unit or Dwelling are subject and shall become a lien against such Lot, Commercial Unit or Dwelling, or, in the case of a Neighborhood Association, shall be added to and become a part of the assessments for all Owners within such Neighborhood Association and shall become a lien against such Owners' Lots, Commercial Units or Dwellings. In the event that Declarant undertakes such maintenance, cleaning, repair, or replacement, the Association shall promptly reimburse Declarant for Declarant's costs and expenses.

5.02 Responsibilities of Owners and Neighborhood Associations.

Unless specifically identified herein or in a Neighborhood Declaration as being the responsibility of the Association or a Neighborhood Association, all maintenance and repair of Lots, Commercial Units and Dwellings, together with all other improvements thereon or therein and all lawns (including parkways), landscaping, and grounds on and within a Lot, Commercial Unit or

Dwelling shall be the responsibility of the Owner of such Lot, Commercial Unit or Dwelling. Unless otherwise provided in the appropriate Neighborhood Declaration, the maintenance and repair of all common areas located within Neighborhood areas (including all landscaping and grounds and all recreational facilities and other improvements located within such Neighborhood Areas) shall be the responsibility of the Neighborhood Association for such Neighborhood. Each Owner or Neighborhood Association shall be responsible for maintaining his or its Lot, Commercial Unit Dwelling, Neighborhood common area or Neighborhood, as the case may be, in a neat, clean, and sanitary condition, and such responsibility shall include the maintenance and care of all exterior surfaces of all Dwellings, buildings, and other structures and all lawns, trees, shrubs, hedges, grass, and other landscaping. As provided in Section 5.01(b) hereof, each Owner or Neighborhood Association shall also be obligated to pay for the costs incurred by the Association for repairing, replacing, maintaining, or cleaning any item which is the responsibility of such Owner or Neighborhood Association, but which responsibility such Owner or Neighborhood Association fails or refuses to discharge.

5.03 Special Service Areas.

The City created the United City of Yorkville Special Service Area Number 2004-104 Central Grande Reserve (SSA No. 104) by adopting the Establishing Ordinance. The City created SSA No. 104 to finance the construction of certain public improvements that benefit the Property within SSA No. 104 (which includes, among other things, stormwater management facilities, storm sewers, sanitary sewers, erosion control measures, streets, curbs, gutters, street lighting and traffic signals, sidewalks, landscaping and tree installation). The City issued bonds to finance these improvements pursuant to a bond ordinance (Bond Ordinance). To repay the bonds, the Bond Ordinance authorized a levy, extension and collection of a special service area tax upon all property within SSA No. 104 subject to the special tax in accordance with a Special Tax Roll and Report approved by the City pursuant to the Establishing Ordinance ("Special Tax"). The Special Tax will be levied on the Lots and/or Dwellings for each calendar year from 2005 to 2032 and collected each calendar year from 2006 through 2033 unless prepaid. If the Special Tax is not paid on time, foreclosure of that lien can result. The Owners and Members acknowledge and waive any right to object to the validity of the Establishing Ordinance, the Bond Ordinance and the Special Tax in any manner. The Owners of Lots and/or Dwellings agree to be responsible for the Special Tax on the Lots and/or Dwellings.

5.04 United City of Yorkville Rights and Remedies.

The covenants and conditions set forth in this Article V, Section 5.04 are intended to, and shall inure to the benefit of the United City of Yorkville.

(a) In the event that the Association, fails to perform any of its obligations required to be performed by it pursuant to the provisions of this Declaration and such delinquency shall exist on the part of the Association for a period of fifteen (15) days after the date of delivery by the City to the Association or such Owner of written notice advising the Association of the existence and nature of such delinquency, the City shall have the right, but not the obligation, to either (i) perform the obligations required to be performed by the Association pursuant to this Declaration or (ii) establish a Special Service Area (herein

defined) to perform the obligations required to be performed by the Association pursuant to this Declaration. Notwithstanding the foregoing, in the case of an emergency involving an immediate threat to the health or safety of persons in, on or about the Property, the circumstances of which do not reasonably permit the use of the aforesaid process of notice and cure period, as determined in good faith by a City official, the City may undertake such remedial work as it is necessary to correct a condition involving a danger to the public health or safety upon such notice, in any, as is reasonable under the circumstances. In the event the City elects to do so, the Association shall pay promptly to the City the amount of the costs and expenses incurred by the City in the performance of such work, including compensation for staff time and the use of City equipment, as well as materials, outside services and attorney's fees. In the event the City performs any of the Association's obligations and the Association fails to pay the City any costs and expenses it incurred aforesaid, within thirty (30) days after the date of the City's demand for payment or date of any statement, the City shall have the right to levy an assessment on each Lot, Commercial Unit or Dwelling for the costs and expenses incurred by it in the performance of such work to the same extent and as fully as the Association might do pursuant to the provisions contained herein. Should any Owner fail to pay to the City such Owner's portion of any assessment levied pursuant to this paragraph upon the due date thereof, then the City shall have the right to exercise all rights, powers, privileges and remedies granted to the Association by this Declaration, and any other remedies provided by law. This paragraph is not a limitation on other remedies that may be pursued by the City.

(b) Each Owner, by acceptance of a deed to a Lot, Commercial Unit or Dwelling within the Property, consents to the creation of any Special Service Area by the City to perform any of the maintenance or obligations of the Association or Owners as set forth in this Declaration. Special Service Area in this Section shall have the same meaning as set forth in 35 ILCS 200/27-5, as amended, revised and replaced. Each Owner, by acceptance of a deed to a Lot, Commercial Unit or Dwelling within the Property, waives and relinquishes the following rights pertaining to a Special Service Area to address any of the obligations set forth in this Declaration: (i) the right to a public hearing pursuant to 35 ILCS 200/27; (ii) the right to file written objections to any Special Service Area proposed; (iii) the right to make oral objections to a Special Service Area; (iv) the right to receive notice pursuant to 35 ILCS 200/27; and (v) the right to join in any objection petition pursuant to 35 ILCS 200/27. If a Special Service Area is created, the Association shall modify its budget to reflect the elimination or adjustment of the responsibilities.

ARTICLE VI

INSURANCE AND CASUALTY LOSSES

6.01 Insurance.

(a) The Board or its duly authorized agents shall have the authority to and shall obtain and continue in effect adequate property insurance, in such form as the Board deems appropriate, for the benefit of the Association and insuring all insurable improvements in and to the Common Area against loss or damage by fire or other hazards, including, without limitation, extended coverage, flood, vandalism, and malicious mischief,

such coverage to be in an amount sufficient to cover the full replacement cost (without depreciation but subject to such deductible levels as are deemed reasonable by the Board) of any repair or reconstruction in the event of damage or destruction from any such hazard.

(b) The Board or its duly authorized agents shall have the authority to and shall obtain and continue in effect a public liability policy covering all the Common Area and all damage or injury caused by the negligence of the Association, its Members, its directors and officers, or any of its agents. Such public liability policy shall provide such coverages as are determined to be necessary by the Board.

(c) The Board or its duly authorized agents shall have the authority and may obtain (i) worker's compensation insurance to the extent necessary to comply with any applicable laws and (ii) such other types and amounts of insurance as may be determined by the Board to be necessary or desirable.

(d) All such insurance coverage obtained by the Board shall be written in the name of the Association as trustee for each of the Owners and costs of all such coverage shall be a Common Expense. Exclusive authority to adjust losses under policies obtained by the Association and hereafter in force with respect to the Development shall be vested in the Board; provided, however, that no mortgagee or other security holder of the Common Area having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto. Insofar as permitted by law, the Association shall be required to make every effort to secure insurance policies with the provisions hereinafter set forth:

(i) All policies shall be written with a company licensed to do business in the State of Illinois and holding a rating of A or better in such financial categories as established by Best's Insurance Reports, if such a company is available or, if not available, its equivalent rating or the best rating possible.

(ii) All property insurance policies (naming the Association as insured) shall be for the benefit of the Owners and their Mortgagees as their interests may appear.

(iii) All policies shall contain a waiver of the insurer's right to cancel without first giving thirty (30) days' prior written notice of such cancellation to the Association and to any Mortgage to which a mortgagee endorsement has been issued.

(iv) In no event shall the insurance coverage obtained and maintained by the Board be brought into contribution with insurance purchased by individual Owners or their Mortgagees, and all policies shall contain a provision that the "other insurance" clauses in such policies exclude from consideration policies obtained by individual Owners or their Mortgagees.

(v) All policies shall contain a waiver of subrogation by the insurer as to any claims against the Association, the Association's directors and officers, the Owners, and their respective families, servants, agents, tenants, guests, and invitees, including, without limitation, the Association's manager.

(vi) All policies shall contain a provision that no policy may be canceled, invalidated, or suspended on account of the conduct of one (1) or more of the individual Owners, or their respective families, servants, agents, employees, tenants, guests, and invites, or on account of the acts of any director, officer, employee, or agent of the Association or of its manager, without prior demand in writing delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured.

(vii) All liability insurance shall contain cross-liability endorsements to cover liability of the Association to an individual Owner and shall also name the Declarant as an additional insured.

(e) It shall be the individual responsibility of each Owner at his own expense to provide public liability, property damage, title, and other insurance with respect to his own Lot, Commercial Unit and Dwelling. All Neighborhood Associations shall carry public liability and property damage insurance with respect to its respective common areas, Lots, Commercial Units and Dwellings within a Neighborhood to the extent required in a Neighborhood Declaration and to furnish copies or certificates thereof to the Association as requested, but the Association shall have no responsibility therefore.

6.02 Damage or Destruction to Common Area.

Immediately after the damage or destruction by fire or other casualty to all or any part of the Common Area covered by insurance written in the name of the Association, the Board or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance, and, in any such event, the Board shall obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Article VI, means repairing or restoring the damaged property to substantially the same condition in which it existed prior to the fire or other casualty. Unless within sixty (60) days following any damage or destruction to all or a part of the Common Area, Declarant, for so long as Declarant owns a Lot, Commercial Unit or Dwelling primarily for the purpose of sale or has the unexpired option to add the Additional Property or any portion thereof to the Development, together with at least seventy-five percent (75%) of the total vote of the Association, shall otherwise agree, the Association shall restore or replace such damaged improvements. If the insurance proceeds, if any, for such damage or destruction are not sufficient to defray the cost thereof, and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, the Board may levy a special assessment against all Owners (or those entitled to use and enjoy a Limited Common Area), such special assessment to be in an amount sufficient to provide funds to pay such excess costs of repair or reconstruction. Such a special assessment shall be levied against the Owners equally in the same manner as Assessments or Limited Common Area Assessments are levied or as one lump sum payment, and additional Assessments may be made at any time during or

following the completion of any repair or reconstruction. Any and all funds paid to the Association under and by virtue of such Assessments shall be held by and for the benefit of the Association together with the insurance proceeds, if any, for such damage or destruction. Such insurance proceeds and Assessments shall be disbursed by the Association in payment for such repair or reconstruction pursuant to and in accordance with such method of distribution as is established by the Board. Any proceeds remaining after defraying such costs shall be retained by and for the benefit of the Association. If it is determined that the damage or destruction for which the insurance proceeds are paid shall not be repaired or reconstructed, such proceeds shall be retained by and for the benefit of the Association, and the ruins of the Common Area damaged or destroyed by fire or other casualty shall be cleared and the Common Area left in a clean, orderly, safe, and sightly condition.

6.03 Damage or Destruction to Lots, Commercial Units, Dwellings, or Neighborhoods.

In the event of damage or destruction by fire or other casualty to any Lots, Commercial Units, Dwellings, or Neighborhoods, and in the further event that either the Owner of such Lot, Commercial Unit or Dwelling or the Neighborhood Association responsible for the repair and replacement of such Neighborhood, as the case may be, elects not to repair or rebuild the damaged or destroyed Lot, Commercial Unit, Dwelling, or Neighborhood, such Owner or Neighborhood Association making such election shall promptly clear away the ruins and debris of any damaged improvements or vegetation and leave such Lot, Commercial Unit, Dwelling or Neighborhood in a clean, orderly, safe, and sightly condition. Should such Owner or Neighborhood Association elect to repair or rebuild such Lot, Commercial Unit, Dwelling, or other improvements, such Owner or Neighborhood Association shall repair or rebuild such Lot, Dwelling, Commercial Unit or other improvements to substantially the same condition as existed prior to such fire or other casualty and in accordance with all applicable standards, restrictions, and provisions of this Declaration (including, without limitation, Article X hereof) and all applicable zoning, subdivision, building, and other governmental regulations. All such work of repair or construction shall be commenced promptly following such damage or destruction and shall be carried through diligently to conclusion.

**ARTICLE VII
CONDEMNATION**

7.01 Condemnation of Common Area.

Whenever all or any part of the Common Area shall be taken by any authority having the power of condemnation or eminent domain, or is conveyed in lieu thereof by the Board acting on the agreement of at least seventy-five percent (75%) of the total vote of the Association (which conveyance may only occur with the approval of Declarant, for so long as Declarant owns a Lot, Commercial Unit or Dwelling primarily for the purpose of sale or has the unexpired option to add the Additional Property or any portion thereof to the Development), the award or proceeds made or collected for such taking or sale in lieu thereof shall be payable to the Association and shall be disbursed or held as follows:

(a) If the taking or sale in lieu thereof involves a portion of the Common Area on which improvements have been constructed, then, unless within sixty (60) days after such taking Declarant, for so long as Declarant owns a Lot, Commercial Unit or Dwelling primarily for the purpose of sale or has the unexpired option to add the Additional Property or any portion thereof to the Development, together with at least seventy-five percent (75%) of the total vote of the Association, shall otherwise agree, the Association shall restore or replace such improvements so taken, to the extent practicable, on the remaining lands included in the Common Area which are available therefore, in accordance with the plans approved by the Board, the Architectural Review Committee, and by Declarant, for so long as Declarant owns a Lot, Commercial Unit or Dwelling primarily for the purpose of sale or has the unexpired option to add the Additional Property or any portion thereof to the Development. If the awards or proceeds are not sufficient to defray the cost of such repair and replacement and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, the Board may levy a special assessment against all Owners, without the necessity of a vote pursuant to Section 9.04 hereof, such special assessment to be in an amount sufficient to provide funds to pay such excess cost of repair or reconstruction. Such a special assessment shall be levied against the Owners equally in the same manner as Assessments or Limited Common Area Assessments are levied, or as a lump sum payment, and additional special assessments may be made at any time during or following the completion of any repair or reconstruction. If such improvements are not to be repaired or restored, the award or proceeds shall be retained by and for the benefit of the Association.

(b) If the taking or sale in lieu thereof does not involve any improvements to the Common Area, or if there are net funds remaining after any such restoration or replacement of such improvements is completed, then such award, proceeds, or net funds shall be retained by and for the benefit of the Association.

(c) If the taking or sale in lieu thereof includes all or any part of a Lot, Commercial Unit, Dwelling, or Neighborhood and also includes any part of the Common Area, then a court of competent jurisdiction shall apportion such award or proceeds and such award or proceeds shall be disbursed to the Association and the Owners of any Lot, Commercial Unit, Dwelling, or Neighborhood taken for their interest in such Lot, Commercial Unit, Dwelling, or Neighborhood; provided, however, such apportionment may instead be resolved by the agreement of (i) the Board, (ii) the Owners of all Lots, Commercial Units, Dwellings, or Neighborhoods wholly or partially taken or sold, together with the Mortgagees for each such Lot, Commercial Unit, Dwelling, or Neighborhood, and (iii) Declarant, for so long as Declarant owns a Lot, Commercial Unit or Dwelling primarily for the purpose of sale or has the unexpired option to add the Additional Property or any portion thereof to the Development.

7.02 Condemnation of Lots, Commercial Units, Dwellings, or Neighborhoods.

(a) In the event that all or any part of a Lot, Commercial Unit, Dwelling, or Neighborhood is taken by any authority having the power of condemnation or eminent domain, or is conveyed in lieu thereof, and in the further event that the Owner of such Lot,

Commercial Unit or Dwelling or the Neighborhood Association responsible for the maintenance and repair of such Lot, Commercial Unit, Dwelling, or Neighborhood, then such Owner or Neighborhood Association making such election shall promptly clear away any remaining improvements damaged or destroyed by such taking or conveyance and shall leave such Lot, Commercial Unit, Dwelling, or Neighborhood and any remaining undamaged improvements thereon in a clean, orderly, safe, and sightly condition. In addition, if the size or configuration of such Lot, Commercial Unit, Dwelling, or Neighborhood remaining after such taking or conveyance is insufficient to permit the restoration of the remaining improvements thereon or therein to their condition prior to such taking or conveyance in compliance with all applicable standards, restrictions, and provisions of this Declaration and all applicable zoning, subdivision, building, and other governmental regulations, then such Owner or Neighborhood Association shall have the option, after clearing away all remaining improvements or portions thereof and placing the remainder in a clean, orderly, safe, and sightly condition referred to above, of deeding the remaining portion of the Lot, Commercial Unit, Dwelling, or Neighborhood to the Association (at no cost to the Association) as a part of the Common Areas, and thereafter any such Owner shall not have any further voting rights or membership rights or privileges in the Association or with respect to the Development and shall not be subject to any further Assessments imposed by the Association and payable after the date of such deeding.

(b) In the event that any part of a Lot, Commercial Unit, Dwelling, or Neighborhood is taken by any authority having the power of condemnation or eminent domain, or is conveyed in lieu thereof, and if the Owner of such Lot, Commercial Unit or Dwelling or the Neighborhood Association responsible for the maintenance and repair of such Lot, Commercial Unit, Dwelling, or Neighborhood, as the case may be, elects to restore the remainder of the Lot, Commercial Unit, Dwelling, or Neighborhood, such Owner or Neighborhood Association making such election shall restore such remainder of such Lot, Dwelling, or Neighborhood as nearly as practicable to the same condition it was in prior to such taking or conveyance and in accordance with all applicable standards, restrictions, and provisions of this Declaration and all applicable zoning, subdivision, building, and other governmental regulations. All such work of restoration shall be commenced promptly following such taking or conveyance and shall be carried through diligently to conclusion.

ARTICLE VIII
ADMINISTRATION

8.01 Common Area and Limited Common Area.

The Association, subject to the rights of Declarant and the rights and duties of the Owners set forth in this Declaration, shall be responsible for the exclusive management and control of the Common Area and Limited Common Area and all improvements thereon (including furnishings and equipment related thereto) and shall keep the same in a good, clean, attractive, and sanitary condition, order, and repair, pursuant to the terms and conditions thereof. Furthermore, the Association may be responsible to maintain dedicated areas and landscape buffers/easements if such maintenance is required by the applicable governmental authority. Except to the extent otherwise required by the provisions of the laws of Illinois relating to not-for-profit corporations, this Declaration, the Bylaws, or the Articles of Incorporation, the powers herein or otherwise granted to

the Association may be exercised by the Board, acting through the officers of the Association, without any further consent or action on the part of the Owners.

8.02 Duties and Powers.

The duties and powers of the Association shall be those set forth in the provisions of the laws of Illinois relating to not-for-profit corporations, this Declaration, the Bylaws, and the Articles of Incorporation, together with those reasonably implied to effect the purposes of the Association; provided, however, that if there are conflicts or inconsistencies between the laws of Illinois, this Declaration, the Bylaws, or the Articles of Incorporation, the provisions of the laws of Illinois, this Declaration, and the Bylaws, in that order, shall prevail, and each Owner of a Lot, Commercial Unit or Dwelling, by acceptance of a deed or other conveyance therefore, covenants to vote in favor of such amendments as will remove such conflicts or inconsistencies. The Association may exercise any other right or privilege given to it expressly by this Declaration or by law, together with every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege. Such powers of the Association shall include, but shall not be limited to, the power to purchase one (1) or more Lots, Commercial Units and/or Dwellings to hold, lease, mortgage, sell, and convey the same. Such duties may include, but shall not be limited to, arranging with governmental agencies, public service districts, public or private utilities, or others, as a Common Expense or by billing directly to Lots, Commercial Units and Dwellings, to furnish trash collections, water, sewer, and/or security service for the Common Area and/or the Lots, Commercial Units, Dwellings, and Neighborhoods. Notwithstanding the foregoing provisions of this Section 8.02 or any other provisions of this Declaration to the contrary, for so long as Declarant shall own any Lot, Commercial Unit or Dwelling primarily for the purpose of sale or has the unexpired option to add the Additional Property or any portion thereof to the Development, the Association shall not, without the consent of Declarant, borrow money or pledge, mortgage, or hypothecate all or any portion of the Common Area.

8.03 Agreements.

Subject to the prior approval of Declarant for so long as Declarant shall have the right to appoint the Board pursuant to Section 4.06 hereof, all agreements and determinations lawfully authorized by the Board shall be binding upon all Owners, their heirs, legal representatives, successors, and assigns, and all others having an interest in the Development or the privilege of possession and enjoyment of any part of the Development; and in performing its responsibilities hereunder, the Association, through the Board, shall have the authority to delegate to persons if its choice such duties of the Association as may be determined by the Board. In furtherance of the foregoing and not in limitation thereof, the Association may obtain and pay for the services of any person or entity to manage its affairs or any part thereof, to the extent it deems advisable, as well as such other personnel as the Association shall deem necessary or desirable for the proper operation of the Development, whether such personnel are furnished or employed directly by the Association or by any person or entity with whom or with which it contracts. All costs and expenses incident to the employment of a manager shall be a Common Expense. During the term of such management agreement, such manager may, if authorized by the Board, exercise all of the powers and shall be responsible for the performance of all the duties of the Association, excepting any of those powers or

duties specifically and exclusively reserved to the directors, officers, or Members of the Association by this Declaration or the Bylaws. Such manager may be an individual, corporation, or other legal entity, as the Board shall determine, and may be bonded in such a manner as the Board may require, with the cost of acquiring any such bond to be a Common Expense. In addition, the Association may pay for, and the Board may hire and contract for, such legal and accounting services as are necessary or desirable in connection with the operation of the Development or the enforcement of this Declaration, the Bylaws, or the rules and regulations of the Association.

8.04 Management Agreement.

Declarant's affiliate or partner thereof may be employed as the manager of the Association and the Development for such period of time as Declarant has the right to appoint and remove officers and directors of the Association. Every grantee of any interest in the Development, by acceptance of a deed or other conveyance of such interest, shall be deemed to ratify such management agreement. The Declarant or the Board shall engage the initial management organization under contracts expiring not later than the date of the Initial Meeting of Association Delegates. Thereafter, the Board may engage the services of an agent to manage the Property to the extent deemed advisable by the Board provided, however, that if the Association, Declarant or Board shall enter into an agreement or agreements for the professional management of the Property before the Transfer Date, such agreement or agreements shall be terminable by the Association without cause at any time after the Transfer Date and shall not require the payment of any penalty by the Association and shall not require advance notice of termination of more than ninety (90) days. Any management fees incurred pursuant to this Section 8.04 shall be paid from the Assessments collected pursuant to Article IX hereof.

8.05 Personal Property and Real Property for Common Use.

The Association, through action of the Board, may acquire and hold tangible and intangible personal property and real property and may dispose of the same by sale or otherwise. All funds received and title to all properties acquired by the Association and the proceeds thereof, after deducting therefrom the costs incurred by the Association in acquiring or selling the same, shall be held by and for the benefit of the Association. The undivided interest of the Owners in the funds and assets of the Association cannot be individually assigned, hypothecated, or transferred in any manner, except to the extent that a transfer of the ownership of a Lot, Commercial Unit or Dwelling also transfers the membership in the Association which is an appurtenance to such Lot, Commercial Unit or Dwelling.

8.06 Rules and Regulations.

The Association, through the Board, may make and enforce reasonable rules and regulations governing the use of the Lots, Commercial Units, Dwellings, Neighborhoods, Common Area, and Limited Common Area, which rules and regulations shall be consistent with the rights and duties established by this Declaration.

8.07 Indemnification.

The Association shall indemnify every officer and director of the Association against any and

all expenses, including court costs and reasonable attorney fees, reasonably incurred by or imposed upon any officer or director in connection with any action, suit or other proceeding (including settlement of any suit or proceeding if approved by the Board) to which he may be made a party by reason of being or having been an officer or director at the time such expenses are incurred. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or directors may also be Members of the Association) and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer or director, or former officer or director, may be entitled. The Association shall as a Common Expense maintain adequate general liability and officers' and directors' liability insurance to fund this obligation.

8.08 Board Control.

As provided in Section 13.01 hereof and notwithstanding any other provision to the contrary contained in any instruments evidencing or establishing the Development, Declarant shall have the right to appoint or remove any member of members of the Board or any officer or officers of the Association until such time as the first of the following events shall occur: (i) the expiration of seven (7) years after the date of the recording of this Declaration; (ii) the surrender by Declarant of the authority to appoint and remove directors and officers of the Association by an express amendment to this Declaration executed and recorded by Declarant; or (iii) upon the sale and conveyance of seventy-five percent (75%) of the Lots, Commercial Units and Dwellings in the Development to persons other than the Declarant, Developers or builders holding title for purposes of development and sale. For purposes of this Section 8.08, "Dwellings in the Development" or Lots shall refer to all Dwellings and Lots within or contemplated to be within the Property and Additional Property. Each Owner, by acceptance of a deed to or other conveyance of a Lot, Commercial Unit or Dwelling, vests in Declarant such authority to appoint and remove directors and officers of the Association as provided by this Section 8.08 and by Section 13.01 hereof.

ARTICLE IX COVENANTS FOR MAINTENANCE ASSESSMENTS

9.01 Creation of the Lien and Personal Obligations.

Each Owner of a Dwelling, Commercial Unit or Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance for each Dwelling, Commercial Unit or Lot owned by such Owner, hereby covenants and agrees and shall be deemed to covenant and agree to pay to the Association such Assessments as are levied pursuant to the provisions of this Declaration and the Bylaws of the Association. Such Assessments, together with interest thereon and cost of collection, if any, as hereinafter provided, shall be a charge and continuing lien upon the Dwelling, Commercial Unit or Lot against which such Assessment is made. Each such Assessment, together with such interest and costs, shall also be the personal obligation of the Owner who was the Owner of such Dwelling or Lot at the time when the same fell due.

9.02 Purpose of Assessments.

The Assessments for Common Expenses levied by the Association (or by Declarant acting on its behalf pursuant to Section 4.05(c) hereof) shall be used for the purpose of promoting the recreation, health, safety and welfare of the Members of the Association and in particular, without limiting the foregoing: (i) for the improvement and maintenance of the services and facilities devoted to the use and enjoyment of the Common Area, (ii) for the making of repairs, replacements and additions to the Common Area, defraying the cost of labor, equipment, and material required for the maintenance of the Common Area, (iii) for the operation, care, upkeep, maintenance, replacement and of any common areas of any Neighborhood Association to the extent any such Neighborhood Association has delegated these powers and duties to the Association and the Association has assumed, including assumption as a Limited Common Area, (iv) in general for carrying out the duties of the Board as set forth in this Declaration and the Bylaws of the Association, and (v) for carrying out the purposes of the Association as stated herein and in its Articles of Incorporation.

9.03 Assessment Procedures.

(a) Preparation of Estimated Budget. Each year on or before November 1, the Board shall estimate the total amount necessary to pay the Common Expenses including but not limited to the cost of wages, materials, insurance, services, fees, supplies and other items which, in the judgment of the Board, will be required to be provided to the Association or required to meet the Association's obligations during the ensuing calendar year to effect the purposes of the Association, a copy of which estimated budget shall be provided to all Owners at least thirty (30) days prior to its adoption by the Board. The annual budget shall take into account any estimated net operating income or deficit which may result from the operation of the Common Area during such year and income from user charges to be received pursuant to Section 9.03 hereof. Said "estimated cash requirement" shall be allocated among and assessed to Owners in accordance with the provisions of Section 9.06 hereof. The Board shall give written notice, mailed or delivered, to each Owner no less than ten (10) and no more than thirty (30) days prior to any meeting of the Board concerning the adoption of any proposed budget or any increase or establishment of an Assessment.

(b) Date Payments Due. On or before January 1 of the ensuing year, each Owner shall be personally obligated to pay, in the manner prescribed by Sections 9.06, 9.07 and 9.08 hereof, such Owner's Assessment, together with all user charges incurred by such Owner during the preceding year. If the actual expenditures paid or provided for by the Board during said year shall be more or less than said estimated cash requirement, any net shortage or excess shall be applied as an adjustment to the installments under the current year's estimate falling due after the amount of such net shortage or excess for the preceding year has been determined.

(c) Commencement of Assessments. The Assessments provided for herein shall commence for the Dwelling, Commercial Unit or Lots within the Property upon the conveyance by the Declarant to a third party, except as otherwise provided in Section 9.03(d) hereof. The Board shall fix the amount of the annual Assessment against each Dwelling, Commercial Unit or Lot at least thirty (30) days in advance of each annual

Assessment period and in lieu thereof, the amount of the prior year's annual Assessment shall be the fixed amount. The amount of the annual Assessment to be fixed by the Board pursuant to this Section 9.03(c) shall not exceed one hundred fifteen percent (115%) of the prior year's Assessment unless the assent of Association Delegates or Members entitled to cast at least sixty-seven percent (67%) of all votes is given at a meeting called for that purpose and attended after adequate notice by Association Delegates, Members or their proxies entitled to cast at least sixty percent (60%) of all votes; provided, however, that if Association Delegates or Members entitled to cast sixty percent (60%) of all votes do not attend, a second meeting may be called with the same notice and the quorum therefor shall be reduced to Association Delegates or their proxies entitled to cast at least thirty percent (30%) of all votes. No limitation on annual increases shall apply to any Board appointed by the Declarant. Written notice of any changed amount of annual Assessment shall be due on the first day of the month immediately preceding the effective date of the changed Assessment. An Owner shall first be liable for payment of the Assessment on the date of the conveyance of title to him, prorated through the end of the calendar year. The Association shall upon demand at any time furnish a certificate in writing signed by an officer or agent of the Association setting forth whether the Assessments on a specified Dwelling, Commercial Unit or Lot have been paid and, if not paid, the amount of any such deficiency. Such certificate shall be conclusive evidence of payment of any Assessment therein.

(d) Assessment on Declarant-Owned Lots and Commercial Units. With regard to any Lots or Commercial Units owned by Declarant upon which improvements are under construction and title has not been conveyed by Declarant, the Assessment respecting any such portion of the Property shall be limited to twenty percent (20%) of the Assessments imposed upon any other Lots, Dwellings or Commercial Units, provided, however, that in the event Declarant enters into a lease or installment contract for any Dwelling or Commercial Unit, then Declarant shall be responsible for the payment of Assessments on such Dwelling or Commercial Units on the same basis as any other Owner as provided in Section 9.06 hereof. Lots or Commercial Units owned by Declarant upon which no improvements have commenced, no Assessments shall be imposed or due. The Declarant may, at its election, satisfy any deficit or shortage in the Association's actual operating expenses for any period in which the Declarant has paid reduced Assessments pursuant to this Section 9.03(d), provided, that such payment shall be made out of Declarant's Assessments payment for the year. Declarant may, in its sole discretion, designate certain builders as a Developer to the Association in writing granting the designated Developer the right to reduced assessments in the amounts determined by the Declarant but the reduced assessments shall not exceed the reduced assessments that the Declarant is entitled to under this Section 9.03(d), and a Developer shall pay full Assessments commencing no later than the issuance of an occupancy certificate on the Lot, Dwelling or Commercial Unit.

(e) Adjustments to Estimated Budget. If any "estimated cash requirement" proves inadequate for any reason (including nonpayment of any Owner's Assessment), the Board may at any time levy a further Assessment. The Board shall serve notice of such further Assessment on all Owners by a statement in writing giving the amount and reasons therefor, and such further Assessment shall become due ten (10) days after the delivery or mailing of such notice of further Assessment. All Owners shall be personally

liable for and obligated to pay their respective adjusted amount.

(f) Failure to Prepare Annual Budget. The failure or delay of the Board to prepare an annual or an adjusted estimated budget shall not constitute a waiver or release in any manner of any Owner's obligation to pay his share of the estimated cash requirement as herein provided, whenever the same shall be determined and in the absence of any annual estimate or adjusted estimate, each Owner shall continue to pay the annual charge at the then existing annual rate established for the previous period.

9.04 Special Assessments for Capital Improvements and Unusual Expenses.

In addition to the annual Assessment authorized by Section 9.03, the Board may levy Special Assessments for the purpose of defraying, in whole or in part, the cost of construction or purchase of a specified capital improvement upon or to the Common Area, and the necessary fixtures and personal property related thereto and for unusual, unforeseen expenses of the Association; provided, however, that, except for Special Assessments which shall not exceed in any one (1) year the sum of Five Hundred Dollars (\$500.00) per assessed Dwelling, Commercial Unit or Lot, any such Special Assessment shall first be approved at a meeting of the Association Delegates or Members by the affirmative votes of Members entitled to cast at least sixty-seven percent (67%) of all votes cast at a meeting called and held in accordance with the provisions of Section 9.05. The provisions of this Section 9.04 shall not limit the power of the Board, without such prior approval, to levy assessments to reconstruct, replace or restore any portion of the Common Area. The Board shall segregate and maintain a special reserve account (the "Master Fund") to be used solely to make capital expenditures in connection with the Common Area. In addition, at the time of the initial conveyance of a Lot or Commercial Unit to a third party, the Owner of the Lot, Dwelling or Commercial Unit shall pay to the Association (i) an amount equal to Forty Percent (40%) of the annual Assessment excluding the Limited Common Area Assessment to be deposited into an account (the "Master Reserve") to be applied and used for start-up costs and as working capital in connection with the initial operation of Common Area and for future working capital needs and (ii) an amount equal to Forty Percent (40%) of the Limited Common Area Assessment to be deposited into an account to be used for the Limited Common Areas (capitalization fee). Such payments shall not be deemed a prepayment of Assessments. Notwithstanding anything contained herein to the contrary, the Declarant shall not be responsible for the payment of any Special Assessments, contributions to any Master Fund or Master Reserve or payment of capitalization fees. Declarant may, in its sole discretion, designate certain builders as a Developer to the Association in writing deferring the collection of Special Assessments, contributions to any Master Fund or Master Reserve or payment of capitalization fees until no later than conveyance to a third-party for occupancy.

9.05 Notice and Quorum.

Written notice of any meeting called for the purpose of authorizing any Special Assessments requiring approval pursuant to Section 9.04 hereof shall be sent to all Association Delegates not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the opening of such meeting, the presence in person or by proxy of Association Delegates or Members entitled to cast at least thirty percent (30%) of all the votes shall constitute a quorum; provided, that if Association Delegates or Members entitled to cast thirty percent (30%) of all votes do not attend, a

second meeting may be called with the same notice requirements as herein provided, except that the quorum therefor shall be reduced to Association Delegates or Members entitled to cast fifteen percent (15%) of all votes.

9.06 Allocation of Assessments Among Owners.

Assessments shall be allocated among the Owners by apportioning to each Owner an amount equal to that proportion of the total Assessment which the number of Unit Memberships held by such Member bears to the total number of Unit Memberships in the Association, provided, however, (i) for any Commercial Unit, the Assessments may be allocated based on the budget determined by the Board of Directors multiplied by a ratio of the acreage of the Commercial Unit to the acreage of the Development; (ii) for any Limited Common Area Assessments and Specific Assessments benefiting or respecting only designated Lots, Dwellings and/or Commercial Units, only the Lots, Dwellings and/or Commercial Units benefited or affected shall be charged such Limited Common Area Assessments and Specific Assessments; and (iii) the Declarant may elect in its discretion within seven (7) years of recording this Declaration to allocate the Assessments among the Owners of the Lots, Dwellings and Commercial Units based upon the following factors: (i) the density of Lots, Dwellings and Commercial Units; (ii) the projected purchase price or value of Lots, Dwellings and Commercial Units; (iii) the square footage of Lots or Dwellings; (iv) the impact of particular Lots, Dwellings or Commercial Units on Common Expenses; and (v) any other reasonable factor, which allocation may change from time to time within such period. After Declarant's right to determine the allocated share expires, the Board may change the then existing method of allocation with the approval of two-thirds (2/3) of the Members. Each Neighborhood Association shall be responsible for collecting on behalf of the Association all Assessments due the Association from Members whose Dwellings or Lots are subject to assessment by such Neighborhood Association. In the event no Neighborhood Association is in existence, the payment of all Assessments shall be made directly by each Owner to the Association. Assessments for the use and benefit of particular Lots and/or Dwellings shall be levied on a pro rata basis among the benefited Lots and/or Dwellings, which shall be determined by the Board of Directors of the Association and approved by the Declarant.

9.07 Payment of Assessments.

(a) Assessments allocated under Section 9.06 hereof to Owners shall, if applicable, be added to the assessment made or levied by a Neighborhood Association against each such Owner for the common expenses and user charges as provided in the applicable Neighborhood Declaration. Each such Owner shall pay the Assessment levied by the Association directly to the Neighborhood Association and shall also pay to the Neighborhood Association any assessment levied by the Neighborhood Association as provided in the applicable Neighborhood Declaration. All such funds collected by the Neighborhood Association on behalf of the Association shall be remitted to the Association immediately or as requested by the Board.

(b) Upon written demand of an Owner or a Mortgagee at any time, the Association shall furnish such Owner or Mortgagee a written dated certificate signed by an officer of the Association setting forth whether there are any then unpaid Assessments

levied against such Owner's Dwelling, Commercial Unit or Lot. Such Certificate shall be conclusive evidence of payment of any Assessments theretofore levied and not stated therein as unpaid.

(c) The Declarant or Board may provide that the Assessments may be paid in full the first day of the calendar year, paid in multiple billings, and paid at different times of the year for the different type of Assessments, until otherwise provided.

(d) Payment of Assessments on Declarant-owned Lots or Commercial Units pursuant to Section 9.03(d) shall commence as of the date the respective building permit is issued with regard to such Lot or Commercial Unit. Lots or Commercial Units which are owned by the Declarant and are utilized for models and a parking lot shall not be subject to Assessments at any time. A Developer designated as such by Declarant to the Association shall have the same rights and obligations as the Declarant as contained in this Section 9.07(d) with regard to any Lots or Commercial Units owned or controlled by such Developer.

9.08 Nonpayment of Assessments.

(a) Any installment of an Assessment which is not paid to the Association within fifteen (15) days after the due date shall be delinquent and a late charge of Fifteen Dollars (\$15.00) shall be added to it. The Assessment shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum and the Association may bring an action against the Owner personally obligated to pay Assessments and recover the same, including interest, costs and reasonable attorneys' fees for any such action, which shall be added to the amount of such Assessment and included in any judgment rendered in such action; and the Association may enforce and foreclose any lien it has or which may exist for its benefit.

(b) No Owner shall be relieved of personal liability for the Assessments and for other amounts due as provided herein by nonuse of the Common Area or abandonment or transfer of ownership of his Dwelling, Commercial Unit or Lot, provided that upon transfer of ownership of a Dwelling, Commercial Unit or Lot, the transferor shall not be responsible for Assessments accruing after the date of transfer.

(c) The lien of the Assessments provided for in Section 9.01 hereof shall be subordinate to the lien of any first mortgage or mortgages now or hereafter placed upon the properties subject to Assessment; provided, however, that such subordination shall apply only to the Assessments which have become due and payable prior to the earlier of the date the holder of said mortgage takes possession of the Dwelling, Commercial Unit or Lot, accepts a conveyance of any interest in the Dwelling, Commercial Unit or Lot or has a receiver appointed in a suit to foreclose his lien. Such taking of possession, conveyance or appointment shall not relieve the holder of said mortgage from liability for any Assessments thereafter becoming due, nor from the lien of any such subsequent Assessments. Except for the foregoing, the lien for Assessments provided for in Section 9.01 shall not be affected by any sale or transfer of a Dwelling, Commercial Unit or Lot.

9.09 Specific Assessments.

Any Common Expenses benefiting or affecting less than all of the Lots, Dwellings and/or Commercial Units shall be equitably assessed among all of the Lots, Dwellings and/or Commercial Units so benefited or affected. Any other Common Expenses occasioned by the conduct of less than all of the Owners or Occupants of the Lots, Dwellings and/or Commercial Units shall be specifically assessed against the Lots, Dwellings and/or Commercial Units of the Owners or Occupants which occasioned any such Common Expenses. For instance, and not by way of limitation, if the Association incurs expenses relating to the violation of this Declaration or the Bylaws, occasioned by the Owner and Occupants of a Dwelling, the expenses so incurred shall be Specific Assessments against such Owner and Occupants thereof. Specific Assessments shall not be utilized in calculating the increase in Assessments or maximum Assessment chargeable against such Lot, Dwelling or Commercial Unit pursuant to 9.03(c) and 9.04.

**ARTICLE X
USE RESTRICTIONS**

10.01 Use of Lots and Dwellings.

Except as permitted by Sections 3.09 and 10.05 hereof, each Lot and Dwelling shall be used for residential purposes only, for single-family occupancy and no trade or business of any kind may be carried on therein, except as provided for by ordinance by the City, if any. No more than one (1) Dwelling shall be located on any Lot, except for those Lots upon which multi-family structures are constructed. The use of a portion of a Dwelling as an office by an Owner or Occupants shall not be considered to be a violation of this covenant if such use does not create regular customer, client, or employee traffic. The use of a Dwelling or a portion thereof for business meetings, entertainment, or the enjoyment or business of the Owner's employees, trustees, agents, clients, or customers shall not be considered to be a violation of this covenant if such use does not create regular customer, client or employee traffic.

10.02 Animals.

No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot or Dwelling; provided, however, dogs, cats or other household pets may be kept, not to exceed a total of two (2) such animals, provided they are not kept, bred or maintained for any commercial purposes. The foregoing limitation on the number of pets shall not apply to hamsters, small birds, fish or other constantly caged animals, nor shall it apply to require the removal of any litter born to a permitted pet to prior to the time that the animals in such litter are three (3) months old. If any animal may, in the sole discretion of the Board of Directors or its designated committee, make an objectionable amount of noise, endanger the health of the Owners or Occupants of other Lots or Dwellings, or otherwise constitute a nuisance or inconvenience to the Owners or Occupants of other Lots or Dwellings, such animal shall be removed upon the request of the Board of Directors or its designated committee. If the Owner of such animal fails or refuses to honor such request, the animal may be removed at the direction of the Board of Directors. An Owner's or Occupant's failure to

remove fecal matter or other solid waste left in any Common Area by an animal owned by an Occupant of such Owner's Lot or Dwelling (or their guests or invitees) shall be conclusively deemed to be a nuisance, and shall subject such Owner to such reasonable penalties as may be determined by the Association, including without limitation, upon repeated violations, the removal of such animal as described above. The cost and expense of any removal of an animal under this Section shall be the sole responsibility of the Owner of the Lot or Dwelling where the animal was kept (or was brought by a guest or invitee). In the event that such Owner fails to reimburse the Association for such cost and expense within twenty-one (21) days after the Association's demand for reimbursement, such cost and expense shall become part of the annual Assessment against such Lot or Dwelling, and the amount of such cost or expense assessed against such Lot or Dwelling shall not be counted or considered in determining whether a maximum Assessment has been made against such assessed Lot under Article IX.

10.03 Control of Pets.

Every person owning or having possession, charge, care, custody or control of any dog, cat or other uncaged pet shall keep such pet exclusively inside his own Dwelling or inside the confines of such Owner's Lot; provided, however, that such pet may be off the Owner's Lot if it be under the control of a competent person and restrained by a chain, leash or other means of adequate physical control. All Owners must control their pets at all times, whether or not such Owner is present, in a manner that will prevent any pet from (i) making noise at objectionable sound levels for extended periods of time, whether continuously or intermittently, (ii) endangering the health or safety of other Owners, their families, guests or invitees or creating fear in other Owners as to the safety of themselves, their families, guests or invitees, or (iii) otherwise constituting a nuisance or inconvenience to the Owner(s) of any other Lot or Dwelling; all of the foregoing as determined by the Association. Any pet identified by the Association as a potentially dangerous animal constituting an unreasonable risk or threat to any other Owner or as to other Owners generally, whether or not such risk or threat is deemed immediate or imminent, or as to the family, guests or invitees of any Owner or other Owners generally, whether due to the type, kind or species of such animal, or its size, natural proclivities or inherent nature, or as a result, whether in whole or in part, of the known tendencies, habits, disposition or history of such animal, or as a result of the manner in which such animal generally is supervised and controlled by its owner, or for any combination of any of the foregoing reasons, shall be subject to such further restrictions or control as the Association may in its absolute discretion deem appropriate, which further restrictions or control may include, without limitation, any one or more of the following additional requirements: (a) constant restraint of the animal by means of a cage, chain, leash or other means deemed appropriate and approved by the Association at all times while such animal is outside an Owner's Dwelling, even while such animal is in the area of such Owner's Lot; (b) limitations on the time periods or durations that such animal is permitted to be outside of its Owner's Dwelling; (c) prohibiting the animal to be outside at any time without its Owner present; or (d) permanent removal of the animal from the Property.

10.04 Fences or Remodeling.

The installation of any type of fencing and any remodeling or additions to Dwellings requires approval from the Architectural Review Committee or Modifications Committee and a building permit from the City prior to construction.

10.05 Sales and Construction Activities.

Notwithstanding any provisions or restrictions contained in this Declaration to the contrary, it shall be expressly permissible for Declarant and its agents, employees, successors, and assigns to maintain and carry on such facilities and activities as may be reasonably required, convenient, or incidental to the completion, improvement, and sale of Lots, Commercial Units and/or Dwellings or the developing of Lots, Commercial Units, Dwellings, Neighborhoods, Common Area, and the Additional Property, including, without limitation, the installation and operation of sales and construction trailers and offices, signs and model Dwellings, all as may be approved Declarant from time to time, provided that the location of any construction trailers of any assignees of Declarant's rights under this Section 10.05 shall be subject to Declarant's approval. The right to maintain and carry on such facilities and activities shall include specifically the right to use Dwellings as model residences, and to use any Dwelling as an office for the sale of Lots and/or Dwellings and for related activities. The Declarant may grant the above rights to a builder within the Property, and such grant shall be in writing.

10.06 Grading.

Once grading has been completed by the Declarant, no Owner may materially alter the grading on their respective Lot, Commercial Unit or on any portion of the Common Area.

10.07 Architectural Standards and Procedures.

(a) Purposes. To establish and preserve a harmonious and esthetically pleasing appearance within the development and to follow the anti-monotony policy of the City, Declarant hereby declares that all improvements on Lots or Commercial Units, including Dwellings, shall be subject to the Architectural Standards adopted by the Declarant from time to time. Every grantee of an interest in the Development by acceptance of the deed or other conveyance of such interest agrees to be bound by the provisions in this Section 10.07.

(b) Architectural Review Committee and Modification Committee. Declarant shall establish an Architectural Review Committee and Modifications Committee to administer the Architectural Standards, and the Architectural Review Committee and Modifications Committee shall be appointed by Declarant. The Architectural Review Committee shall administer the Architectural Standards and discharge their duties in their discretion, and, in so doing, the decisions of the Architectural Review Committee and Modifications Committee shall be final in all respects. Costs and expenses incurred by the Architectural Review Committee and Modifications Committee shall be a Common Expense paid by the Association as part of the responsibility of the Association. The Board of Directors shall adopt fee schedules to defray the costs and expenses of reviewing plans and related data and to compensate any consulting architects, landscape architects, surveyors, engineers, inspectors, attorneys, and other parties retained in accordance with this Declaration.

(c) Architectural Standards. Declarant is hereby authorized to adopt from time to time architectural standards, use regulations, guidelines and policies which would govern

and be administered by the Architectural Review Committee and Modifications Committee and which are hereinafter collectively referred to as Architectural Standards. The Architectural Standards shall control such matters of Lots, Dwellings or Commercial Units, including fencing, external materials, exterior staff, exterior care, exterior maintenance, location and landscaping of Lots and Commercial Units; the contents of applications for the Architectural Review Committee and Modifications Committee; submission of plans, specifications and other required information; building height, construction quality and minimum building area restrictions; and such other matters as Declarant shall deem from time to time to be necessary, desirable or appropriate for proper discharge of the duties and responsibilities of Declarant, the Architectural Review Committee and the Modifications Committee. The Architectural Standards shall be administered by the Architectural Review Committee and the Modifications Committee and enforced by the Declarant. Any such Architectural Standards adopted by the Declarant shall be binding and enforceable on all Owners with respect to all improvements located or proposed to be located within the portion of the Property specifically bound by same, which shall require the approval of the Architectural Review Committee and Modifications Committee, except as otherwise provided in the Declaration. It is contemplated that several versions of Architectural Standards will be adopted that may vary from Neighborhood to Neighborhood or among the portions of the Property, providing differing requirements among portions of the Development. The Architectural Standards shall contain a section listing the Lots and Commercial Units in the Property bound by same. Declarant shall have the right, sole and absolute discretion, either upon its own initiative or upon application by an Owner, to act through the Architectural Review Committee and Modifications Committee and grant a variation from the Architectural Standards established by Declarant or any restriction contained in this Declaration, provided the variation is in harmony with the Development and the variation will not have a material and detrimental impact on the remaining portions of the Development, in the sole discretion of Declarant, provided that single family detached Dwellings with the same building elevation shall not be constructed next to, across the street, or catty-corner from another Dwelling with like building elevations. The purpose and administration of the Architectural Standards shall be to follow the anti-monotony policy of the Declarant and/or City.

(d) Construction of Improvements. Construction or other work on new exterior improvements and changes to existing improvements on Lots or Commercial Units may not be commenced or conducted until such proposed construction, work and changes, as the case may be, are approved by the Architectural Review Committee or Modifications Committee in accordance with this Section. During any construction, the Owner shall require the contractors to maintain the Property under construction in a safe, clean, and sanitary condition and to keep construction trash and debris clear from surrounding property, streets, and other Neighborhoods with the Development.

(e) Approval. Within thirty (30) days of the submission of the required information to the Architectural Review Committee, the Architectural Review Committee shall either approve or disapprove the proposed improvements. The approval of the required submittal and the Architectural Standards shall not be construed as representing or implying that such required submittals or Architectural Standards will, if followed, result in the properly

designed and constructed improvements. Neither Declarant nor the Architectural Review Committee shall be responsible for any defects in any improvements, any loss or damage to any person arising out of such improvements, any damage arising from non-compliance of the improvements with any governmental ordinances or regulations and any defects in construction pursuant to required submittals.

10.08 Signs.

Except for those promotional signs, flagpoles, flags and banners erected by Declarant and by a Developer which shall be erected, maintained and removed subject to compliance with rules promulgated by Declarant to govern the erection of such signs, flagpoles, flags and banners within the Property and which signs, flagpoles, flags and banners shall be subject to Declarant's prior review and approval, no sign of any kind shall be erected within the Property by any Owner without the written consent of the Board of Directors. Notwithstanding the foregoing, Owners may erect and display: (a) one "for sale" sign parallel with the street within the front yard area so long as such signs are not within the parkway strip or in areas subject to screen planting easements or on Common Area and are no larger than two feet by three feet (2' x 3') on Lots owned by Owners which are not a Developer and (b) political signs meeting the foregoing criteria for "for sale" signs for two (2) weeks prior to an election which must be removed on the day after the election. The Board of Directors or Declarant shall have the right to erect signs as they, in their discretion, deem appropriate. Nothing herein shall be construed to permit the display of signs, flags, banners, and similar items within the Property, which advertise or provide directional information for activities and events being conducted outside the Property.

10.09 Parking and Garages.

Vehicles shall be parked only in the garages or in the driveways within Lots. Commercial vehicles (as defined in rules and regulations promulgated by the Architectural Review Committee), tractors, mobile homes, recreational vehicles of all types, trailers of all types (either with or without wheels), campers, camper trailers, boats and other watercraft, snowmobiles, all-terrain vehicles, and boat, snowmobile and recreational vehicle trailers shall be parked only in garages. No inoperable vehicles of any kind and no passenger vehicles or other vehicles not currently licensed shall be parked or stored on any driveway. No vehicles of any kind shall be repaired or rebuilt anywhere within a Lot other than within the garage located thereon. The Architectural Review Committee shall have the right to grant variances from the foregoing restrictions in cases of hardship which variance shall be granted upon such terms and conditions and for such duration as the Architectural Review Committee may determine to be appropriate. Variations shall not inure to the benefit of subsequent Owners of the Lot. The foregoing restrictions do not apply to the parking of construction vehicles and trailers during construction on the Property so long as such vehicles and trailers are parked in accordance with the Association's construction parking regulations.

10.10 Occupants Bound.

All provisions of the Declaration, Bylaws and of any rules and regulations or use restrictions promulgated pursuant thereto which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants, guests and invitees of any Lot. Every Owner shall

cause all occupants of his or her Dwelling to comply with the Declaration, Bylaws, and the rules and regulations adopted pursuant thereto, and shall be responsible for all violations thereof and any losses or damage to the Common Area caused by such Occupants, notwithstanding the fact that such Occupants of a Lot are fully liable and may be sanctioned for any violation of the Declaration, Bylaws, and rules and regulations adopted pursuant thereto. Nothing herein shall be construed to impose any criminal liability on any Owner for actions of third parties.

10.11 Refuse.

All rubbish, trash, or garbage shall be kept so as not to be seen from neighboring Dwellings and streets, and shall be regularly removed from the Property, and shall not be allowed to accumulate thereon. Garbage may not be burned on the Lots. No clothes, sheets, blankets, laundry of any kind, or other articles shall be hung out in any portion of the Property.

10.12 Nuisance.

No portion of the Property shall be used, in whole or in part, for the storage of any property or thing that will cause it to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept upon any portion of the Property that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on upon any portion of the Property, nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance, or nuisance to any person using any portion of the Property. There shall not be maintained any plants or animals or device or thing of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Property.

10.13 Unsightly or Unkempt Conditions.

It shall be the responsibility of each Owner to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on his or her Lot, Dwelling or Commercial Unit. The outdoor pursuit of hobbies or other activities, which might end to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken on any part of the Property, which activities shall include, but shall not be limited to, the repair, assembly and disassembly of motor vehicles, aircraft, watercraft, motors, and other mechanical devices and equipment.

10.14 Landscape Easements and Buffers.

No structures, fences, or play equipment will be allowed within landscape easements or buffers as set forth on the plat of the Property or in any other recorded document.

**ARTICLE XI
RULE MAKING**

11.01 Rules and Regulations.

Subject to the provisions hereof, the Board may establish reasonable rules and regulations concerning the use of Lots, Commercial Units, Dwellings, Neighborhoods, and the Common Area, Limited Common Area and facilities located thereon. In particular but without limitation, the Board may promulgate from time to time rules and regulations which shall govern activities which may, in the judgment of the Board, be environmentally hazardous to any wetland or other areas. Copies of such rules and regulations and amendments thereto shall be furnished by the Association to all Owners prior to the effective date of such rules and regulations and amendments thereto. Such rules and regulations shall be binding upon the owners, their families, tenants, guests, invitees, servants, and agents, until and unless any such rule or regulation is specifically overruled, canceled, or modified by the Board or in a regular or special meeting of the Association by the vote of the Owners, in person or by proxy, holding a majority of the total votes in the Association, provided that in the event of such vote, such action must also be approved by Declarant, for so long as Declarant shall have the right to appoint the Board pursuant to Section 4.06 hereof.

11.02 Authority and Enforcement.

Subject to the provisions of Section 11.03 hereof, upon the violation of this Declaration, the Bylaws, or any rules and regulations duly adopted hereunder, including, without limitation, the failure to timely pay any Assessments, the Board shall have the power (i) to impose reasonable monetary fines which shall constitute an equitable charge and a continuing lien upon the Lot, Commercial Unit or Dwelling, the Owners or Occupants of which are guilty of such violation, (ii) to suspend an Owner's right to vote in the Association, or (iii) to suspend an Owner's right (and the right of such Owner's family, guest, and tenants and of the co-Owners of such Owner and their respective families, guests, and tenants) to use any of the recreational facilities located in the Common Area and Limited Common Area, and the Board shall have the power to impose all or any combination of these sanctions. An Owner shall be subject to the foregoing sanctions in the event of such a violation by such Owner, his family, guests, or tenants or by his co-Owner or the family, guests, or tenants of his co-Owners. Any such suspension of rights may be for the duration of the infraction and for any additional period thereafter, not to exceed thirty (30) days per violation.

11.03 Procedure.

Except with respect to the failure of an Owner to pay Assessments, the Board shall not impose a fine, suspend voting rights, or infringe upon or suspend any other rights of an Owner or other occupant of the Development for violations of the Declaration, the Bylaws, or any rules and regulations of the Association, unless and until the following procedure is followed:

- (a) Written demand to cease and desist from an alleged violation shall be served upon the Owner responsible for such violation specifying:
 - (i) The alleged violation;
 - (ii) The action required to abate the violation; and
 - (iii) A time period of not less than ten (10) days during which the

violation may be abated without further sanction, if such violation is a continuing one, or if the violation is not a continuing one, a statement that any further violation of the same provision of this Declaration, the Bylaws, or of the rules and regulations of the Association may result in the imposition of sanctions after notice and hearing.

(b) Within twelve (12) months of such demand, if the violation continues past the period allowed in the demand for abatement without penalty, or if the same violation subsequently occurs, the Board may serve such Owner with written notice of a hearing to be held by the Board in executive session. The notice shall contain:

- (i) The nature of the alleged violation;
- (ii) The time and place of the hearing, which time shall be not less than ten (10) days from the giving of the notice;
- (iii) An invitation to attend the hearing and produce any statement, evidence, and witnesses on his behalf; and
- (iv) The proposed sanction to be imposed.

(c) The hearing shall be held in executive session of the Board pursuant to the notice and shall afford the alleged violator a reasonable opportunity to be heard. Prior to the effectiveness of any sanction hereunder, proof of notice and the invitation to be heard shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice together with a statement of the date and manner of delivery is entered by the officer, director, or other individual who delivered such notice. In addition, the notice requirement shall be deemed satisfied if an alleged violator appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction imposed, if any.

ARTICLE XII

MORTGAGEE PROVISIONS

The following provisions are for the benefit of holders of first Mortgages on Lots and Dwellings in the Property. The provisions of this Article apply to both this Declaration and to the Bylaws, notwithstanding any other provisions contained therein.

12.01 Notices of Action.

An institutional holder, insurer, or guarantor of a first Mortgage who provides written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the Lot/Dwelling number, therefore becoming an "eligible holder"), will be entitled to timely written notice of:

- (a) any condemnation loss or any casualty loss which affects a material

portion of the Property or which affects any Dwelling on which there is a first Mortgage held, insured, or guaranteed by such eligible holder;

(b) any delinquency in the payment of Assessments or charges owed by an Owner of a Dwelling subject to the Mortgage of such eligible holder, where such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, any holder of a first Mortgage, upon request, is entitled to written notice from the Association of any default in the performance by an Owner of a Dwelling of any obligation under the Declaration or Bylaws of the Association which is not cured within sixty (60) days;

(c) any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or

(d) any proposed action which would require the consent of a specified percentage of eligible holders.

12.02 Amendments to Documents.

(a) The consent of Members representing at least sixty-seven (67%) percent of the votes and of the Declarant, so long as it owns any land subject to this Declaration, and the approval of the eligible holders of first Mortgages on sixty-seven (67%) percent of the Dwellings subject to a Mortgage held by an eligible holder, shall be required to terminate the Association for reasons other than substantial destruction or condemnation. Any election to terminate the Association after substantial destruction or a substantial taking in condemnation shall require the approval of the Members as specified above and the eligible holders of first Mortgages on fifty-one (51%) percent of the Dwellings subject to Mortgages held by such eligible holders.

(b) Any restoration or repair of the Property after a partial condemnation or damage due to an insurable hazard shall be substantially in accordance with this Declaration and the original plans and specifications unless the approval is obtained of the eligible holders of first Mortgages on Dwellings to which at least fifty-one (51%) percent of the Dwellings subject to Mortgages held by such eligible holders are allocated.

(c) The consent of Members representing at least sixty-seven (67%) percent of the votes and of the Declarant, so long as it owns any land subject to this Declaration, and the approval of eligible holders of first Mortgages on fifty-one (51%) percent of the Dwellings subject to a Mortgage held by an eligible holder, shall be required to amend any material provisions of the Declaration, Bylaws, or Articles of Incorporation of the Association or to add any material provisions thereto, which establish, provide for, govern, or regulate any of the following:

(i) voting;

(ii) Assessments, Assessment liens, or subordination of

such liens;

(iii) reserves for maintenance, repair, and replacement of the Common Area and Limited Common Area;

(iv) insurance or fidelity bonds;

(v) rights to convey the Common Area;

(vi) responsibility for maintenance and repair of the Properties;

(vii) expansion or contraction of the Property or the addition, annexation, or withdrawal of Property to or from the Association (other than by Declarant as provided in Article II of this Declaration);

(viii) boundaries of any Lot or Dwelling;

(ix) leasing of Lots or Dwellings;

(x) imposition of any right of first refusal or similar restriction of the right of any Owner to sell, transfer, or otherwise convey his or her Dwelling;

(xi) establishment of self-management by the Association where professional management has been required by an eligible holder; or

(xii) any provisions included in the Declaration, Bylaws, or Articles of Incorporation which are for the express benefit of holders; guarantors, or insurers of first Mortgages on Dwellings.

12.03 Special FHLMC Provision.

So long as required by the Federal Home Loan Mortgage Corporation, the following provisions apply in addition to and not in lieu of the foregoing. Unless at least two-thirds (2/3) of the first Mortgagees or Members representing at least two-thirds (2/3) of the total Association vote entitled to be cast thereon consent, the Association shall not:

(a) by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer all or any portion of the real property comprising the Common Area which the Association owns, directly or indirectly, except as otherwise provided herein;

(b) change the method of determining the obligations, Assessments, dues, or other charges which may be levied against an Owner of a Dwelling (" decision, including contracts, by the Board or provisions of any declaration subsequently recorded on any portion of the Property regarding assessments for Neighborhoods or other similar areas

shall not be subject to this provision where such decision or subsequent declaration is otherwise authorized by this Declaration.);

(c) by act or omission change, waive, or abandon any scheme of regulations or enforcement thereof pertaining to the maintenance of Dwellings and of the Common Area;

(d) fail to maintain insurance, as required by this Declaration; or .

(e) use hazard insurance proceeds for any Common Area losses for other than the repair, replacement, or reconstruction of such property.

First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against the Common Area and may pay overdue premiums on casualty insurance policies or secure new casualty insurance coverage upon the lapse of an Association policy, and first Mortgagees making such payments shall be entitled to immediate reimbursement from the Association.

12.04 No Priority.

No provision of this Declaration or the Bylaws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Lot or Dwelling in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or taking of the Common Area.

12.05 Notice to Association.

Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Dwelling.

12.06 Amendment by Board.

Should the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation subsequently delete any of their respective requirements which negate the provisions of this Article or make any such requirements less stringent, the Board, without approval of the Owners, may cause an amendment to this Article to be recorded to reflect such changes. Copies of any amendments to this Declaration, except those enacted by the Declarant, shall be furnished to the Owners.

12.07 Failure of Mortgagee to Respond.

Any Mortgagee who receives notice of and a written request from the Board to respond or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days of the date of the Association's request, provided such request is delivered to the Mortgagee by certified or registered mail, with a return receipt requested.

ARTICLE XIII
GENERAL PROVISIONS

13.01 Control by Declarant.

Notwithstanding any other language or provision to the contrary in this Declaration, in the Articles of Incorporation, or in the Bylaws of the Association, Declarant hereby retains the right to appoint and remove any member or members of the Board and any officer or officers of the Association as provided by and for the term set forth in Section 8.01 hereof. Every grantee of any interest in the Development, by acceptance of a deed or other conveyance of such interest, agrees that Declarant shall have the authority to appoint and remove directors and officers of the Association in accordance with the foregoing provisions of this Section 13.01 and the provisions of Section 8.01. Upon the expiration of the period of Declarant's right to appoint and remove directors and officers of the Association pursuant to the provisions of Section 8.01 and this Section 13.01, such right shall pass to the Owners, including Declarant if Declarant then owns one or more Lots, Commercial Units or Dwellings, and a special meeting of the Association shall be called within a reasonable time thereafter. At such special meeting the Owners shall elect a new Board which shall undertake the responsibilities of the Board, and Declarant shall deliver all books, accounts, and records, if any, which Declarant has kept on behalf of the Association and any agreements or contracts executed by or on behalf of the Association during such period and which Declarant has in its possession.

13.02 Amendments by Declarant.

During any period in which Declarant owns any Lot, Dwelling, Commercial Unit, Common Area or portion of the Property or Additional Property, Declarant, Declarant may amend this Declaration by an instrument in writing filed and recorded in the Office of the Recorder of Kendall County, without the approval of any Owner or Mortgagee; provided, however, that with the exception of the addition of any portion of the Additional Property to the terms of this Declaration, or as otherwise provided in Section 13.03 hereof, (i) in the event that such amendment materially alters or changes any Owner's right to the use and enjoyment of his Lot, Commercial Unit, or Dwelling, as set forth in this Declaration or adversely affects the title to any Lot, Commercial Unit, or Dwelling, such amendment shall be valid only upon the written consent thereto by a majority in number of the then existing Owners affected thereby, or (ii) in the event that such amendment would materially and adversely affect the security, title and interest of any Mortgagee, such amendment shall be valid only upon the written consent thereto of all such Mortgagees so affected. Any amendment made pursuant to this Section 13.02 shall be certified by Declarant as having been duly approved by Declarant, and by such Owners and Mortgagees if required, and shall be effective only upon recordation or at such later date as shall be specified in the amendment itself.

13.03 Special Amendments.

Anything herein to the contrary notwithstanding, Declarant reserves the right and power to record a special amendment ("Special Amendment") to this Declaration at any time and from time to

time which amends this Declaration (i) to comply with requirements of the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Department of Housing and Urban Development, the Federal Housing Administration, the Veteran's Administration, or any other governmental agency or any other public, quasi-public or private entity which performs (or may in the future perform) functions similar to those currently performed by such entities, (ii) to induce any of such agencies or entities to make, purchase, sell, insure, guarantee or otherwise deal with first mortgages covering Dwellings, (iii) to correct clerical or typographical errors in the Declaration or any Exhibit, or (iv) to bring the Declaration into compliance with applicable laws, ordinances or governmental regulations. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to the Declarant to make or consent to a Special Amendment on behalf of each Owner. Each deed, lease, mortgage, trust deed, other evidence of obligation, or other instrument affecting a Dwelling and the acceptance thereof shall be deemed to be a grant and acknowledgment of, and a consent to the reservation of, the power to the Declarant to make, execute and record Special Amendments. The right and power to make Special Amendments hereunder shall terminate on the date Declarant no longer has the right to appoint all directors of the Board pursuant to Section 4.06 hereof.

13.04 Litigation.

Unless at least seventy-five percent (75%) of the first mortgagees (based upon one vote for each mortgage owned), and seventy-five percent (75%) of Owners (other than the Developer or builder) of the individual Lots, Dwellings and Commercial Units have given their prior written approval, the Association, Owners and/or Members shall not be entitled to commence any class-action or other collective action against the Developer, Declarant, or any other persons acting on behalf of or in association with Developer or Declarant in connection with the development of the Property or this Declaration. Any such action shall proceed in accordance with Section 13.05 of this Declaration, and no lawsuit shall be permitted against Declarant or Developer.

13.05 Arbitration.

Excluding (a) any suit by the Association to collect Assessments under Article 9 against an Owner, excluding Declarant and Developer; (b) any suit by the Association to obtain a temporary restraining order to enforce the provisions of Article 10; and (c) arbitration conducted by the Board under Article 10, any and all claims, disputes and controversies by and between the Association, Owner, Member, Developer, Declarant, Managing Agent or any other party connected in any way to the Association, or any combination of the foregoing, arising from or related to the Property, the Association, any improvements to the Property, the sale of any Lot and/or Dwelling on the Property, including, without limitation, any claim of breach of contract, negligence, negligent or intentional misrepresentation or non disclosure in the inducement, execution or performance of any contract, including this arbitration agreement, and breach of any alleged duty of good faith and fair dealings, shall be submitted to arbitration by and pursuant to the rules of Construction Arbitration Services, Inc. (hereinafter CAS) in effect at the time of the request for arbitration or by such other arbitration service as Declarant shall, in its sole discretion select, and pursuant to the rules of that arbitration service in effect at the time of the request for arbitration. This arbitration agreement shall inure to the benefit of, and be enforceable by all successors and assigns of the parties. Any party shall be entitled to recover reasonable attorneys' fees and costs incurred in enforcing this arbitration agreement, and the arbitrator

shall have sole authority to award such fees and costs. The decision of the arbitrator shall be final and binding and may be entered as a judgment in any state or federal court of competent jurisdiction. This arbitration agreement shall be deemed to be a self executing arbitration agreement. Any disputes concerning interpretation or the enforceability of this arbitration agreement, including without limitation, its revocability or voidability for any cause, the scope of arbitrable issues and any defense based on waiver, estoppel or laches shall be decided by the arbitrator. The initiation of or participation by any party in any judicial proceedings concerning this arbitration agreement or any matter arbitrable hereunder shall not be deemed a waiver of the right to enforce this arbitration agreement, and notwithstanding provision of law to the contrary, shall not be asserted or accepted as a reason to delay, to refuse to participate in, or to refuse to enforce this arbitration agreement. Any party who shall commence a judicial proceeding concerning a dispute that is arbitrable, however, shall also be deemed a party requesting arbitration within the meaning of this arbitration agreement. The arbitrator's compensation shall be borne equally by the arbitrating parties. Any additional fees may be assessed in accordance with the arbitration rules and fees. Parties expressly agree that this arbitration agreement involves and concerns interstate commerce and is governed by the provisions of the Federal Arbitration Act (9 USC §1 *et seq.*) now in effect as the same may from time to time be amended, supplanted or replaced, to the exclusion of any different or inconsistent state or local law, ordinance or judicial rule; and to the extent that any local law, ordinance or judicial rule may be inconsistent with any provision of the rules of the arbitration service under which the arbitration proceeding shall be conducted, the latter rule shall govern the conduct of the proceedings. If any provision of this arbitration agreement shall be determined by arbitrator or by any court to be (i) non-enforceable or (ii) have been waived, the remaining provision shall be deemed to be severable therefrom and enforceable according to their terms.

13.06 Enforcement.

Each Owner shall comply strictly with the Bylaws and the published rules and regulations of the Association adopted pursuant to this Declaration, as either of the same may be lawfully amended from time to time, and with the covenants, conditions, and restrictions set both in this Declaration and in the deed or other instrument of conveyance to his Lot, Commercial Unit or Dwelling, if any. Failure to comply with any of the same shall be grounds for imposing fines, for suspending voting rights or for instituting an action to recover sums due, for damages and/or for injunctive relief and/or any other remedy available at law or in equity such actions to be maintainable by Declarant, the Board on behalf of the Association, or, in a proper case, by an aggrieved Owner. Should Declarant or the Association employ legal counsel to enforce any of the foregoing, all costs incurred in such enforcement, including court costs and reasonable attorneys' fees, shall be paid by the violating Owner. Inasmuch as the enforcement of the provisions of this Declaration, the Bylaws, and the rules and regulations of the Association are essential for the effectuation of the general plan of development contemplated hereby and for the protection of present and future Owners, it is hereby declared that any breach thereof may not adequately be compensated by recovery of damages, and that Declarant, the Association, or any aggrieved Owner, in addition to all other remedies, may require and shall be entitled to the remedy of injunction or other equitable action to restrain any such violation or breach or any threatened violation or breach. No delay, failure, or omission on the part of Declarant, the Association, or any aggrieved Owner in exercising any right, power, or remedy herein provided shall be construed as an acquiescence thereto or shall be deemed a waiver of the right to enforce such right, power, or remedy thereafter as to the same violation or breach, or as to a

violation or breach occurring prior or subsequent thereto, and shall not bar or affect its enforcement. No right of action shall accrue nor shall any action be brought or maintained by anyone whatsoever against Declarant or the Association for or on account of any failure to bring any action on account of any violation or breach, or threatened violation or breach, by any person of the provisions of this Declaration, the Bylaws, or any rules and regulations of the Association, however long continued.

13.07 Duration.

The provisions of this Declaration shall run with and bind title to the Property, shall be binding upon and inure to the benefit of all Owners and Mortgagees and their respective heirs, executors, legal representatives, successors, and assigns, and shall be and remain in effect for a period of twenty (20) years from and after the date of recording of this Declaration, provided that rights and easements which are stated herein to have a longer duration shall have such longer duration. Upon the expiration of said twenty (20) year period, this Declaration shall be automatically renewed for successive ten (10) year periods. The number of ten (10) year renewal periods shall be unlimited, with this Declaration being automatically renewed and extended upon the expiration of each ten (10) year renewal period for an additional ten (10) year period; provided, however, that there shall be no renewal or extension of this Declaration, if, during the last year of the initial twenty (20) year period or the last year of any ten (10) year renewal period, eighty-five percent (85%) of the total votes of the Association are cast in favor of terminating this Declaration at the end of the then current term and the City consents to same in writing. In the event that the Association votes to terminate this Declaration, an instrument evidencing such termination shall be duly filed, such instrument to contain a certificate wherein the President of the Association swears that such termination was duly adopted by the requisite number of votes. Every purchaser or grantee of any interest in any Property, by acceptance of a deed or other conveyance therefor, thereby agrees that the provisions of this Declaration shall run with and bind title to the Property as provided hereby. Reference in the respective deeds of conveyance or in any mortgage or trust deed or other evidence of obligation or transfer, to the covenants, conditions, restrictions, easements, rights, benefits and privileges of every character contained herein, shall be deemed and taken to be appurtenant to and covenants running with such property, and shall be binding upon any such grantee, mortgagee or trustee and their successors and assigns as fully and completely as though the provisions of this Declaration were fully recited and set forth in their entirety in such documents.

13.08 Perpetuities.

If any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of the Governor of Illinois and the President of the United States.

13.09 Interpretation.

In all cases, the provisions set forth or provided for in this Declaration shall be construed together and given that interpretation or construction which, in the opinion of Declarant or the Board, will best effect the intent of the general plan of development. The provisions hereof shall be liberally interpreted and, if necessary, they shall be so extended or enlarged by implication as to

make them fully effective. The provisions of this Declaration shall be given full force and effect notwithstanding the existence of any zoning ordinance, building codes or other regulations which are less restrictive. The effective date of this Declaration shall be the date of its filing for record. The captions of each Article and Section hereof as to the contents of each Article and Section are inserted only for convenience and are in no way to be construed as defining, limiting, extending, or otherwise modifying or adding to the particular Article or Section to which they refer. This Declaration shall be construed under and in accordance with the laws of the State of Illinois.

13.10 Gender and Grammar.

The singular wherever used herein shall be construed to mean the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations or other entities or to individuals, men or women, shall in all cases be assumed as though in each case fully expressed.

13.11 Severability.

Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid, but if the application of any provision of this Declaration to any person or to any property shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision which can be given effect without the invalid provision or application, and to this end the provisions of this Declaration are declared to be severable.

13.12 Notice of Sale, Lease, or Mortgage.

In the event an Owner sells, leases, mortgages, or otherwise disposes of any Lot or Dwelling, the Owner must promptly furnish to the Association in writing the name and address of such purchaser, lessee, mortgagee, or transferee.

13.13 No Trespass.

Whenever the Association or Declarant and their respective successors, assigns, agents, or employees are permitted by this Declaration to enter upon or correct, repair, clean, maintain, preserve, or do any other action within any portion of the Development, the entering thereon and the taking of such action shall not be deemed to be a trespass.

13.14 Notices.

Notices required hereunder shall be in writing and shall be delivered by hand or sent by United States Mail, postage prepaid. All notices to Owners shall be delivered or sent to such addresses as have been designated in writing to the Association, or if no address has been so designated, at the addresses of such Owners' respective Lots, Commercial Unit or Dwellings. All notices to the Association shall be delivered or sent in care of Declarant at the following address:

**Grande Reserve Community Association
c/o Encore Real Estate Co.**

6880 North Frontage Road, Suite 100
Burr Ridge, IL 60527

or to such other address as the Association may from time to time notify the Owners. "The notices to Declarant shall be delivered or sent to Declarant at the above address or to such other address as Declarant may from time to time notify the Association. Notices to Mortgagees shall be delivered or sent to such addresses as such Mortgagees specify in writing to the Association. All notices are deemed delivered when delivered by hand or when deposited in the United States mail.

13.15 Land Trust.

In the event title to a Lot, Commercial Unit or Dwelling is held by a land trust under which all powers of management, operation and control remain vested in the trust beneficiaries, then the beneficiaries thereunder shall be considered Owners for all purposes hereunder and they shall be responsible for any obligation created under this Declaration against such Lot, Commercial Unit or Dwelling. No claim shall be made against any such title holder trustee personally for any claim or obligation created hereunder and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against any such obligation, but the amount thereof shall continue to be a charge or lien upon the Lot or Dwelling notwithstanding any transfers of beneficial interest or in the title to such Lot or Dwelling.

13.16 Declarant's Rights.

All Declarant's Rights shall be mortgageable, pledge-able, assignable or transferable. The Declarant shall have the right to assign some or all of the Declarant Rights reserved or granted hereunder to Declarant, subject to the following:

(a) Declarant may assign to a Person which acquires title to a portion of the Property the non-exclusive right to exercise some or all of the Declarant Rights, subject to such terms, conditions and limitations as the Declarant shall deem appropriate, in their discretion.

(b) If Declarant conveys all of the Additional Property owned by it to a Person, then the Declarant shall no longer have the right to exercise any Declarant Rights and the person which acquires such portions of the Additional Property from Declarant may become the successor to the Declarant and, if so, shall have the right to exercise all Declarant Rights hereunder, subject to any assignments previously made by the Declarant permitted hereunder.

(c) Any Declarant Rights may be collaterally assigned by the Declarant to a lender which makes a development or construction loan to Declarant with respect to a portion of the Additional Property.

(d) Except as provided in the Declaration, no transfer of Declarant rights shall be effective unless it is in a written instrument signed by Declarant and duly recorded in the Recorder's Office of Kendall County, Illinois.

13.17 Right to Farm.

Kendall County has a long, rich tradition in agriculture and respects the role that farming continues to play in shaping the economic viability of the county. Property that supports this industry is indicated by a zoning indicator – A-1 or Ag Special Use. Anyone constructing a residence or facility near this zoning should be aware that normal agricultural practices may result in occasional smells, dust, sights, noise, and unique hours of operation that are not typical in other zoning area.

13.18 Termination.

No termination of the Association and/or this Declaration shall be effective unless all of the Common Area maintained by the Association has been conveyed to the City or the United City of Yorkville Parks and Recreation and they have accepted same.

13.19 Disclaimer of all Warranties.

Declarant and Developer hereby disclaim and exclude any and all warranties, expressed or implied (including, without limitation, any implied warranty of habitability, merchantability, quality or fitness for particular purpose), with respect to the Properties, Common Areas and the Lots. The Association and any Lot Owner knowingly agree to waive any and all rights that they may have pursuant to the implied warranty of habitability. The Association and Lot Owners acknowledge and agree that the sole warranties that apply to the Properties, Common Areas and the Lots are solely contained within the purchase agreement for the acquisition of the Lot.

13.20 Disclaimer of Other Entities.

Owners and the Association acknowledge and understand that their relationship is with the Declarant pursuant to the written terms of this Declaration, and no other entity notwithstanding anything to the contrary in advertising, promotional or other materials. Owners and the Association acknowledge that they have no claim against any entity including affiliates, subsidiaries, parents or otherwise under common control of Declarant, and Owners and the Association waive and release any such claims, if any.

13.21 Assignments by Declarant.

All rights which are specified by this Declaration to be the rights of the Declarant are assignable, mortgageable, pledgeable or transferable. Any successor to, or assignee of, the rights of the Declarant hereunder (whether as the result of voluntary assignment, foreclosure, assignment in lieu of foreclosure or otherwise) shall hold or be entitled to exercise the rights of the Declarant hereunder as fully as if named as such party herein. No party exercising rights as Declarant hereunder shall have or incur any liabilities for the acts of any other party which previously exercised or subsequently shall exercise such rights.

IN WITNESS WHEREOF, MPI-2 Yorkville Central LLC has caused its name to be signed to these presents by its Manager, this 24th day of January, 2005.

Excepting therefrom any property listed on Exhibit A.

EXHIBIT C

**BYLAWS OF
GRANDE RESERVE COMMUNITY ASSOCIATION**

**ARTICLE I
PURPOSES AND POWERS**

The Association shall be responsible for the general management and supervision of the Common Area and Limited Common Area and shall have all of the powers to perform, and shall be responsible to perform, all of the obligations provided in the Declaration. Further, the Association shall have all powers now or hereafter granted by the General Not For Profit Corporation Act of the State of Illinois which shall be consistent with the purposes specified herein and in the Declaration.

**ARTICLE II
OFFICES**

2.01 Registered Office. The Association shall have and continuously maintain in this State a Registered Office and a Registered Agent whose office shall be identical with such Registered Office. The Association may have other offices within or without the State of Illinois as the Board of Directors may from time to time determine.

2.02 Principal Office. The principal office of the Association shall be initially maintained in Burr Ridge, Illinois.

**ARTICLE III
MEMBERSHIP AND VOTING
RIGHTS IN THE ASSOCIATION:
BOARD OF DIRECTORS OF THE ASSOCIATION**

3.01 Membership. Every Owner of a Dwelling, Commercial Unit or Lot (including the Declarant and Developer) is hereby declared to be a Member of the Association. Membership is appurtenant to and shall not be separated from ownership of such Owner's Dwelling, Commercial Unit or Lot. Each such Owner, by acceptance of a deed or other conveyance of a Dwelling, Commercial Unit or Lot, thereby becomes a Member, whether or not the Declaration or such membership is made a part of, incorporated by reference in, or expressed in said deed or conveyance. There shall be one membership allocable to each Dwelling, Commercial Unit or Lot (herein called a "Unit Membership") and any Member who is the Owner of more than one such Dwelling or Lot shall have the number of Unit Memberships equal to the number of such Dwellings, Commercial Unit or Lots. In the event any Lot may be zoned for a multi-family structure, then the Owner of any such Lot shall have the number of Unit Memberships equal to the number of Dwellings, which may be legally constructed upon such Lot. In the event any Commercial Unit may contain separate commercial spaces, the Owner of any Commercial Units shall have the number of

Unit Memberships equal to the number of commercial spaces, which have a separate certificate of occupancy. (If any Lots or Dwellings are located outside of the Neighborhood Association, all such Lots and Dwellings in each Neighborhood shall be represented in Association means by a delegation composed of three (3) Association Delegates, which delegation shall be elected from the Owners of the Lots and Dwellings within a Neighborhood.) If the record ownership of a Dwelling, Commercial Unit or Lot shall be in more than one (1) person, or if an Owner of a Dwelling, Commercial Unit or Lot is a trustee, corporation, partnership or other legal entity, then the individual who shall enjoy the Unit Membership and be responsible for the obligations attributable thereto, shall be designated by such Owner or Owners in writing.

3.02 Voting Rights. If the Property has Neighborhood Associations, Members shall be represented at Association meetings exclusively through delegates selected in accordance with the provisions of Paragraph 3.03 hereof (herein called "Association Delegates"). Except for Association Delegates appointed by Declarant, each such Association Delegate must be a Member of the Association or a spouse of a Member.

3.03 Selection of Association Delegates. If the Neighborhood Associations have been created, each Neighborhood and Neighborhood Association shall be represented at Association meetings by a delegation composed of three (3) Association Delegates, which delegation shall be composed of the President (or similar designee) of the respective Neighborhood Association and two (2) other Owners or three (3) Owners if the Neighborhood does not have a Neighborhood Association. The board of directors of each Neighborhood Association shall designate the Association Delegates for such Neighborhood Association and fix the rules of administration of that Neighborhood Association's delegation. Each Association Delegate appointed by a Neighborhood must be a member of such Neighborhood. If any Lots or Dwellings are located outside of a Neighborhood Association, all such Lots and Dwellings in each Neighborhood shall be represented in Association meetings by a delegation composed of three (3) Association Delegates, which delegation shall be elected from the Owners of the Lots and Dwellings located within a Neighborhood. If Neighborhood Associations do not exist, the Owners shall elect all directors, and Association Delegates shall not be used. If Association Delegates are used, all references to Members in the Bylaws shall include Association Delegates acting on behalf of the Members.

3.04 Method of Voting. The total number of votes, which may be cast on any matter requiring assent of Members of the Association, shall be equal to the total number of Unit Memberships at the time of any such vote. Whenever a vote of the Members of the Association is required pursuant to the Declaration, or pursuant to the Articles of Incorporation or Bylaws of the Association, or is otherwise required by law, such votes shall be cast only by the Association Delegates representing the respective Members, in the same manner and with the same force and effect as though each Member had given the delegation of Association Delegates which represents such Member's Neighborhood an irrevocable proxy coupled with an interest. The Association Delegates for each such Neighborhood shall collectively cast a total number of votes equal to the number of Unit Memberships, which it represents. Such total number of votes may be cast in such manner as the Association Delegates, acting in accordance with its rules of administration, deem advisable, and the delegation shall not be required to cast all such votes as a unit. Each Association Delegate shall be entitled to cast one-third (1/3) of the total vote of the Unit Memberships it represents. Unless the Declaration or the Articles of Incorporation or these Bylaws of the Association, or any law, shall specify a greater vote, all Association matters requiring action by

Members or by the Association Delegates shall be decided by a majority of the votes cast by Association Delegates voting at a meeting at which a quorum (as defined herein) is present. In the event of a tie, the tie shall be broken by a mediator chosen by the Association Delegates. Should the Association Delegates be unable to reach an agreement on the selection of a mediator, the current Administrator (Manager) of the City shall choose the mediator.

3.05 Board of Directors.

(a) The Association shall be governed by its Board of Directors ("Board") comprised of seven (7) persons duly appointed or elected as provided herein and in the Articles of Incorporation and Bylaws of the Association. The initial Board shall be comprised of five (5) persons duly appointed by the Declarant pursuant to its rights under Section 3.06 hereof, until such time as the initial meeting to elect the first Board occurs.

(b) The Board shall administer the Common Area and Limited Common Area in accordance with the terms and provisions of the Declaration, and in accordance with the Articles of Incorporation and Bylaws of the Association. All matters requiring action by the Board shall be decided by the majority vote of the Board, except as otherwise provided herein or in the Bylaws.

(c) Prior to the appointment of the First Board of the Association pursuant to Paragraph 3.06 hereof, Declarant (or its beneficiary or designees) may exercise all rights, powers and privileges of the Board and may perform all of its functions, including its functions under Article IV of the Declaration.

3.06 Appointment of Directors by Declarant. Notwithstanding any other provisions of the Declaration or the Articles of Incorporation or Bylaws of the Association, the first and each subsequent Board shall consist of, and vacancies on the Board shall be filled by, such persons as Declarant shall from time to time appoint, until the first to occur of any one of the following events: (i) seven (7) years after the recording of the Declaration; (ii) Declarant surrenders such authority by an express amendment to the Declaration executed and recorded by Declarant; or (iii) upon the sale and conveyance of seventy-five (75%) of the Lots, Dwellings and Commercial Units in the Development to persons other than the Declarant or builders holding title for purposes of development and sale. For purposes of this Section 3.06, "Dwellings in the Development" shall refer to all Dwellings within or contemplated to be within the Property and Additional Property. Such right of Declarant to appoint directors to the Board shall be to the exclusion of the right of the Members or the Association Delegates so to do. The Owners, Members or Association Delegates shall not, without the prior written consent of Declarant, have the right to amend, modify or change the Articles of Incorporation or Bylaws of the Association to in any way diminish the authority of the Board during the period that Declarant has the right to appoint any members of the Board. Declarant may, from time to time, by written notice to the Association, voluntarily terminate its right to appoint one or more directors, and continue to exercise its right to appoint the remaining members of the Board for the period hereinabove specified. Declarant's election to terminate its right to appoint any number of members of the Board or to terminate its control of the Association, shall not affect the right of Declarant to participate in the Association as a Member thereof and to appoint Association Delegates to cast the number of votes equal to the number of Dwellings or Lots owned by Declarant. All directors who are not subject to appointment by Declarant shall be elected in

accordance with the provisions of Paragraphs 3.07 and 3.08 hereof.

3.07 Initial Meeting of Association Delegates or Members to Elect Directors. Upon receipt by the President of the Association of a copy of the written notice of Declarant to voluntarily terminate its control of the Association, described in Paragraph 3.06(ii), or of any other appropriate evidence of the termination of Declarant's right to appoint all the directors of the Board, the President (or similar designee) shall promptly convene a meeting of the Association Delegates or Members ("Initial Meeting") for the purpose of electing a new Board or to elect those directors who no longer are to be appointed by Declarant ("First Board").

3.08 Election of Directors. Upon termination of Declarant's right to appoint any of or all the directors of the Board, pursuant to Paragraph 3.06 hereof, those directors not subject to appointment by Declarant shall be selected by vote of the Association Delegates or Members in accordance with the provisions of this Article.

3.09 Transfer of Association Records. Within sixty (60) days following the Initial Meeting of the Association Delegates, the Declarant shall deliver to the Board:

(a) all original documents as recorded or filed pertaining to the Property, its administration, and the Association, such as the Declaration, Articles of Incorporation, Bylaws other instruments, annual reports, minutes and rules and regulations, contracts, leases or other agreements entered into by the Association. If any original documents are unavailable, a copy may be provided if certified by affidavit of the Declarant, or an officer or agent of the Declarant, as being a complete copy of the actual document recorded as filed;

(b) a detailed accounting by the Declarant, setting forth the source and nature of receipts and expenditures in connection with the management, maintenance and operation of the Property and copies of all insurance policies and a list of any loans or advances to the Association which are outstanding;

(c) Association funds, which shall have been at all times segregated from any other monies of the Declarant;

(d) a schedule of all real or personal property, equipment and fixtures belonging to the Association, including documents transferring the Common Area or any part thereof, warranties, if any, for all real and personal property and equipment, deeds, title insurance policies and all tax bills; and

(e) a list of all litigation, administrative action and arbitrations involving the Association, any notices of governmental bodies involving actions taken or which may be taken concerning the Association, engineering drawings and specifications as approved by any governmental authority, all governmental certificates, correspondence involving enforcement of any Association requirements, copies of any documents relating to disputes involving Owners and originals of all documents relating to everything listed in this Section 3.09.

3.10 Informal Action by Directors. Unless specifically prohibited by the Articles of Incorporation or Bylaws of the Association, any action required by the Declaration to be

taken by the Board may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all the directors of the Board entitled to vote with respect to the subject matter thereof. Any such consent signed by all the directors of the Board shall have the same effect as a unanimous vote.

3.11 Informal Action by Association Delegates. Any action required by the Declaration to be taken at a meeting of the Association Delegates, or any other action which may be taken at a meeting of the Association Delegates may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all the Association Delegates entitled to vote with respect to the subject matter thereof. Such consent shall have the same force and effect as a unanimous vote of the Association Delegates.

3.12 Board Liability. The Declarant (and its beneficiary), Developer, its directors, officers, shareholders, partners, employees or agents, the Board, members of the Board, officers of the Association, and the agents and employees of any of them (all of the above hereinafter referred to as the "Protected Parties"), shall not be liable to the Owners or any other person for any mistake of judgment or for any acts or omissions of any nature whatsoever in their respective positions which shall occur subsequent to the date of the recording of the Declaration, except for such acts or omissions found by a court of competent jurisdiction to constitute willful misfeasance, gross negligence or fraud. The Owners shall indemnify, hold harmless, protect and defend any and all of the Protected Parties against all claims, suits, losses, damages, costs and expenses, including, without limitation, attorneys' fees and amounts paid in reasonable settlement or compromise incurred in connection therewith. Each Owner shall be entitled to a right of contribution from every other Owner in respect of said indemnity to the end that, to the extent possible, the burden of any such indemnity shall be borne by the Owners at the time the loss, cost, damage or expense is incurred in the proportion that the number of Dwellings, Commercial Units or Lots in the Property owned by each respective Owner bears to the total number of Dwellings, Commercial Units or Lots in the Property at the time the loss, cost, damage or expense is incurred. The Board shall assess each Owner for his share of the cost of such indemnification, and such assessment shall be collectible and enforceable in mode and manner as set forth in Article V hereof. To the extent possible the obligation of the Owners for indemnification and the Board's liability hereunder shall be insured by means of appropriate contractual endorsements to the comprehensive general liability insurance policies held from time to time by the Association.

3.13 Not-for-profit Purposes of Association. Nothing herein shall be construed to give the Association authority to conduct an active business for profit on its own behalf or on behalf of the Members, or on behalf of the Declarant.

3.14 Governing Law. Except as otherwise provided in the Declaration, the Association, the Board, officers and members shall be governed by the Illinois General Not For Profit Corporation Act.

3.15 Board as Representative of Owners. The Board shall have standing and capacity to act in a representative capacity in relation to matters involving the Common Area and Limited Common Area or more than one Dwelling, Commercial Units or Lot, on behalf of the Owners as their interests may appear.

3.16 Compensation. Members of the Board shall receive no compensation for their services, unless expressly allowed by the Board at the direction of the Members having two-thirds (2/3) of the total votes. However, any director may be reimbursed for reasonable expenses incurred in the performance of his duties.

3.17 Vacancies in Board. Vacancies in the Board, other than as a result of removal pursuant to Paragraph 3.07 hereof, including vacancies due to any increase in the number of persons on the Board, shall be filled by the remaining members of the Board or by the Members present at the next annual meeting or at a special meeting of the Members called for such purpose.

3.18 Election of Officers. The Board shall elect from among its members a President who shall preside over both its meetings and those of the Members, and who shall be the chief executive officer of the Board and Association, a Secretary who will keep the minutes of all meetings of the Members and of the Board who shall, in general, perform all the duties incident to the office of Secretary, and a Treasurer to keep the financial records and books of account, and such additional officers as the Board shall see fit to elect. All officers shall be elected at each annual meeting of the Board and shall hold office at the pleasure of the Board.

3.19 Removal of Board Members. Any Board member may be removed from office by affirmative vote of the Members having at least two-thirds (2/3) of the total votes, at any special meeting called for the purpose in the manner aforesaid. A successor to fill the unexpired term of a Board member removed may be elected by the Members at the same meeting or any subsequent meeting called for that purpose.

3.20 Meeting of the Board. The initial meeting of the Board shall be held immediately following the initial meeting of the Members and at the same place. At such meeting the Board shall elect its officers to serve until the first annual meeting of the Board, which shall be held immediately following the first annual meeting of the Members and at the same place. All subsequent annual meetings of the Board shall be held without other notice than provided in the By-Law immediately after and at the same place, or other place, as the annual meeting of Members. Special meetings of the Board shall be held upon call by the President or by a majority of the Board on not less than forty-eight (48) hours notice in writing to each member, delivered personally or by mail or telegram. Any member may in writing waive notice of a meeting, or consent to the holding of a meeting without notice, or consent to any action of the Board without a meeting. A majority of the number of Board members shall constitute a quorum for the transaction of business. Unless otherwise expressly provided herein, any action may be taken by the Board upon the affirmative vote of those present at its meetings when a quorum is present.

3.21 Execution of Instruments. All agreements, contracts, deeds, leases, vouchers for payment of expenditures, and other instruments shall be signed by such officer or officers, agent or agents of the Board and in such manner as from time to time shall be determined by written resolution of the Board. In the absence of such determination by the Board, such documents shall be signed by the President and countersigned by the Secretary.

ARTICLE IV
POWERS OF THE BOARD

4.01 General Powers of the Board. Without limiting the general powers, which may be provided by law, the Declaration or these Bylaws, the Board shall have the following general powers and duties:

- (a) to elect the officers of the Association as hereinabove provided;
- (b) to administer the affairs of the Association and the Common Area and Limited Common Area;
- (c) subject to Section 4.04(b) below, to engage the services of a manager or managing agent who shall manage and operate the Common Area;
- (d) to formulate policies for the administration, management and operation of the Common Area and Limited Common Area;
- (e) to adopt administrative rules and regulations governing the administration, management, operation and use of the Common Area and Limited Common Area, and to amend such rules and regulations from time to time;
- (f) to provide for the maintenance, repair and replacement of the Common Area and Limited Common Area and payments therefor, and to approve payment vouchers or to delegate such approval to the officers or the manager or managing agent;
- (g) to provide for the designation, hiring and removal of employees and other personnel, including accountants and legal counsel, and to engage or contract for the services of others, and to make purchases for the maintenance, repair, replacement, administration, management and operation of the Common Area and Limited Common Area and to delegate any such powers to the manager or managing agent (and any such employees or other personnel as may be the employees of the managing agent);
- (h) to estimate the amount of the annual budget, and to provide the manner of assessing and collecting from the Owners of such Lots which have been occupied for residential purposes and the Owners of Commercial Units which have been occupied for commercial purposes, their respective shares of such estimated expenses, as hereinafter provided; and
- (i) to exercise all other powers and duties vested in or delegated to the Association, and not specifically reserved to the Owners by the Articles of Incorporation, the Declaration or these Bylaws.

4.02 Capital Additions and Improvements. The Board's powers hereinabove enumerated shall be limited in that the Board shall have no authority to acquire and pay for out of the maintenance fund any structural alterations, capital additions or capital improvements to the Common Area (other than for purposes of replacing or restoring portions of the Common Area, subject to all the provisions of the Declaration) or to those portions of the Commercial Units and

Dwellings as set forth in Section 5.01 of the Declaration having a total cost in excess of Ten Thousand Dollars (\$10,000.00), without in each case the prior approval of the Association Delegates or Members holding two-thirds (2/3) of the total votes.

4.03 Tax Relief. In connection with the Common Area, the Board shall have the power to seek relief from or in connection with the assessment or levy of any real property taxes, special assessments and any other special taxes or charges of the State of Illinois or any political subdivision thereof, or any other lawful taxing or assessing body, which are authorized by law to be assessed and levied on real property and to charge all expenses incurred in connection therewith to the maintenance fund.

4.04 Rules and Regulations, Management

(a) Rules. The Board may adopt such reasonable rules and regulations as it may deem advisable for the maintenance, conservation and beautification of the Property, and for the health, comfort, safety and general welfare of the Owners and Occupants. Written notice of such rules and regulations shall be given to all Owners and Occupants, and the entire Property shall at all times be maintained subject to such rules and regulations.

(b) Management. The Declarant or the Board shall engage the initial management organization under contracts expiring not later than the date the Initial Meeting of Association Delegates is held ("Transfer Date"). Thereafter, the Board may engage the services of an agent to manage the Property to the extent deemed advisable by the Board provided, however, that if the Association, Declarant or Board shall enter into an agreement or agreements for the professional management of the Property before the Transfer Date, such agreement or agreements shall be terminable by the Association without cause at any time after the Transfer Date and shall not require the payment of any penalty by the Association and shall not require advance notice of termination of more than sixty (60) days. Any management fees incurred pursuant to this Section 4.04(b) shall be paid from the Assessments collected pursuant to the Declaration.

(c) Nothing hereinabove contained shall be construed to give the Board authority to conduct an active business for profit on behalf of all of the Owners or any of them.

4.05 Liability of the Board of Directors. The members of the Board and the officers of the Association shall not be personally liable to the Owners or others for any mistake of judgment or for any acts or omissions made in good faith by such officers or Board members. The Owners shall indemnify and hold harmless each of the members of the Board and each of the officers against all contractual liability to others arising out of contracts made by the Board or officers on behalf of the Owners unless any such contract shall have been made in bad faith or contrary to the provisions of the Declaration. The liability of any Owner arising out of any such contract made by the Board or officers or out of the aforesaid indemnity in favor of the members of the Board or officers, to the extent not covered by insurance, shall be limited to his or her proportionate share of the total liability thereunder.

ARTICLE V
COVENANTS FOR MAINTENANCE ASSESSMENTS

5.01 Creation of the Lien and Personal Obligation. Each Owner of a Dwelling, Commercial Unit or Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance for each Dwelling, Commercial Unit or Lot owned by such Owner, hereby covenants and agrees and shall be deemed to covenant and agree to pay to the Association such Assessments as are levied pursuant to the provisions of the Declaration and the Bylaws of the Association. Such Assessments, together with interest thereon and cost of collection, if any, as hereinafter provided, shall be a charge and continuing lien upon the Dwelling, Commercial Unit or Lot against which such Assessment is made. Each such Assessment together with such interest and costs, shall also be the personal obligation of the Member who was the Owner of such Dwelling, Commercial Unit or Lot at the time when the same fell due.

ARTICLE VI
COVENANTS AND RESTRICTIONS AS TO USE AND OCCUPANCY

All Owners shall maintain, occupy and use their Lots, Commercial Units Dwellings and the Common Area and Limited Common Area only in accordance with the terms of the Declaration and any additional rules and regulations adopted by the Board or by the Members.

The Board shall have full authority to enforce all such rules and regulations by taking all action as may be necessary.

ARTICLE VII
COMMITTEES

7.01 Board Committees. The Board, by resolution adopted by a majority of the directors in office, may designate one (1) or more committees, each of which shall consist of one (1) or more directors; said committees, to the extent consistent with law and as provided in said resolution, shall have and exercise the authority of the Board in the management of the Association; but the designation of such committees and the delegation thereof of authority shall not operate to relieve the Board, or any individual director, of any responsibility imposed upon it or him by law.

7.02 Special Committees. Other committees not having and exercising the authority of the Board in the management of the Association may be designated by a resolution adopted by a majority of the directors present at a meeting at which a quorum is present. Except as otherwise provided in such resolution, members of each such committee shall be Members, and the President of the Association shall appoint the members thereof. Any member thereof may be removed whenever in the Board's judgment the best interests of the Association shall be served by such removal.

7.03 Term. Each member of the committee shall continue as such until the next annual meeting of the Board and until his successor is appointed and shall have qualified, unless the committee shall be sooner terminated, or unless such member shall cease to qualify as a member thereof.

7.04 Chairman. One (1) member of each committee shall be appointed chairman.

7.05 Vacancies. Vacancies in the membership of any committee may be filled by appointment made in the same manner as provided in the case of the original appointments.

7.06 Quorum. Unless otherwise provided in the resolution of the Board designating a committee, a majority of the whole committee shall constitute a quorum and the act of a majority of the members present at a meeting at which a quorum is present shall be the act of the committee.

7.07 Rules. Each committee may adopt rules for its own government not inconsistent with these Bylaws or with rules adopted by the Board.

ARTICLE XIII **INTERIM PROCEDURE**

Until the Initial Meeting of the Members or Association Delegates, the Declarant (or its designee) may appoint the Board which shall have the same powers and authority as given to the Board generally.

ARTICLE IX **AMENDMENTS**

These Bylaws may be amended or modified from time to time by an instrument signed by those Members entitled to cast fifty-one percent (51%) of the total votes in the Association. Such amendments shall be recorded in the Office of the Recorder of Kendall County, Illinois.

ARTICLE X **DEFINITION OF TERMS**

The terms used in these Bylaws shall have the same definition as set forth in the Declaration to which these Bylaws are attached to the extent such terms are defined therein.

EXHIBIT D

COMMON AREA LEGAL DESCRIPTION

Legal Description of the Land

Lot 3000 of the Final Plat of Grande Reserve, Unit One, being a subdivision of part of the North Half of Section 23 and Part of the South Half of Section 14, Township 37 North, Range 7 East of the Third Principal Meridian, all in Kendall County, Illinois, as per plat thereof recorded in Kendall County, Illinois on July 29, 2004 as Document No. 200400020975.

Lots 3001, 3002 and 3003 of the Final Plat of Grande Reserve, Unit Two, being a subdivision of part of the North Half of Section 23 and Part of the South Half of Section 14, Township 37 North, Range 7 East of the Third Principal Meridian, all in Kendall County, Illinois, as per plat thereof recorded in Kendall County, Illinois on July 29, 2004 as Document No. 200400020976.

Lots 3005 and 3006 of the Final Plat of Grande Reserve, Unit Three, being a subdivision of part of the North Half of Section 23, Part of the Southeast Quarter of Section 15 and part of the South Half of Section 14, Township 37 North, Range 7 East of the Third Principal Meridian, all in Kendall County, Illinois, as per plat thereof recorded in Kendall County, Illinois on August 17, 2004 as Document No. 200400023004.

Lot 3007 of the Final Plat of Grande Reserve, Unit Four, being a subdivision of part of the Southeast Quarter of Section 15 and part of the South Half of Section 14, Township 37 North, Range 7 East of the Third Principal Meridian, in Kendall County, Illinois, as per plat thereof recorded in Kendall County, Illinois on August 17, 2004 as Document No. 200400023005.

Lot 3008 of the Final Plat of Grande Reserve, Unit Five, being a subdivision of part of the Southeast Quarter of Section 14, Township 37 North, Range 7 East of the Third Principal Meridian, all in Kendall County, Illinois, as per plat thereof recorded in Kendall County, Illinois on August 17, 2004 as Document No. 200400023006.

Lots 3009, 3010 and 3012 of the Final Plat of Grande Reserve, Unit Seven, being a subdivision of part of Section 14, Township 37 North, Range 7 East of the Third Principal Meridian, all in Kendall County, Illinois, as per plat thereof recorded in Kendall County, Illinois on August 17, 2004 as Document No. 200400023008

Lot 3014 of the Final Plat of Grande Reserve, Unit Eight, being a subdivision of part of Sections 11 and 14, Township 37 North, Range 7 East of the Third Principal Meridian, all in Kendall County, Illinois, as per plat thereof recorded in Kendall County, Illinois on August 17, 2004 as Document No. 200400023009.

CONSENT OF MORTGAGEE

LENDER Bank, LaSalle Bank, National Association, holder of a Mortgage on the Property legally described on Exhibit A attached hereto, hereby consents to the execution and recording of the within Declaration of Covenants, Conditions and Restrictions for Grande Reserve Community Association and agrees that said Mortgage is subject thereto provided the prior written consent of LaSalle Bank, National Association shall be necessary for any action of Declarant pursuant to Section 2.05 and 2.06.

IN WITNESS WHEREOF, John G. Arnold has caused this Consent of Mortgage to be signed by its duly authorized officers on its behalf; all done at Naperville on this 24 day of January, 2005.

LASALLE BANK, NATIONAL ASSOCIATION

By: [Signature]
Its: John G. Arnold, EVP

ATTEST:

[Signature]
Its: Thomas Borow, VP

STATE OF ILLINOIS)
COUNTY OF Wpage) SS.

I, Veronica Camarillo, a Notary Public in and for County and State aforesaid, do hereby certify that John Arnold, as First Vice President of LaSalle Bank N.A. and Thomas Borow as Vice President, thereof, personally known to me to be the same persons whose names are subscribed to the foregoing instrument as such John Arnold and Thomas Borow, respectively, appeared before me this day in person and acknowledged that they signed and delivered the said instrument as their own free and voluntary act, and as the free and voluntary act of said Bank, for the uses and purposes therein set forth.

Given under my hand and Notarial Seal this 24 day of January, 2005.

Veronica Camarillo
Notary Public

Introduction

Architectural Standards Overview

All Dwellings proposed for construction in Grande Reserve are subject to the review and approval of the Architectural Review Committee (ARC). The ARC will review and approve all aspects of new construction (and later modifications) of the Dwelling and all exterior improvements, including but not limited to: patios and decks, fences, accessory buildings, play structures, landscape improvements, fountains and other exterior construction.

Architectural Standards are established to ensure and implement consistent and high quality design standards. They will serve as a framework for design concepts, and provide performance and quality standards that will guide the design and construction of the variety of housing types in Grande Reserve.

No Dwelling may be started without the written final approval from the ARC of the building plans and specifications. The specifications must include a scalable site plan developed by a professional engineer showing the Dwelling and driveway location, building elevations, a complete list of exterior siding, trim and roofing materials and colors, and a complete set of working drawings of the Dwelling.

The Declarant reserves the right to revise and update the design criteria as well as the performance and quality standards at any time in order to respond to future community requirements.

These Architectural Standards apply to specific Neighborhoods and Lots within Grande Reserve. Please review **Exhibit 1** of these guidelines to verify that these are the correct specifications for your Lot.

Section One: Review Process

Architectural Review Committee

The Architectural Review Committee (ARC) shall consist of persons appointed by the Declarant until all new Dwellings within the project have been completed or the Declarant elects to assign its ARC responsibilities to others.

Functions of the Committee

1. The ARC will evaluate each of the Dwellings proposed for construction to assure conformity with the design criteria, performance and quality standards set forth in the Architectural Standards as well as compatibility with the adjoining sites and common spaces.

2. If conflicts arise between the submitted application and the Architectural Standards, the ARC shall have the sole discretion to interpret the standards and render a decision.
3. The ARC has the right to grant variances from the Architectural Standards in accordance with the Declaration of Covenants, Conditions and Restrictions (CCRs).
4. The ARC has the right to monitor and oversee the design and construction process to insure conformance with the approved plans and the standards set forth in the Architectural Standards.
5. The ARC shall review and respond to each submittal within thirty (30) days. Unapproved submissions shall be returned to submitter for revision and resubmittal. All approvals and disapprovals will be in writing.

Architectural Review Submittal Requirements

A complete design submittal to the Architectural Review Committee shall include the following:

1. A scalable survey of the Lot at a minimum scale of 1"=20'. Base data pertaining to Lot lines, topography, easements, existing significant vegetation etc., including all existing trees, are to be shown on the survey.
2. Site plan at a minimum scale of 1"=20' showing property lines, building location and footprint, driveway and easements for Lot utilities.
3. Building floor plans, sections and all elevations at a scale not less than 1/8"=1'.
4. Exterior building materials and color scheme including exterior brick, dryvit or siding type and color, roof type and color, trim color and accent colors.

The appropriate page(s) of the "Architectural Review Committee Submittal Form" must accompany all submissions. (Form found in Exhibit 2). The ARC reserves the right to take as many as 30 days to approve or disapprove any submissions.

Modifications Committee

The Modifications Committee (MC) shall have exclusive jurisdiction over modifications, additions, or alterations made on or to existing Dwellings in accordance with the Declarations. All modification requests must be submitted using the "Modifications Committee Submittal Form" found in Exhibit 3. The MC and ARC may consist of the same individuals, at the Declarant's discretion.

Ordinance and Standards

Architectural Review Committee or Modifications Committee approval does not substitute for, or insure, compliance with the requirements of all public agencies having jurisdiction over the project, including but not limited to the United City of Yorkville. Each Developer, builder and Owner must comply with all zoning regulations, agreements and ordinances established by the United City of Yorkville and applicable at the time of purchase and development.

Any changes required to comply with applicable municipal codes that are subsequent to the ARC's final approval must be resubmitted to the ARC for its approval. The ARC may request a meeting to discuss modifications of the drawings or the specifications.

Liability and Responsibility

Neither the Declarant, the Association, nor the Architectural Review Committee, nor any member thereof, shall be liable for any damage, loss or prejudice suffered or claimed by any Owner or contractor who submits such plans and other materials required by Exhibits 2 or 3 on account of (a) any defects in any plans or specifications submitted revised or approved in accordance with the foregoing provisions; (b) any structural or other defects in any work done according to such plans and specifications; (c) the approval or disapproval of any plans, drawings and specifications, whether or not defective; (d) the construction or performance of any work, whether or not pursuant to approved plans, drawings and specifications, and (e) the development of any real estate within the Development. Any person submitting plans to the Architectural Review Committee or Modifications Committee shall hold the Declarant, the Association, the Architectural Review Committee and Modifications Committee, and any member thereof, harmless from all damage, loss or prejudice suffered or claimed by any third party, including attorney's fees incurred.

Section Two: Single Family Detached Standards

Site Standards

The Declarant has provided a master grading plan in addition to other planning and implementation guidelines and procedures, in an effort to minimize alteration to the land and impact to the ecosystems. Care shall be taken to preserve vegetation, topography and the natural grades and drainage systems. This philosophy must be followed at all levels of development.

All Lot grading and top of foundation elevations must be planned and constructed in accordance with the Final Engineering Plans approved by the United City of Yorkville. The ARC must approve any deviations from the master grading plans, for any Lot, in writing.

Builders must submit as-built final site grading plans for all Lots in Grande Reserve for review prior to the installation of landscaping. These plans must be approved final subdivision engineering plans.

Monotony Controls

The monotony controls exist to prevent duplicate Dwellings from being built in close proximity to each other. They are not designed to preclude all similarities between Dwellings.

Dwellings shall be sited and oriented to best take advantage of views and open space. View orientation towards other Dwellings shall be avoided wherever possible.

Staggering building setbacks from road right of ways should be utilized to provide variety and eliminate a regimented and monotonous streetscape. Staggering portions of the facades of individual units is also encouraged to achieve a similar effect.

Front Elevations and Color Schemes

To encourage diversity and add visual interest to the streetscape, Dwellings shall be required to have sufficient differences in both front elevation and color schemes to make them significantly different from each other. The code applies to the following situations:

1. Two Dwellings on each side of a proposed Dwelling that all face the same street.
2. The Dwelling directly across the street from a proposed Dwelling.
3. One Dwelling on each side of the Dwelling directly across the street from the proposed Dwelling.

4. On small, tight cul-de-sac circles, any Dwelling that faces or is diagonally across the cul-de-sac from a proposed Dwelling.

Approved color variations shall be within a family or range of aesthetically complementary and compatible colors. The Architectural Review Committee shall also evaluate the proposed building trim colors and their relationship to the main field color.

House Styles

Housing types or styles should not be repetitive from Lot to Lot along a neighborhood street. Rather, a variety of Dwellings are encouraged. Specific monotony controls can be found on Pages 4-6 of these Architectural Standards. No building shall exceed a height of two and one half (2 ½) stories or 35 feet.

Dwellings – Minimum Square Footage

Dwellings shall have the following minimum square footage requirements. Square footage is limited to heated and air-conditioned space, exclusive of porches, garages, decks and basements:

Two story	2,600 square feet of Living Space
One & ½ story	2,300 square feet of Living Space
One story	2,000 square feet of Living Space

Exterior Siding Materials

Materials must meet one of the following criteria:

- a) Not less than 50% of front elevation shall be masonry, including brick and stone but excluding concrete block, split face block, stucco, or similar material. This measurement excludes front window and door opening dimensions,
 - b) 100% of front elevation may be stucco or similar material such as "Dryvit."
 - c) 100% of front elevation may be cedar siding (or cementitious wood fiber siding) if all four elevations (front, both sides, and rear) are entirely cedar siding (or cementitious wood fiber siding).
1. All brick, all cedar, and combinations of brick and cedar are acceptable.
 2. All EIFS (Dryvit), with no combination of other materials. Soffit and fascia of other approved materials are acceptable.
 3. Vinyl siding providing at least 50% of the front elevation is Masonry, including returns but excluding bays, dormers and alcoves. Cantilevers and recessed walls above the first floor need not be masonry, as determined at the discretion of the Architectural Review Committee.

4. Fireplace chimneys may be all masonry or all vinyl. EIFS (Dryvit) dwellings may have EIFS (Dryvit) fireplace chimneys.
5. All other materials not noted as approved in this section must be presented to the Architectural Review Committee for approval.
6. Siding colors are restricted to whites, grays, beiges, and earth tones only.

Roof Specifications

Most traditional roofing materials are permitted including 3 tab asphalt and fiberglass, as well as cedar shake and slate shingles. Roof colors may be identical to all adjacent dwellings. All roof colors must be in darker shades of browns, grays and blacks. Bright or light colors are not allowed. Red and green shingle roofs are specifically prohibited. (Submittal form found in Exhibit 2).

Roof pitch must be a minimum of 7/12. The ARC will entertain lower roof pitches, provided that they are, in the sole opinion of ARC, essential to maintain the design of the Dwelling.

Skylights are not permitted on front roof elevations.

Mailboxes

Mailboxes in Grande Reserve are all required to be exactly the same style, shape and color. A detailed drawing of the required mailbox is located in Exhibit 4, along with a recommended vendor. **All mailboxes must be installed by the builder or mailbox vendor prior to closing with the end buyer.** If any mailbox is damaged after installation, the homebuyer is responsible for replacing the mailbox with an identical box as indicated in Exhibit 4.

Garages

Each Dwelling shall have as a minimum an attached two (2)-car garage connected to the street by an asphalt, concrete, or better driveway. Detached garages are not permitted. Maximum of three (3) car attached garages may use front load or side load garage, where applicable. No parking pads are allowed.

Driveways

Driveways shall be installed within the first year of occupancy. The driveway surface may be poured concrete, bomanite, brick, modular pavers or asphalt. No gravel, screenings or other loose materials are permitted. Every driveway shall provide positive drainage away from the Dwelling and garage. The minimum driveway length allowed is 25'. The maximum width allowed is 21' at the public sidewalk. This includes side-load garages. Driveways serving 3 car garages must taper to 21' maximum width at the public sidewalk with a reasonable flare at the curb.

All side-load garages require driveways to be a minimum of 21 feet wide from the face of the garage to the side property line on the garage side. The driveway pavement must be a minimum of 1 foot from the side property line.

Landscape

Builders and/or Owners are responsible for installing sod and foundation landscaping on the Lots. The sod shall be installed as soon as reasonably practical to avoid unsightly appearance and any soil erosion. For instance, sod should be installed after completion of the exterior improvements of a Dwelling, weather permitting, even if the interior work is not yet complete. In any event, the sod or foundation landscaping shall be installed no later than:

- upon the earlier of (a) eight months after issuance of a building permit for the Dwelling or (b) prior to the closing of the Dwelling with an Owner subject to extensions only as made necessary by the weather, **if installed by the Builder;**
- no later than thirty (30) days after the date of occupancy, subject to extensions only as made necessary by the weather, **if installed by the Owner.**

In no event shall sod be installed later than one hundred eighty (180) days after the issuance of any occupancy permit by the United City of Yorkville. If construction of a Dwelling has not been commenced and a building permit not been obtained, the builder and/or Owner shall keep the Lot mowed at all times and reasonably free of weeds and other vegetation, except for grass.

All front, side, and rear yards shall be sodded, including all parkway areas. The builder and/or Owners are responsible for the initial installation of parkway trees for each Lot at Grande Reserve. The builder and/or Owners are responsible for the maintenance and replacement of parkway trees. Minimums of two parkway trees are required for corner Lots and one parkway tree for all interior Lots, which must meet the specifications of the United City of Yorkville Tree Ordinance and the Annexation Agreement.

Foundation plantings shall be concentrated at the front of the Dwelling with living plant material equal to a minimum of \$1,500.00. For key lots (in Neighborhood Fourteen, Lots 228, 260, 261, 272, 273, 283, 293, 294, 302, 311, 313, 314, 321, 322, 329, 330, 336, and 343 and in Neighborhood Fifteen, Lots 428, 433, 439, 453, 454, 466, 482, and 490), supplementary foundation plantings are required for any side yard without an adjacent Lot, equal to an additional \$1,000.00 of installed living plant material. Drawings detailing the suggested landscape plans are found in **Exhibit 5**. The landscaping budget is for living plant material only and shall not include mulch, timbers, pavers, river stone, fencing, retaining walls, etc. Placement of landscaping materials must not interfere with established drainage patterns between Lots.

Landscape Easements

Easements have been provided to buffer some adjacent roadways. No buildings, fences, driveways or permanent structures shall be constructed within landscape easements, which may be labeled on the plats as outlots or common area.

Tree Preservation

No trees greater than four (4) inches in diameter may be removed without the express written approval of the Architectural Review Committee or Modifications Committee. Locations, sizes, and species of all existing trees must be shown on Lot surveys and building site plans submitted for review.

Deck and Patio Installation Specifications

All proposed deck/patio installations must be submitted to and approved by the Architectural Review Committee or Modifications Committee prior to installation. (Forms found in Exhibits 2 and 3). All installations must also follow specifications required under the United City of Yorkville's Ordinances.

The following information must be included with each submittal:

1. A plat of survey with the Dwelling footprint indicating the exact location, size, and distance from side and rear property lines of the proposed deck/patio installation. Hand drawn sketches of Lot boundaries are not acceptable.
2. The complete dimensioned construction details of the deck/patio including: size, type and dimensions of lumber and other materials, finish, style, height from ground to baseboard, and vertical elevation details of all railings, seats, privacy walls and stairs.

No deck/patio construction can extend into an easement or side-required setback. No deck shall be constructed within 15 feet of a rear Lot line. Decks more than 18" above grade must have latticed screening under the deck unless the deck is located above a walkout basement, for which lattice is not required.

The installation of a deck or patio shall not change the grading or affect the drainage of any given lot and shall conform to the approved master grading plan.

Fence Specifications

Fences adjacent to the Common Areas, backing to the public spaces, parks or roads shall all have one style of fence, which is shown and described in detail in Exhibit 6.

All proposed fence installations must be submitted to and approved by the ARC/MC prior to installation. (Forms found in Exhibits 2 and 3). Only the following type of fencing is approved:

Material	Smooth finished cedar. (Rounded, rough finished, stockade type pickets and chain-link fences are not allowed.)
Maximum Height	5 feet (Measured from ground to highest point of fence not including posts.)
Minimum Vertical Board Width	4 inches – Milled lumber. (Actual measurement = approx. 3 ½" to 3 ¾ "
Spacing between Vertical Board	Not more than 2 ½ inches between boards.
Fence Styles	Spaced picket, board on board, solid board, or traditional.
Top Styles	Arched, scalloped (concave), dog-eared, straight or French Gothic picket.
Post Styles	French Gothic, Gothic, traditional cap, or acom.
Finish	Left natural, stained natural, or painted white.

Rules for Fence Installation

1. Fences are allowed only in the rear yard and from the rear corners of the Dwelling forward to the front corners of the Dwelling. Except for approved

small decorative fences, the front yard areas forward of the front corners of the Dwelling may not be fenced.

2. Fences cannot be placed on landscape easements. Fences may extend into utility easements at the Owner's risk.
3. Fence locations on corner Lots may be further restricted due to side yard visibility constraints, side yard set back restrictions, and the location of Dwellings on adjoining property. Corner Lots will be handled on a case-by-case basis. You may request specific information on corner Lot setbacks prior to submittal of a plan.
4. The decorative side of the fence should face out to the public. Fences must be placed so the outside face of the fence is inside the property line. All fencing must be installed with the horizontal railings on the interior, Lot side of the fence.
5. Fence requirements in Grande Reserve may vary from those contained in the United City of Yorkville fence ordinance.
6. Fence must be maintained in good condition.

Accessory Buildings

All greenhouses, gazebos, playhouses and other freestanding structures (accessory buildings) are subject to the United City of Yorkville ordinances and must also fully comply with the Architectural Standards. **Storage Sheds are permitted only under the following conditions: a) Only one storage shed is allowed per Lot or Dwelling, b) roof pitch is equivalent to the dwelling's roof pitch and shingles match, c) colors are the same as the Dwelling, d) it has a poured concrete foundation, e) mimics the façade of the existing Dwelling on the Lot, f) the yard on which a storage shed is constructed is completely fenced according to fence regulations stated above, and g) it is maintained in good condition.** The ARC's written approval must be received prior to construction. Freestanding accessory buildings must be consistent with the style and exterior appearance of the existing Dwelling and meet the following specifications to receive approval of the ARC:

1. Exterior materials: glass, lapped wood siding, or lapped cedar, vinyl or aluminum siding. (Plywood panels, T-111 wood or metal-sided shed of any size or style are not allowed.)
2. Colors: Siding and roofing materials must match the existing Dwelling on the Lot as closely as possible.

Note: The ARC may approve variations to the above specifications when, in the sole and exclusive discretion of the ARC, they are warranted by unique facts or circumstances.

The following items must be supplied for submittal to the ARC:

1. A Plat of Survey indicating the location of your Dwelling on the Lot. On this Plat of Survey, locate the proposed accessory building in relationship to the existing Dwelling and all adjacent property lines. Must be drawn to scale and be fully dimensioned.
2. A color photo, brochure or scaled drawing showing what the new structure will look like.

Recreational Items

Play equipment other than basketball standards shall be allowed but are restricted to rear yards. All play equipment must be submitted and be approved by the ARC/MC prior to installation.

Basketball Standard Installation Specifications

All proposed basketball standard installations must be submitted to and approved by ARC prior to installation. (See submittal form in Exhibit 3). The only type of basketball standard approved in Grande Reserve includes a backboard made of clear acrylic in a rectangular or fan shape. Backboards may not contain team or advertising logos, bright colors or any type of advertising, other than the manufacturer's company identification logo. Portable basketball assemblies are permitted within the guidelines described herein. **Backboards above the garage door are prohibited.** Only black metal poles are allowed and must be installed in a location based on one of the following: 1) at a minimum of 15 feet from the Lot side of the public sidewalk and along the outside edge of your driveway, or 2) as part of a portable model, or 3) rear yard installations may be approved on a case-by-case basis. No other front yard and no side yard locations will be allowed.

Note: Clear backboards and black poles tend to blend into their surroundings and are less noticeable, providing a neat, uniform appearance throughout the entire community.

Information Needed with Submittal

A plat of survey must be submitted with your Dwelling footprint indicating the exact location of the proposed basketball standard on your Lot. Also identify any nearby flowers or bushes on neighboring Lots which could be impacted by your installation and identify how you will protect them.

Submit the complete details of your proposed basketball standard including photographs or catalog cut sheets of the exact make and model you propose to install. Please use submittal form found in **Exhibit 3**.

Flags

Flags may be displayed on poles mounted on the fronts of Dwellings. Flags may not exceed 3' x 5' in size. Freestanding flagpoles are not allowed.

Lighting

Decorative wrought iron coach lights, not exceeding 6' in height, are allowed.

Any exterior Dwelling lighting, for security or aesthetic purposes, shall be kept close to the Dwelling. Lighting fixtures shall be carefully oriented to avoid directing unwanted light towards adjacent property and the street.

No color light sources shall be allowed unless seasonal or temporary in nature.

Solar Panels

Solar panels shall be designed to be an integral part of the architecture.

Garbage Containers

Storage of garbage containers while in use shall be in the garage or shall be screened from view, and are only permitted in the front yard on collection day.

Site Utilities

Site utilities such as air conditioning units, pool equipment, gas meters, etc. should be located to minimize their visibility. No window air conditioning units are allowed.

All sump discharge lines must be connected to the storm sewer system via buried pipe.

Antennas and Satellite Dishes

It is required that, prior to installation, Owners submit detailed plans to the ARC/MC for all proposed satellite dish installations, properly scaled and dimensioned, for review and approval. The ARC approval shall be consistent with FCC rules implementing Section 207 of the Telecommunications Act. The requirements in **Exhibit 7** will guide the ARC/MC and Owners in planning and reviewing the siting of all satellite dish and all transmitting and receiving antenna installations, and are established to assure the safest possible location and

operation of satellite dishes while preserving and enhancing reasonable and consistent aesthetic standards.

Pools and Hot Tubs

In-ground pools are permitted within the Property pursuant to the United City of Yorkville code. **The installation of an above-ground swimming pool is prohibited.** The foregoing does not apply to outdoor Jacuzzi's and hot tubs included within a deck or patio and which are screened from view from neighboring Units and installed with the prior approval of the ARC if installed as part of the initial construction or the MC if installed thereafter.

**Applicable Lot List
Neighborhood Fourteen**

Lots 228 through 343 of the Final Plat of Grande Reserve, Unit 4, also known as Neighborhood Fourteen, being a subdivision of part of the Southeast Quarter of Section 15 and part of the South Half of Section 14, Township 37 North, Range 7 East of the Third Principal Meridian, in Kendall County, Illinois, as per plat thereof recorded in Kendall County, Illinois on August 17, 2004 as Document No. 200400023005.

Additional Comments or Information:

All modifications or additions to the exterior of a home or Lot in Grande Reserve must be reviewed and approved prior to construction by the Modifications Committee. Please include all information needed to fully describe the type of modification you are requesting. (Examples: Most submittals will require a Plat of Survey of your home and lot indicating the location of the addition or modification and the distances to all property lines. Complete construction details are required for decks, patios, gazebos, fences, room additions, etc. Landscaping modifications should indicate location and type of plants. Changes of exterior colors will require a color sample.)

Some types of additions or modifications may require a building permit from the United City of Yorkville. Please check with them before beginning your installation.

Modifications Committee meetings are held on a regular basis and review results are generally available within thirty (30) days. A written report will be mailed to you stating the review results.

**Antenna and Satellite Dish
Installation Guidelines**

The following provisions will control the installation of all satellite dish and microwave antenna in Grande Reserve. To avoid confusion, it is suggested that Owners submit plans prior to installation for all proposed satellite dish installations for review.

SITING:

- No more than one dish shall be installed on any Lot; all transmitting and receiving antenna shall be installed within the structure.
- The maximum dish diameter shall be one meter or less with a maximum of 18" being the preferred size.
- If a home is situated so that signals cannot be received by a dish placed in one of the preferred locations described below, the ARC will consider suggestions from the Owner for alternate locations.

Preferred Installation Locations:

1. Dishes should be installed only in rear or side yard areas.
2. Dishes should not be located within a front yard on any Lot, nor mounted to the front wall of any home, nor located within landscape easements on any Lot.
3. Dishes should not be mounted on the roof or second story of any Dwelling.
4. Dishes should be located so as not to be visible from the front street and, on corner lots, from the side street.
5. Dishes should be mounted only as follows:
 - 5.1 On the rear wall of the Dwelling at or below the top line of the tallest first floor window but in no event more than ten feet above grade, measured from the top of the dish. (Dishes over 18" must be no more than four (4) ft. above grade.), or
 - 5.2 On the side of the Dwelling, no more than four (4) ft. above grade as measured from top of dish to grade no more than 2 ft. from the house and be screened from all adjacent properties and streets, or
 - 5.3 On a deck or a patio located in a rear or side yard not more than four feet above the deck or patio floor but in no event more than 10' above grade (measured from the top of the dish).

**Antenna and Satellite Dish
Installation Guidelines**

6. Dishes may be free standing in the rear yard but should not be more than four feet above grade (measured from top of dish to grade).

Color: To minimize visibility, dishes should be a color that closely matches the field color of the residence located on the Lot. Neutral colors such as gray, beige or off white are preferred.

SUBMISSION PACKAGES SHOULD INCLUDE:

1. If possible, please submit a fully dimensioned and drawn to scale layout of the contemplated installation on a plat of survey of the Lot, which also shows:
 - 1.1 Distances between the dish and all property lines.
 - 1.2 If mounted on a deck or patio, dimensions of the deck or patio indicating the exact dish location, height above grade and distances to the edge of deck or patio.
 - 1.3 If freestanding, the location of the dish and screening specifying the total height of the installation from grade to top of dish and distance to the residence and any other structures located on the Lot.
2. Elevation drawings for the dish as it will be installed showing the diameter and total maximum height of the proposed dish and its mounting standard on home, on deck or patio, or if freestanding its distance above grade.
3. If mounted on rear or side of the residence, the elevation of residence should be shown indicating the location of the dish installation including the height above grade and distances to the corners of the house.
4. Your submittal should be accompanied by the completed Modifications Committee Submittal Form (found in **Exhibit 2**). You will receive a written notification of the ARC's review comments within thirty (30) days.

Note: The foregoing requirements are established to assure the safest possible location and operation of satellite dishes while preserving and enhancing reasonable and consistent aesthetic standards. To the extent that any of the foregoing requirements and guidelines are found to be invalid or unenforceable, pursuant to current or future Federal Communications Commission (FCC) laws or regulations such finding shall not affect the other provisions hereof and these regulations and guidelines shall be construed as if such invalid or unenforceable provisions had never been contained herein.

Introduction

Architectural Standards Overview

All Dwellings proposed for construction in Grande Reserve are subject to the review and approval of the Architectural Review Committee (ARC). The ARC will review and approve all aspects of new construction (and later modifications) of the Dwelling and all exterior improvements, including but not limited to: patios and decks, fences, accessory buildings, play structures, landscape improvements, fountains, and other exterior construction.

Architectural Standards are established to ensure and implement consistent and high quality design standards. They will serve as a framework for design concepts, and provide performance and quality standards that will guide the design and construction of the variety of housing types in Grande Reserve.

No Dwelling may be started without the written final approval from the ARC of the building plans and specifications. The specifications must include a scalable site plan developed by a professional engineer showing the Dwelling and driveway location, building elevations, a complete list of exterior siding, trim and roofing materials and colors, and a complete set of working drawings of the Dwelling.

The Declarant, reserves the right to revise and update the design criteria as well as the performance and quality standards at any time in order to respond to future community requirements.

These Architectural Standards apply to specific Neighborhoods and Lots within Grande Reserve. Please review **Exhibit 1** of these guidelines to verify that these are the correct specifications for your Lot.

Section One: Review Process

Architectural Review Committee

The Architectural Review Committee (ARC) shall consist of persons appointed by the Declarant until all new Dwellings within the project have been completed or the Declarant elects to assign its ARC responsibilities to others.

Functions of the Committee

1. The ARC will evaluate each of the Dwellings proposed for construction to assure conformity with the design criteria, performance and quality standards set forth in the Architectural Standards as well as compatibility with the adjoining sites and common spaces.

2. If conflicts arise between the submitted application and the Architectural Standards, the ARC shall have the sole discretion to interpret the standards and render a decision.
3. The ARC has the right to grant variances from the Architectural Standards in accordance with the Declaration of Covenants, Conditions and Restrictions (CCRs).
4. The ARC has the right to monitor and oversee the design and construction process to insure conformance with the approved plans and the standards set forth in the Architectural Standards.
5. The ARC shall review and respond to each submittal within thirty (30) days. Unapproved submissions shall be returned to submitter for revision and resubmittal. All approvals and disapprovals will be in writing.

Architectural Review Submittal Requirements

A complete design submittal to the Architectural Review Committee shall include the following:

1. A scalable survey of the Lot at a minimum scale of 1"=20'. Base data pertaining to Lot lines, topography, easements, existing significant vegetation etc., including all existing trees, are to be shown on the survey.
2. Site plan at a minimum scale of 1"=20' showing property lines, building location and footprint, driveway and easements for Lot utilities.
3. Building floor plans, sections and all elevations at a scale not less than 1/8"=1'.
4. Exterior building materials and color scheme including exterior brick, dryvit or siding type and color, roof type and color, trim color and accent colors.

The appropriate page(s) of the "Architectural Review Committee Submittal Form" must accompany all submissions. (Form found in Exhibit 2). The ARC reserves the right to take as many as 30 days to approve or disapprove any submissions.

Modifications Committee

The Modifications Committee (MC) shall have exclusive jurisdiction over modifications, additions, or alterations made on or to existing Dwellings in accordance with the Declarations. All modification requests must be submitted using the "Modifications Committee Submittal Form" found in Exhibit 3. The MC and ARC may consist of the same individuals, at the Declarant's discretion.

Ordinance and Standards

Architectural Review Committee or Modifications Committee approval does not substitute for, or insure, compliance with the requirements of all public agencies having jurisdiction over the project, including but not limited to the United City of Yorkville. Each Developer, builder and Owner must comply with all zoning regulations, agreements and ordinances established by the United City of Yorkville and applicable at the time of purchase and development.

Any changes required to comply with applicable municipal codes that are subsequent to the ARC's final approval must be resubmitted to the ARC for its approval. The ARC may request a meeting to discuss modifications of the drawings or the specifications.

Liability and Responsibility

Neither the Declarant, the Association, nor the Architectural Review Committee, nor any member thereof, shall be liable for any damage, loss or prejudice suffered or claimed by any Owner or contractor who submits such plans and other materials required by Exhibits 2 or 3 on account of (a) any defects in any plans or specifications submitted revised or approved in accordance with the foregoing provisions; (b) any structural or other defects in any work done according to such plans and specifications; (c) the approval or disapproval of any plans, drawings and specifications, whether or not defective; (d) the construction or performance of any work, whether or not pursuant to approved plans, drawings and specifications, and (e) the development of any real estate within the Development. Any person submitting plans to the Architectural Review Committee or Modifications Committee shall hold the Declarant, the Association, the Architectural Review Committee and Modifications Committee, and any member thereof, harmless from all damage, loss or prejudice suffered or claimed by any third party, including attorney's fees incurred.

Section Two: Single Family Detached Standards

Site Standards

The Declarant has provided a master grading plan in addition to other planning and implementation guidelines and procedures, in an effort to minimize alteration to the land and impact to the ecosystems. Care shall be taken to preserve vegetation, topography and the natural grades and drainage systems. This philosophy must be followed at all levels of development.

All Lot grading and top of foundation elevations must be planned and constructed in accordance with the Final Engineering Plans approved by the United City of Yorkville. The ARC must approve any deviations from the master grading plans, for any Lot, in writing.

Builders must submit as-built final site grading plans for all Lots in Grande Reserve for review prior to the installation of landscaping. These plans must be approved final subdivision engineering plans.

Monotony Controls

The monotony controls exist to prevent duplicate Dwellings from being built in close proximity to each other. They are not designed to preclude all similarities between Dwellings.

Dwellings shall be sited and oriented to best take advantage of views and open space. View orientation towards other Dwellings shall be avoided wherever possible.

Staggering building setbacks from road right of ways should be utilized to provide variety and eliminate a regimented and monotonous streetscape. Staggering portions of the facades of individual units is also encouraged to achieve a similar effect.

Front Elevations and Color Schemes

To encourage diversity and add visual interest to the streetscape, Dwellings shall be required to have sufficient differences in both front elevation and color schemes to make them significantly different from each other. The code applies to the following situations:

1. Two Dwellings on each side of a proposed Dwelling that all face the same street.
2. The Dwelling directly across the street from a proposed Dwelling.
3. One Dwelling on each side of the Dwelling directly across the street from the proposed Dwelling.

4. On small, tight cul-de-sac circles, any Dwelling that faces or is diagonally across the cul-de-sac from a proposed Dwelling.

Approved color variations shall be within a family or range of aesthetically complementary and compatible colors. The Architectural Review Committee shall also evaluate the proposed building trim colors and their relationship to the main field color.

House Styles

Housing types or styles should not be repetitive from Lot to Lot along a neighborhood street. Rather, a variety of Dwellings are encouraged. Specific monotony controls can be found on Pages 4-6 of these Architectural Standards. No building shall exceed a height of two and one half (2 ½) stories or 35 feet.

Dwellings – Minimum Square Footage

Dwellings shall have the following minimum square footage requirements. Square footage is limited to heated and air-conditioned space, exclusive of porches, garages, decks and basements:

Two story	2,200 square feet of Living Space
One & ½ story	2,100 square feet of Living Space
One story	1,800 square feet of Living Space

Exterior Siding Materials

Materials must meet one of the following criteria:

- a) Not less than 25% of front elevation shall be masonry, including brick and stone but excluding concrete block, split face block, stucco, or similar material. This measurement excludes front window and door opening dimensions.
 - b) 100% of front elevation may be stucco or similar material such as "Dryvit."
 - c) 100% of front elevation may be cedar siding (or cementitious wood fiber siding) if all four elevations (front, both sides, and rear) are entirely cedar siding (or cementitious wood fiber siding).
1. All brick, all cedar, and combinations of brick and cedar are acceptable.
 2. All EIFS (Dryvit), with no combination of other materials. Soffit and fascia of other approved materials are acceptable.
 3. Vinyl siding providing at least 25% of the front elevation is Masonry, including returns but excluding bays, dormers and alcoves. Cantilevers and recessed walls above the first floor need not be masonry, as determined at the discretion of the Architectural Review Committee.

4. Fireplace chimneys may be all masonry or all vinyl. EIFS (Dryvit) dwellings may have EIFS (Dryvit) fireplace chimneys.
5. All other materials not noted as approved in this section must be presented to the Architectural Review Committee for approval.
6. Siding colors are restricted to whites, grays, beiges, and earth tones only.

Roof Specifications

Roofing materials must meet the United City of Yorkville Building Code. Most traditional roofing materials are permitted including 3 tab asphalt and fiberglass, as well as cedar shake and slate shingles. Asphalt shingles must meet a minimum of 20 year standard. Roof colors may be identical to all adjacent dwellings. All roof colors must be in darker shades of browns, grays and blacks. Bright or light colors are not allowed. Red and green shingle roofs are specifically prohibited. (Submittal form found in Exhibit 2).

Roof pitch must be a minimum of 6/12. The ARC will entertain lower roof pitches, provided that they are, in the sole opinion of ARC, essential to maintain the design of the Dwelling.

Skylights are not permitted on front roof elevations.

Mailboxes

Mailboxes in Grande Reserve are all required to be exactly the same style, shape and color. A detailed drawing of the required mailbox is located in Exhibit 4, along with a recommended vendor. **All mailboxes must be installed by the builder or mailbox vendor prior to closing with the end buyer.** If any mailbox is damaged after installation, the homebuyer is responsible for replacing the mailbox with an identical box as indicated in Exhibit 4.

Garages

Each Dwelling shall have as a minimum an attached two (2)-car garage connected to the street by an asphalt, concrete, or better driveway. Detached garages are not permitted. Maximum of three (3) car attached garages may use front load garage or side load garage, where applicable. No parking pads are allowed.

Driveways

Driveways shall be installed within the first year of occupancy. The driveway surface may be poured concrete, bomanite, brick, modular pavers or asphalt. No gravel, screenings or other loose materials are permitted. Every driveway shall provide positive drainage away from the Dwelling and garage. The minimum driveway length allowed is 25'. The maximum width allowed is 21' at the public sidewalk. This includes side-load garages. Driveways serving 3 car garages must taper to 21' maximum width at the public sidewalk with a reasonable flare at the curb.

All side-load garages require driveways to be a minimum of 21 feet wide from the face of the garage to the side property line on the garage side. The driveway pavement must be a minimum of 1 foot from the side property line.

Landscape

Builders and/or Owners are responsible for installing sod and foundation landscaping on the Lots. The sod shall be installed as soon as reasonably practical to avoid unsightly appearance and any soil erosion. For instance, sod should be installed after completion of the exterior improvements of a Dwelling, weather permitting, even if the interior work is not yet complete. In any event, the sod or foundation landscaping shall be installed no later than:

- upon the earlier of (a) eight months after issuance of a building permit for the Dwelling or (b) prior to the closing of the Dwelling with an Owner subject to extensions only as made necessary by the weather, **if installed by the Builder;**
- no later than thirty (30) days after the date of occupancy, subject to extensions only as made necessary by the weather, **if installed by the Owner.**

In no event shall sod be installed later than one hundred eighty (180) days after the issuance of any occupancy permit by the United City of Yorkville. If construction of a Dwelling has not commenced and a building permit has not been obtained, the builder and/or Owner shall keep the Lot mowed at all times and reasonably free of weeds and other vegetation, except for grass.

All front, side, and rear yards shall be sodded, including all parkway areas. The builder and/or Owners are responsible for the initial installation of parkway trees for each Lot at Grande Reserve. The builder and/or Owners are responsible for the maintenance and replacement of parkway trees. Minimums of two parkway trees are required for corner Lots and one parkway tree for all interior Lots, which must meet the specifications of the United City of Yorkville Tree Ordinance and the Annexation Agreement.

Foundation plantings shall be concentrated at the front of the Dwelling with living plant material equal to a minimum of \$1,500.00. For key lots (in Neighborhood Twelve, Lots 1, 17, 50, 51, 63, 71, 73, 78, and 90; in Neighborhood Thirteen, Lots 178, 202, 203, 218, 219, and 227; and in Neighborhood Sixteen, Lots 491, 494, 496, 506, 525, 526, 529, 534, 535, 549, 550, 559, 561, 562, 572, 573 and 580), supplementary foundation plantings are required for any side yard without an adjacent Lot, equal to an additional \$1,000.00 of installed living plant material. Drawings detailing the suggested landscape plans are found in **Exhibit 5**. The landscaping budget is for living plant material only and shall not include mulch, timbers, pavers, river stone, fencing, retaining walls, etc. Placement of landscaping materials must not interfere with established drainage patterns between Lots.

Landscape Easements

Easements have been provided to buffer some adjacent roadways. No buildings, fences, driveways or permanent structures shall be constructed within landscape easements, which may be labeled on the plats as outlots or common area.

Tree Preservation

No trees greater than four (4) inches in diameter may be removed without the express written approval of the Architectural Review Committee or Modifications Committee. Locations, sizes, and species of all existing trees must be shown on Lot surveys and building site plans submitted for review.

Deck and Patio Installation Specifications

All proposed deck/patio installations must be submitted to and approved by the Architectural Review Committee or Modifications Committee prior to installation. (Forms found in **Exhibits 2 and 3**). All installations must also follow specifications required under the United City of Yorkville's Ordinances.

The following information must be included with each submittal:

1. A plat of survey with the Dwelling footprint indicating the exact location, size, and distance from side and rear property lines of the proposed deck/patio installation. Hand drawn sketches of Lot boundaries are not acceptable.
2. The complete dimensioned construction details of the deck/patio including: size, type and dimensions of lumber and other materials, finish, style, height from ground to baseboard, and vertical elevation details of all railings, seats, privacy walls and stairs.

No deck/patio construction can extend into an easement or side-required setback. No deck shall be constructed within 15 feet of a rear Lot line. Decks more than 18" above grade must have latticed screening under the deck unless the deck is located above a walkout basement, for which lattice is not required.

The installation of a deck or patio shall not change the grading or affect the drainage of any given lot and shall conform to the approved master grading plan.

Fence Specifications

Fences adjacent to the Common Areas, backing to the public spaces, parks or roads shall all have one style of fence, which is shown and described in detail in Exhibit 6.

All proposed fence installations must be submitted to and approved by the ARC/MC prior to installation. (Forms found in Exhibits 2 and 3). Only the following type of fencing is approved:

Material	Smooth finished cedar. (Rounded, rough finished, stockade type pickets and chain-link fences are not allowed.)
Maximum Height	5 feet (Measured from ground to highest point of fence not including posts.)
Minimum Vertical Board Width	4 inches – Milled lumber. (Actual measurement = approx. 3 ½" to 3 ¾")
Spacing between Vertical Board	Not more than 2 ½ inches between boards.
Fence Styles	Spaced picket, board on board, solid board, or traditional.
Top Styles	Arched, scalloped (concave), dog-eared, straight or French Gothic picket.
Post Styles	French Gothic, Gothic, traditional cap, or acorn.
Finish	Left natural, stained natural, or painted white.

Rules for Fence Installation

1. Fences are allowed only in the rear yard and from the rear corners of the Dwelling forward to the front corners of the Dwelling. Except for approved small decorative fences, the front yard areas forward of the front corners of the Dwelling may not be fenced.

2. Fences cannot be placed on landscape easements. Fences may extend into utility easements at the Owner's risk.
3. Fence locations on corner Lots may be further restricted due to side yard visibility constraints, side yard set back restrictions, and the location of Dwellings on adjoining property. Corner Lots will be handled on a case-by-case basis. You may request specific information on corner Lot setbacks prior to submittal of a plan.
4. The decorative side of the fence should face out to the public. Fences must be placed so the outside face of the fence is inside the property line. All fencing must be installed with the horizontal railings on the interior, Lot side of the fence.
5. Fence requirements in Grande Reserve may vary from those contained in the United City of Yorkville fence ordinance.
6. Fence must be maintained in good condition.

Accessory Buildings

All greenhouses, gazebos, playhouses and other freestanding structures (accessory buildings) are subject to the United City of Yorkville ordinances and must also fully comply with the Architectural Standards. **Storage Sheds are permitted only under the following conditions:** a) Only one storage shed is allowed per Lot or Dwelling, b) roof pitch is equivalent to the dwelling's roof pitch and shingles match, c) colors are the same as the Dwelling, d) it has a poured concrete foundation, e) mimicks the façade of the existing Dwelling on the Lot, f) the yard on which a storage shed is constructed is completely fenced according to fence regulations stated above, and g) it is maintained in good condition. The ARC's written approval must be received prior to construction. Freestanding accessory buildings must be consistent with the style and exterior appearance of the existing Dwelling and meet the following specifications to receive approval of the ARC:

1. Exterior materials: glass, lapped wood siding, or lapped cedar, vinyl or aluminum siding. (Plywood panels, T-111 wood or metal-sided shed of any size or style are not allowed.)
2. Colors: Siding and roofing materials must match the existing Dwelling on the Lot as closely as possible.

Note: The ARC may approve variations to the above specifications when, in the sole and exclusive discretion of the ARC, they are warranted by unique facts or circumstances.

The installation of a storage shed also requires the Owners to install an enclosed fence that meets the fence installation requirements noted above.

The following items must be supplied for submittal to the ARC:

1. A Plat of Survey indicating the location of your Dwelling on the Lot. On this Plat of Survey, locate the proposed accessory building in relationship to the existing Dwelling and all adjacent property lines. Must be drawn to scale and be fully dimensioned.
2. A color photo, brochure or scaled drawing showing what the new structure will look like.

Recreational Items

Play equipment other than basketball standards shall be allowed but are restricted to rear yards. All play equipment must be submitted and be approved by the ARC/MC prior to installation.

Basketball Standard Installation Specifications

All proposed basketball standard installations must be submitted to and approved by ARC prior to installation. (See submittal form in Exhibit 3). The only type of basketball standard approved in Grande Reserve includes a backboard made of clear acrylic in a rectangular or fan shape. Backboards may not contain team or advertising logos, bright colors or any type of advertising, other than the manufacturer's company identification logo. Portable basketball assemblies are permitted within the guidelines described herein. **Backboards above the garage door are prohibited.** Only black metal poles are allowed and must be installed in a location based on one of the following: 1) at a minimum of 15 feet from the Lot side of the public sidewalk and along the outside edge of your driveway, or 2) as part of a portable model, or 3) rear yard installations may be approved on a case-by-case basis. No other front yard and no side yard locations will be allowed.

Note: Clear backboards and black poles tend to blend into their surroundings and are less noticeable, providing a neat, uniform appearance throughout the entire community.

Information Needed with Submittal

A plat of survey must be submitted with your Dwelling footprint indicating the exact location of the proposed basketball standard on your Lot. Also identify any nearby flowers or bushes on neighboring Lots which could be impacted by your installation and identify how you will protect them.

Submit the complete details of your proposed basketball standard including photographs or catalog cut sheets of the exact make and model you propose to install. Please use submittal form found in **Exhibit 3**.

Flags

Flags may be displayed on poles mounted on the fronts of Dwellings. Flags may not exceed 3' x 5' in size. Freestanding flagpoles are not allowed.

Lighting

Decorative wrought iron coach lights, not exceeding 6' in height, are allowed.

Any exterior Dwelling lighting, for security or aesthetic purposes, shall be kept close to the Dwelling. Lighting fixtures shall be carefully oriented to avoid directing unwanted light towards adjacent property and the street.

No color light sources shall be allowed unless seasonal or temporary in nature.

Solar Panels

Solar panels shall be designed to be an integral part of the architecture.

Garbage Containers

Storage of garbage containers while in use shall be in the garage or shall be screened from view, and are only permitted in the front yard on collection day.

Site Utilities

Site utilities such as air conditioning units, pool equipment, gas meters, etc. should be located to minimize their visibility. No window air conditioning units are allowed.

All sump discharge lines must be connected to the storm sewer system via buried pipe.

Antennas and Satellite Dishes

It is required that, prior to installation, Owners submit detailed plans to the ARC/MC for all proposed satellite dish installations, properly scaled and dimensioned, for review and approval. The ARC approval shall be consistent with FCC rules implementing Section 207 of the Telecommunications Act. The requirements in **Exhibit 7** will guide the ARC/MC and Owners in planning and reviewing the siting of all satellite dish and all transmitting and receiving antenna installations, and are established to assure the safest possible location and

operation of satellite dishes while preserving and enhancing reasonable and consistent aesthetic standards.

Pools and Hot Tubs

In-ground pools are permitted within the Property pursuant to the United City of Yorkville code. **The installation of an above-ground swimming pool is prohibited.** The foregoing does not apply to outdoor Jacuzzi's and hot tubs included within a deck or patio and which are screened from view from neighboring Units and installed with the prior approval of the ARC if installed as part of the initial construction or the MC if installed thereafter.

**Applicable Lot List
Neighborhood Twelve**

Lots 1 through 90 of the Final Plat of Grande Reserve Unit 1, also known as Neighborhood Twelve, being a subdivision of part of the North Half of Section 23 and Part of the South Half of Section 14, Township 37 North, Range 7 East of the Third Principal Meridian, all in Kendall County, Illinois, as per plat thereof recorded in Kendall County, Illinois on July 29, 2004 as Document No. 200400020975.

(1) _____

(2) _____

(3) _____

Additional Comments or Information:

All modifications or additions to the exterior of a home or Lot in Grande Reserve must be reviewed and approved prior to construction by the Modifications Committee. Please include all information needed to fully describe the type of modification you are requesting. (Examples: Most submittals will require a Plat of Survey of your home and lot indicating the location of the addition or modification and the distances to all property lines. Complete construction details are required for decks, patios, gazebos, fences, room additions, etc. Landscaping modifications should indicate location and type of plants. Changes of exterior colors will require a color sample.)

Some types of additions or modifications may require a building permit from the United City of Yorkville. Please check with them before beginning your installation.

Modifications Committee meetings are held on a regular basis and review results are generally available within thirty (30) days. A written report will be mailed to you stating the review results.

CPL 204

**Antenna and Satellite Dish
Installation Guidelines**

The following provisions will control the installation of all satellite dish and microwave antenna in Grande Reserve. To avoid confusion, it is suggested that Owners submit plans prior to installation for all proposed satellite dish installations for review.

SITING:

- No more than one dish shall be installed on any Lot; all transmitting and receiving antenna shall be installed within the structure.
- The maximum dish diameter shall be one meter or less with a maximum of 18" being the preferred size.
- If a home is situated so that signals cannot be received by a dish placed in one of the preferred locations described below, the ARC will consider suggestions from the Owner for alternate locations.

Preferred Installation Locations:

1. Dishes should be installed only in rear or side yard areas.
2. Dishes should not be located within a front yard on any Lot, nor mounted to the front wall of any home, nor located within landscape easements on any Lot.
3. Dishes should not be mounted on the roof or second story of any Dwelling.
4. Dishes should be located so as not to be visible from the front street and, on corner lots, from the side street.
5. Dishes should be mounted only as follows:
 - 5.1 On the rear wall of the Dwelling at or below the top line of the tallest first floor window but in no event more than ten feet above grade, measured from the top of the dish. (Dishes over 18" must be no more than four (4) ft. above grade.), or
 - 5.2 On the side of the Dwelling, no more than four (4) ft. above grade as measured from top of dish to grade no more than 2 ft. from the house and be screened from all adjacent properties and streets, or
 - 5.3 On a deck or a patio located in a rear or side yard not more than four feet above the deck or patio floor but in no event more than 10' above grade (measured from the top of the dish).

**Antenna and Satellite Dish
Installation Guidelines**

6. Dishes may be free standing in the rear yard but should not be more than four feet above grade (measured from top of dish to grade).

Color: To minimize visibility, dishes should be a color that closely matches the field color of the residence located on the Lot. Neutral colors such as gray, beige or off white are preferred.

SUBMISSION PACKAGES SHOULD INCLUDE:

1. If possible, please submit a fully dimensioned and drawn to scale layout of the contemplated installation on a plat of survey of the Lot, which also shows:
 - 1.1 Distances between the dish and all property lines.
 - 1.2 If mounted on a deck or patio, dimensions of the deck or patio indicating the exact dish location, height above grade and distances to the edge of deck or patio.
 - 1.3 If freestanding, the location of the dish and screening specifying the total height of the installation from grade to top of dish and distance to the residence and any other structures located on the Lot.
2. Elevation drawings for the dish as it will be installed showing the diameter and total maximum height of the proposed dish and its mounting standard on home, on deck or patio, or if freestanding its distance above grade.
3. If mounted on rear or side of the residence, the elevation of residence should be shown indicating the location of the dish installation including the height above grade and distances to the corners of the house.
4. Your submittal should be accompanied by the completed Modifications Committee Submittal Form (found in **Exhibit 2**). You will receive a written notification of the ARC's review comments within thirty (30) days.

Note: The foregoing requirements are established to assure the safest possible location and operation of satellite dishes while preserving and enhancing reasonable and consistent aesthetic standards. To the extent that any of the foregoing requirements and guidelines are found to be invalid or unenforceable, pursuant to current or future Federal Communications Commission (FCC) laws or regulations such finding shall not affect the other provisions hereof and these regulations and guidelines shall be construed as if such invalid or unenforceable provisions had never been contained herein.

Introduction

Architectural Standards Overview

All Dwellings proposed for construction in Grande Reserve are subject to the review and approval of the Architectural Review Committee (ARC). The ARC will review and approve all aspects of new construction (and later modifications) of the Dwelling and all exterior improvements, including but not limited to: patios and decks, fences, accessory buildings, play structures, landscape improvements, fountains, and other exterior construction.

Architectural Standards are established to ensure and implement consistent and high quality design standards. They will serve as a framework for design concepts, and provide performance and quality standards that will guide the design and construction of the variety of housing types in Grande Reserve.

No Dwelling may be started without the written final approval from the ARC of the building plans and specifications. The specifications must include a scalable site plan developed by a professional engineer showing the Dwelling and driveway location, building elevations, a complete list of exterior siding, trim and roofing materials and colors, and a complete set of working drawings of the Dwelling.

The Declarant, reserves the right to revise and update the design criteria as well as the performance and quality standards at any time in order to respond to future community requirements.

These Architectural Standards apply to specific Neighborhoods and Lots within Grande Reserve. Please review **Exhibit 1** of these guidelines to verify that these are the correct specifications for your Lot.

Section One: Review Process

Architectural Review Committee

The Architectural Review Committee (ARC) shall consist of persons appointed by the Declarant until all new Dwellings within the project have been completed or the Declarant elects to assign its ARC responsibilities to others.

Functions of the Committee

1. The ARC will evaluate each of the Dwellings proposed for construction to assure conformity with the design criteria, performance and quality standards set forth in the Architectural Standards as well as compatibility with the adjoining sites and common spaces.

2. If conflicts arise between the submitted application and the Architectural Standards, the ARC shall have the sole discretion to interpret the standards and render a decision.
3. The ARC has the right to grant variances from the Architectural Standards in accordance with the Declaration of Covenants, Conditions and Restrictions (CCRs).
4. The ARC has the right to monitor and oversee the design and construction process to insure conformance with the approved plans and the standards set forth in the Architectural Standards.
5. The ARC shall review and respond to each submittal within thirty (30) days. Unapproved submissions shall be returned to submitter for revision and resubmittal. All approvals and disapprovals will be in writing.

Architectural Review Submittal Requirements

A complete design submittal to the Architectural Review Committee shall include the following:

1. A scalable survey of the Lot at a minimum scale of 1"=20'. Base data pertaining to Lot lines, topography, easements, existing significant vegetation etc., including all existing trees, are to be shown on the survey.
2. Site plan at a minimum scale of 1"=20' showing property lines, building location and footprint, driveway and easements for Lot utilities.
3. Building floor plans, sections and all elevations at a scale not less than 1/8"=1'.
4. Exterior building materials and color scheme including exterior brick, dryvit or siding type and color, roof type and color, trim color and accent colors.

The appropriate page(s) of the "Architectural Review Committee Submittal Form" must accompany all submissions. (Form found in Exhibit 2). The ARC reserves the right to take as many as 30 days to approve or disapprove any submissions.

Modifications Committee

The Modifications Committee (MC) shall have exclusive jurisdiction over modifications, additions, or alterations made on or to existing Dwellings in accordance with the Declarations. All modification requests must be submitted using the "Modifications Committee Submittal Form" found in Exhibit 3. The MC and ARC may consist of the same individuals, at the Declarant's discretion.

Ordinance and Standards

Architectural Review Committee or Modifications Committee approval does not substitute for, or insure, compliance with the requirements of all public agencies having jurisdiction over the project, including but not limited to the United City of Yorkville. Each Developer, builder and Owner must comply with all zoning regulations, agreements and ordinances established by the United City of Yorkville and applicable at the time of purchase and development.

Any changes required to comply with applicable municipal codes that are subsequent to the ARC's final approval must be resubmitted to the ARC for its approval. The ARC may request a meeting to discuss modifications of the drawings or the specifications.

Liability and Responsibility

Neither the Declarant, the Association, nor the Architectural Review Committee, nor any member thereof, shall be liable for any damage, loss or prejudice suffered or claimed by any Owner or contractor who submits such plans and other materials required by Exhibits 2 or 3 on account of (a) any defects in any plans or specifications submitted revised or approved in accordance with the foregoing provisions; (b) any structural or other defects in any work done according to such plans and specifications; (c) the approval or disapproval of any plans, drawings and specifications, whether or not defective; (d) the construction or performance of any work, whether or not pursuant to approved plans, drawings and specifications, and (e) the development of any real estate within the Development. Any person submitting plans to the Architectural Review Committee or Modifications Committee shall hold the Declarant, the Association, the Architectural Review Committee and Modifications Committee, and any member thereof, harmless from all damage, loss or prejudice suffered or claimed by any third party, including attorney's fees incurred.

Section Two: Single Family Detached Standards

Site Standards

The Declarant has provided a master grading plan in addition to other planning and implementation guidelines and procedures, in an effort to minimize alteration to the land and impact to the ecosystems. Care shall be taken to preserve vegetation, topography and the natural grades and drainage systems. This philosophy must be followed at all levels of development.

All Lot grading and top of foundation elevations must be planned and constructed in accordance with the Final Engineering Plans approved by the United City of Yorkville. The ARC must approve any deviations from the master grading plans, for any Lot, in writing.

Builders must submit as-built final site grading plans for all Lots in Grande Reserve for review prior to the installation of landscaping. These plans must be approved final subdivision engineering plans.

Monotony Controls

The monotony controls exist to prevent duplicate Dwellings from being built in close proximity to each other. They are not designed to preclude all similarities between Dwellings.

Dwellings shall be sited and oriented to best take advantage of views and open space. View orientation towards other Dwellings shall be avoided wherever possible.

Staggering building setbacks from road right of ways should be utilized to provide variety and eliminate a regimented and monotonous streetscape. Staggering portions of the facades of individual units is also encouraged to achieve a similar effect.

Front Elevations and Color Schemes

To encourage diversity and add visual interest to the streetscape, Dwellings shall be required to have sufficient differences in both front elevation and color schemes to make them significantly different from each other. The code applies to the following situations:

1. Two Dwellings on each side of a proposed Dwelling that all face the same street.
2. The Dwelling directly across the street from a proposed Dwelling.
3. One Dwelling on each side of the Dwelling directly across the street from the proposed Dwelling.

4. On small, tight cul-de-sac circles, any Dwelling that faces or is diagonally across the cul-de-sac from a proposed Dwelling.

Approved color variations shall be within a family or range of aesthetically complementary and compatible colors. The Architectural Review Committee shall also evaluate the proposed building trim colors and their relationship to the main field color.

House Styles

Housing types or styles should not be repetitive from Lot to Lot along a neighborhood street. Rather, a variety of Dwellings are encouraged. Specific monotony controls can be found on Pages 4-6 of these Architectural Standards. No building shall exceed a height of two and one half (2 ½) stories or 35 feet.

Dwellings – Minimum Square Footage

Dwellings shall have the following minimum square footage requirements. Square footage is limited to heated and air-conditioned space, exclusive of porches, garages, decks and basements:

Two story	2,000 square feet of Living Space
One & ½ story	1,900 square feet of Living Space
One story	1,600 square feet of Living Space

Exterior Siding Materials

Materials must meet one of the following criteria:

- a) Not less than 25% of front elevation shall be masonry, including brick and stone but excluding concrete block, split face block, stucco, or similar material. This measurement excludes front window and door opening dimensions,
 - b) 100% of front elevation may be stucco or similar material such as "Dryvit."
 - c) 100% of front elevation may be cedar siding (or cementitious wood fiber siding) if all four elevations (front, both sides, and rear) are entirely cedar siding (or cementitious wood fiber siding).
1. All brick, all cedar, and combinations of brick and cedar are acceptable.
 2. All EIFS (Dryvit), with no combination of other materials. Soffit and fascia of other approved materials are acceptable.
 3. Vinyl siding providing at least 25% of the front elevation is Masonry, including returns but excluding bays, dormers and alcoves. Cantilevers and recessed walls above the first floor need not be masonry, as determined at the discretion of the Architectural Review Committee.

4. Fireplace chimneys may be all masonry or all vinyl. EIFS (Dryvit) dwellings may have EIFS (Dryvit) fireplace chimneys.
5. All other materials not noted as approved in this section must be presented to the Architectural Review Committee for approval.
6. Siding colors are restricted to whites, grays, beiges, and earth tones only.

Roof Specifications

Roofing materials must meet the United City of Yorkville Building Code. Most traditional roofing materials are permitted including 3 tab asphalt and fiberglass, as well as cedar shake and slate shingles. Asphalt shingles must meet a minimum of 20 year standard. Roof colors may be identical to all adjacent dwellings. All roof colors must be in darker shades of browns, grays and blacks. Bright or light colors are not allowed. Red and green shingle roofs are specifically prohibited. (Submittal form found in Exhibit 2).

Roof pitch must be a minimum of 6/12. The ARC will entertain lower roof pitches, provided that they are, in the sole opinion of ARC, essential to maintain the design of the Dwelling.

Skylights are not permitted on front roof elevations.

Mailboxes

Mailboxes in Grande Reserve are all required to be exactly the same style, shape and color. A detailed drawing of the required mailbox is located in Exhibit 4, along with a recommended vendor. **All mailboxes must be installed by the builder or mailbox vendor prior to closing with the end buyer.** If any mailbox is damaged after installation, the homebuyer is responsible for replacing the mailbox with an identical box as indicated in Exhibit 4.

Garages

Each Dwelling shall have as a minimum an attached two (2)-car garage connected to the street by an asphalt, concrete, or better driveway. Detached garages are not permitted. Maximum of three (3) car attached garages may use front load garage or side load garage, where applicable. No parking pads are allowed.

Driveways

Driveways shall be installed within the first year of occupancy. The driveway surface may be poured concrete, bomanite, brick, modular pavers or asphalt. No gravel, screenings or other loose materials are permitted. Every driveway shall provide positive drainage away from the Dwelling and garage. The minimum driveway length allowed is 25'. The maximum width allowed is 21' at the public sidewalk. This includes side-load garages. Driveways serving 3 car garages must taper to 21' maximum width at the public sidewalk with a reasonable flare at the curb.

All side-load garages require driveways to be a minimum of 21 feet wide from the face of the garage to the side property line on the garage side. The driveway pavement must be a minimum of 1 foot from the side property line.

Landscape

Builders and/or Owners are responsible for installing sod and foundation landscaping on the Lots. The sod shall be installed as soon as reasonably practical to avoid unsightly appearance and any soil erosion. For instance, sod should be installed after completion of the exterior improvements of a Dwelling, weather permitting, even if the interior work is not yet complete. In any event, the sod or foundation landscaping shall be installed no later than:

upon the earlier of (a) eight months after issuance of a building permit for the Dwelling or (b) prior to the closing of the Dwelling with an Owner subject to extensions only as made necessary by the weather, **if installed by the Builder;**

no later than thirty (30) days after the date of occupancy, subject to extensions only as made necessary by the weather, **if installed by the Owner,**

In no event shall sod be installed later than one hundred eighty (180) days after the issuance of any occupancy permit by the United City of Yorkville. If construction of a Dwelling has not been commenced and a building permit not been obtained, the builder and/or Owner shall keep the Lot mowed at all times and reasonably free of weeds and other vegetation, except for grass.

All front, side, and rear yards shall be sodded, including all parkway areas. The builder and/or Owners are responsible for the initial installation of parkway trees for each Lot at Grande Reserve. The builder and/or Owners are responsible for the maintenance and replacement of parkway trees. Minimums of two parkway trees are required for corner Lots and one parkway tree for all interior Lots, which must meet the specifications of the United City of Yorkville Tree Ordinance and the Annexation Agreement.

Foundation plantings shall be concentrated at the front of the Dwelling with living plant material equal to a minimum of \$1,500.00. For key lots (in Neighborhood

Nine, Lots 589, 600, 617, 623, 631, 632, 650 663, 664, 682, 702, 703, 711, 712 and 723; in Neighborhood Ten, Lots 344, 374, 375, 393, 394, and 414; and in Neighborhood Eleven, Lots 91, 97, 98, 122, 123, 141, 154, 155, 163, 166, 169 and 177), supplementary foundation plantings are required for any side yard without an adjacent Lot, equal to an additional \$1,000.00 of installed living plant material. Drawings detailing the suggested landscape plans are found in **Exhibit 5**. The landscaping budget is for living plant material only and shall not include mulch, timbers, pavers, river stone, fencing, retaining walls, etc. Placement of landscaping materials must not interfere with established drainage patterns between Lots.

Landscape Easements

Easements have been provided to buffer some adjacent roadways. No buildings, fences, driveways or permanent structures shall be constructed within landscape easements, which may be labeled on the plats as outlots or common area.

Tree Preservation

No trees greater than four (4) inches in diameter may be removed without the express written approval of the Architectural Review Committee or Modifications Committee. Locations, sizes, and species of all existing trees must be shown on Lot surveys and building site plans submitted for review.

Deck and Patio Installation Specifications

All proposed deck/patio installations must be submitted to and approved by the Architectural Review Committee or Modifications Committee prior to installation. (**Forms found in Exhibits 2 and 3**). All installations must also follow specifications required under the United City of Yorkville's Ordinances.

The following information must be included with each submittal:

1. A plat of survey with the Dwelling footprint indicating the exact location, size, and distance from side and rear property lines of the proposed deck/patio installation. Hand drawn sketches of Lot boundaries are not acceptable.
2. The complete dimensioned construction details of the deck/patio including: size, type and dimensions of lumber and other materials, finish, style, height from ground to baseboard, and vertical elevation details of all railings, seats, privacy walls and stairs.

No deck/patio construction can extend into an easement or side-required setback. No deck shall be constructed within 15 feet of a rear Lot line. Decks

more than 18" above grade must have latticed screening under the deck unless the deck is located above a walkout basement, for which lattice is not required.

The installation of a deck or patio shall not change the grading or affect the drainage of any given lot and shall conform to the approved master grading plan.

Fence Specifications

Fences adjacent to the Common Areas, backing to the public spaces, parks or roads shall all have one style of fence, which is shown and described in detail in Exhibit 6.

All proposed fence installations must be submitted to and approved by the ARC/MC prior to installation. (Forms found in Exhibits 2 and 3). Only the following type of fencing is approved:

Material	Smooth finished cedar. (Rounded, rough finished, stockade type pickets and chain-link fences are not allowed)
Maximum Height	5 feet (Measured from ground to highest point of fence not including posts.)
Minimum Vertical Board Width	4 inches – Milled lumber. (Actual measurement = approx. 3 ½" to 3 ¾ "
Spacing between Vertical Board	Not more than 2 ½ inches between boards.
Fence Styles	Spaced picket, board on board, solid board, or traditional.
Top Styles	Arched, scalloped (concave), dog-eared, straight or French Gothic picket.
Post Styles	French Gothic, Gothic, traditional cap, or acorn.
Finish	Left natural, stained natural, or painted white.

Rules for Fence Installation

1. Fences are allowed only in the rear yard and from the rear corners of the Dwelling forward to the front corners of the Dwelling. Except for approved small decorative fences, the front yard areas forward of the front corners of the Dwelling may not be fenced.

2. Fences cannot be placed on landscape easements. Fences may extend into utility easements at the Owner's risk.
3. Fence locations on corner Lots may be further restricted due to side yard visibility constraints, side yard set back restrictions, and the location of Dwellings on adjoining property. Corner Lots will be handled on a case-by-case basis. You may request specific information on corner Lot setbacks prior to submittal of a plan.
4. The decorative side of the fence should face out to the public. Fences must be placed so the outside face of the fence is inside the property line. All fencing must be installed with the horizontal railings on the interior, Lot side of the fence.
5. Fence requirements in Grande Reserve may vary from those contained in the United City of Yorkville fence ordinance.
6. Fence must be maintained in good condition.

Accessory Buildings

All greenhouses, gazebos, playhouses and other freestanding structures (accessory buildings) are subject to the United City of Yorkville ordinances and must also fully comply with the Architectural Standards. **Storage Sheds are permitted only under the following conditions: a) Only one storage shed is allowed per Lot or Dwelling, b) roof pitch is equivalent to the dwelling's roof pitch and shingles match, c) colors are the same as the Dwelling, d) it has a poured concrete foundation, e) mimicks the façade of the existing Dwelling on the Lot, f) the yard on which a storage shed is constructed is completely fenced according to fence regulations stated above, and g) it is maintained in good condition.** The ARC's written approval must be received prior to construction. Freestanding accessory buildings must be consistent with the style and exterior appearance of the existing Dwelling and meet the following specifications to receive approval of the ARC:

1. Exterior materials: glass, lapped wood siding, or lapped cedar, vinyl or aluminum siding. (Plywood panels, T-111 wood or metal-sided shed of any size or style are not allowed.)
2. Colors: Siding and roofing materials must match the existing Dwelling on the Lot as closely as possible.

Note: The ARC may approve variations to the above specifications when, in the sole and exclusive discretion of the ARC, they are warranted by unique facts or circumstances.

The installation of a storage shed also requires the Owners to install an enclosed fence that meets the fence installation requirements noted above.

The following items must be supplied for submittal to the ARC:

1. A Plat of Survey indicating the location of your Dwelling on the Lot. On this Plat of Survey, locate the proposed accessory building in relationship to the existing Dwelling and all adjacent property lines. Must be drawn to scale and be fully dimensioned.
2. A color photo, brochure or scaled drawing showing what the new structure will look like.

Recreational Items

Play equipment other than basketball standards shall be allowed but are restricted to rear yards. All play equipment must be submitted and be approved by the ARC/MC prior to installation.

Basketball Standard Installation Specifications

All proposed basketball standard installations must be submitted to and approved by ARC prior to installation. (See submittal form in **Exhibit 3**). The only type of basketball standard approved in Grande Reserve includes a backboard made of clear acrylic in a rectangular or fan shape. Backboards may not contain team or advertising logos, bright colors or any type of advertising, other than the manufacturer's company identification logo. Portable basketball assemblies are permitted within the guidelines described herein. **Backboards above the garage door are prohibited.** Only black metal poles are allowed and must be installed in a location based on one of the following: 1) at a minimum of 15 feet from the Lot side of the public sidewalk and along the outside edge of your driveway, or 2) as part of a portable model, or 3) rear yard installations may be approved on a case-by-case basis. No other front yard and no side yard locations will be allowed.

Note: Clear backboards and black poles tend to blend into their surroundings and are less noticeable, providing a neat, uniform appearance throughout the entire community.

Information Needed with Submittal

A plat of survey must be submitted with your Dwelling footprint indicating the exact location of the proposed basketball standard on your Lot. Also identify any nearby flowers or bushes on neighboring Lots which could be impacted by your installation and identify how you will protect them.

Submit the complete details of your proposed basketball standard including photographs or catalog cut sheets of the exact make and model you propose to install. Please use submittal form found in Exhibit 3.

Flags

Flags may be displayed on poles mounted on the fronts of Dwellings. Flags may not exceed 3' x 5' in size. Freestanding flagpoles are not allowed.

Lighting

Decorative wrought iron coach lights, not exceeding 6' in height, are allowed.

Any exterior Dwelling lighting, for security or aesthetic purposes, shall be kept close to the Dwelling. Lighting fixtures shall be carefully oriented to avoid directing unwanted light towards adjacent property and the street.

No color light sources shall be allowed unless seasonal or temporary in nature.

Solar Panels

Solar panels shall be designed to be an integral part of the architecture.

Garbage Containers

Storage of garbage containers while in use shall be in the garage or shall be screened from view, and are only permitted in the front yard on collection day.

Site Utilities

Site utilities such as air conditioning units, pool equipment, gas meters, etc. should be located to minimize their visibility. No window air conditioning units are allowed.

All sump discharge lines must be connected to the storm sewer system via buried pipe.

Antennas and Satellite Dishes

It is required that, prior to installation, Owners submit detailed plans to the ARC/MC for all proposed satellite dish installations, properly scaled and dimensioned, for review and approval. The ARC approval shall be consistent with FCC rules implementing Section 207 of the Telecommunications Act. The requirements in Exhibit 7 will guide the ARC/MC and Owners in planning and reviewing the siting of all satellite dish and all transmitting and receiving antenna installations, and are established to assure the safest possible location and

operation of satellite dishes while preserving and enhancing reasonable and consistent aesthetic standards.

Pools and Hot Tubs

In-ground pools are permitted within the Property pursuant to the United City of Yorkville code. **The installation of an above-ground swimming pool is prohibited.** The foregoing does not apply to outdoor Jacuzzi's and hot tubs included within a deck or patio and which are screened from view from neighboring Units and installed with the prior approval of the ARC if installed as part of the initial construction or the MC if installed thereafter.

**Applicable Lot List
Neighborhood Nine**

Lots 589 through 723 of the Final Plat of Grande Reserve Unit 8, also known as Neighborhood Nine, being a subdivision of part of Sections 11 and 14, Township 37 North, Range 7 East of the Third Principal Meridian, all in Kendall County, Illinois, as per plat thereof recorded in Kendall County, Illinois on August 17, 2004 as Document No. 200400023009.

Additional Comments or Information:

All modifications or additions to the exterior of a home or Lot in Grande Reserve must be reviewed and approved prior to construction by the Modifications Committee. Please include all information needed to fully describe the type of modification you are requesting. (Examples: Most submittals will require a Plat of Survey of your home and lot indicating the location of the addition or modification and the distances to all property lines. Complete construction details are required for decks, patios, gazebos, fences, room additions, etc. Landscaping modifications should indicate location and type of plants. Changes of exterior colors will require a color sample.)

Some types of additions or modifications may require a building permit from the United City of Yorkville. Please check with them before beginning your installation.

Modifications Committee meetings are held on a regular basis and review results are generally available within thirty (30) days. A written report will be mailed to you stating the review results.

Vendor Fax: (815) 741-7059
Vendor Website: www.cedarrustic.com

Fence Style: Cedar Rustic 60" Hampton fence with beveled caps and 1 X 4 " boards
CPL 204

**Antenna and Satellite Dish
Installation Guidelines**

The following provisions will control the installation of all satellite dish and microwave antenna in Grande Reserve. To avoid confusion, it is suggested that Owners submit plans prior to installation for all proposed satellite dish installations for review.

SITING:

- No more than one dish shall be installed on any Lot; all transmitting and receiving antenna shall be installed within the structure.
- The maximum dish diameter shall be one meter or less with a maximum of 18" being the preferred size.
- If a home is situated so that signals cannot be received by a dish placed in one of the preferred locations described below, the ARC will consider suggestions from the Owner for alternate locations.

Preferred Installation Locations:

1. Dishes should be installed only in rear or side yard areas.
2. Dishes should not be located within a front yard on any Lot, nor mounted to the front wall of any home, nor located within landscape easements on any Lot.
3. Dishes should not be mounted on the roof or second story of any Dwelling.
4. Dishes should be located so as not to be visible from the front street and, on corner lots, from the side street.
5. Dishes should be mounted only as follows:
 - 5.1 On the rear wall of the Dwelling at or below the top line of the tallest first floor window but in no event more than ten feet above grade, measured from the top of the dish. (Dishes over 18" must be no more than four (4) ft. above grade.), or
 - 5.2 On the side of the Dwelling, no more than four (4) ft. above grade as measured from top of dish to grade no more than 2 ft. from the house and be screened from all adjacent properties and streets, or
 - 5.3 On a deck or a patio located in a rear or side yard not more than four feet above the deck or patio floor but in no event more than 10' above grade (measured from the top of the dish).

**Antenna and Satellite Dish
Installation Guidelines**

6. Dishes may be free standing in the rear yard but should not be more than four feet above grade (measured from top of dish to grade).

Color: To minimize visibility, dishes should be a color that closely matches the field color of the residence located on the Lot. Neutral colors such as gray, beige or off white are preferred.

SUBMISSION PACKAGES SHOULD INCLUDE:

1. If possible, please submit a fully dimensioned and drawn to scale layout of the contemplated installation on a plat of survey of the Lot, which also shows:
 - 1.1 Distances between the dish and all property lines.
 - 1.2 If mounted on a deck or patio, dimensions of the deck or patio indicating the exact dish location, height above grade and distances to the edge of deck or patio.
 - 1.3 If freestanding, the location of the dish and screening specifying the total height of the installation from grade to top of dish and distance to the residence and any other structures located on the Lot.
2. Elevation drawings for the dish as it will be installed showing the diameter and total maximum height of the proposed dish and its mounting standard on home, on deck or patio, or if freestanding its distance above grade.
3. If mounted on rear or side of the residence, the elevation of residence should be shown indicating the location of the dish installation including the height above grade and distances to the corners of the house.
4. Your submittal should be accompanied by the completed Modifications Committee Submittal Form (found in **Exhibit 2**). You will receive a written notification of the ARC's review comments within thirty (30) days.

Note: The foregoing requirements are established to assure the safest possible location and operation of satellite dishes while preserving and enhancing reasonable and consistent aesthetic standards. To the extent that any of the foregoing requirements and guidelines are found to be invalid or unenforceable, pursuant to current or future Federal Communications Commission (FCC) laws or regulations such finding shall not affect the other provisions hereof and these regulations and guidelines shall be construed as if such invalid or unenforceable provisions had never been contained herein.
